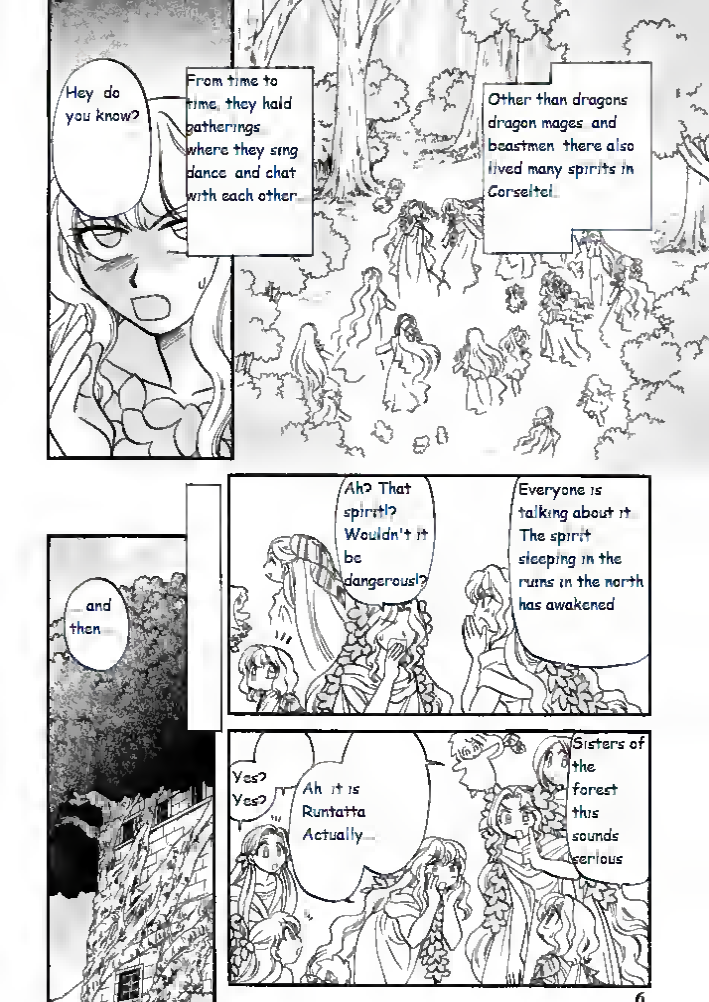
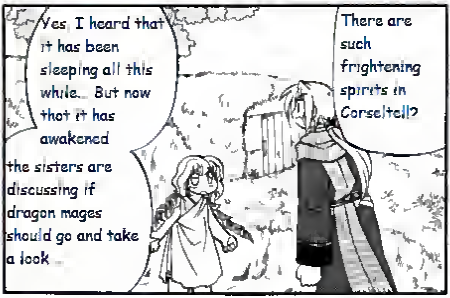
第30話 With the spirits Part 1
～精霊たちと 前編～



Hey do you know?
From time to time, they hald gatherings where they sing dance and chat with each other
Other than dragons dragon mages and beastmen there also lived many spirits in Gorseltei
Ah? That spirit!! Wouldn't it be dangerous?
Everyone is talking about it The spirit sleeping in the ruins in the north has awakened
...and then
Yes? Yes?
Ah it is Runtatta Actually...
Sisters of the forest thus sounds serious

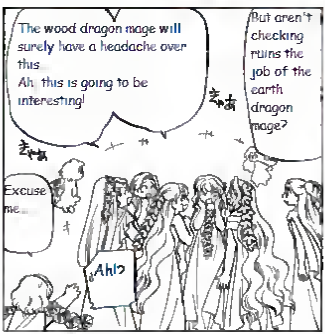
So the nature spirits are afraid of it, and even in the past,
the dragon tribe feared it too.
According to the sisters of the forest, that spirit is not a nature spirit, and is very strange.



Yes. I heard that it has been sleeping all this while... But now that it has awakened
the sisters are discussing if dragon mages should go and take a look...
There are such frightening spirits in Corseltell?

There

In the end, they ended up discussing how to tease the wood dragon mage
……
はぁ…

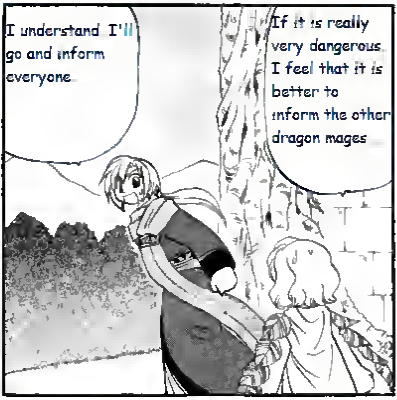


The wood dragon mage will surely have a headache over this.
Ah, this is going to be interesting!
But aren't checking ruins the job of the earth dragon mage?
Excuse me...
Ah!?

Let's go and ask the wood dragon mage for help.

* note: short form of Runtatta

Yes, Run*
the baby dragons are playing in the forest. When they are back, please help to inform them that I've gone out for a while
Ah? Then what about Nata?

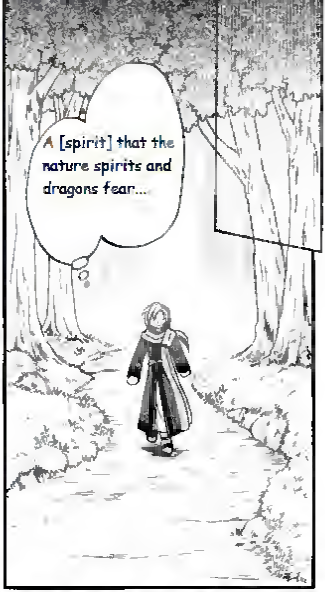


I understand. I'll go and inform everyone.
If it is really very dangerous, I feel that it is better to inform the other dragon mages.

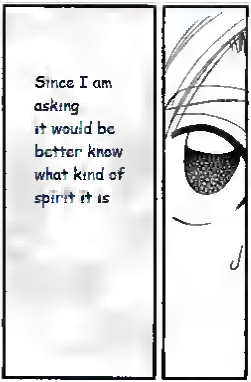
Yes. Then I'll be leaving them with you.
When the baby dragons are playing in the forest, I'm less worried if Nata is with them.
Oh, so that's why Nata is not with you today.

I have no idea what kind of spirit it is...
The only spirits I know are the wood spirit Runtatta, winter spirit Kashi, and I've met the summer and spring spirits before...
sigh...

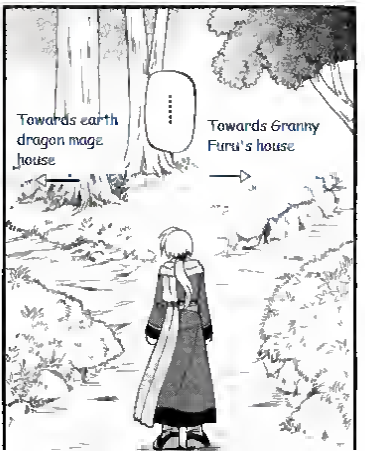
It is very scary, so it should be very strong? If it is strong, perhaps Kashi will know more...



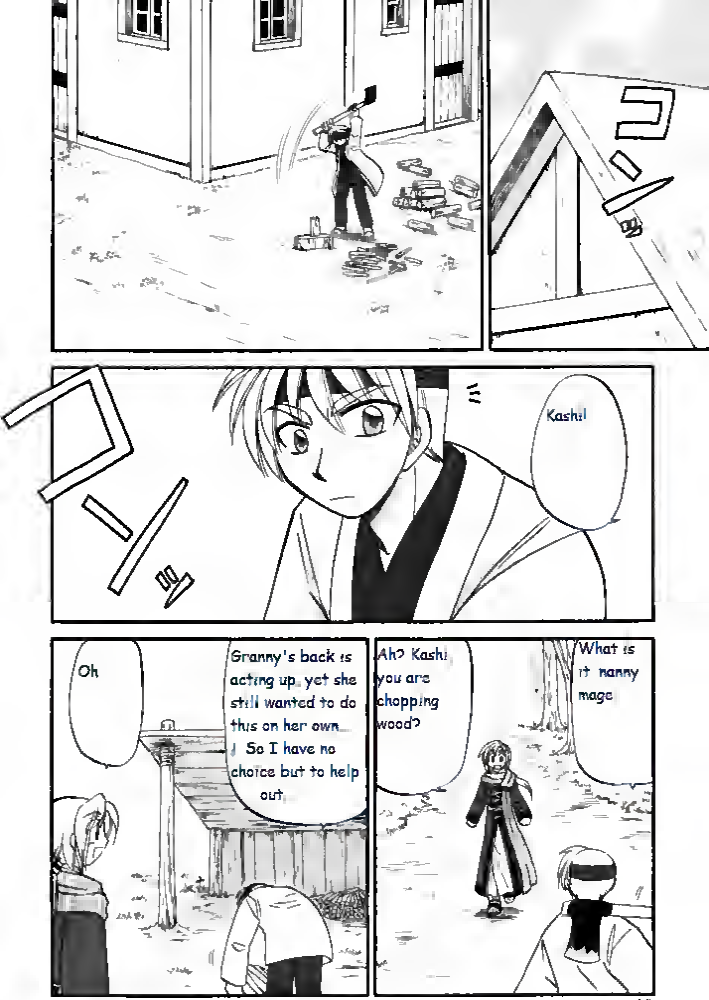
A [spirit] that the nature spirits and dragons fear...



Since I am asking it would be better know what kind of spirit it is

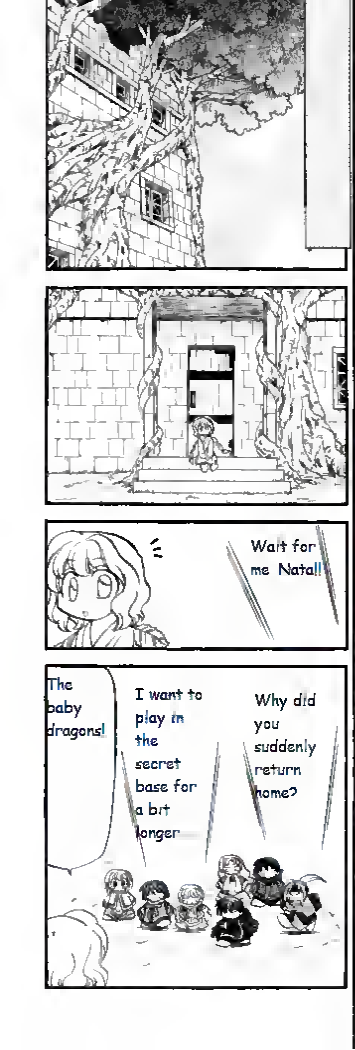


Towards earth dragon mage house
Towards Granny Furu's house

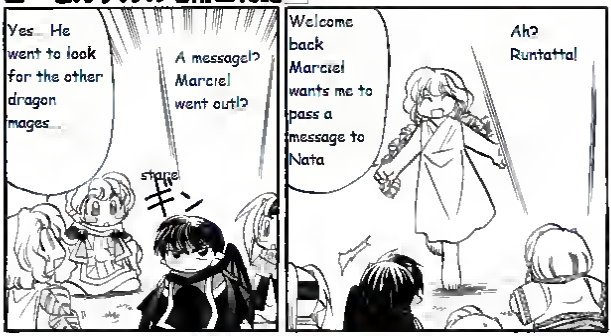


Kashi!
Oh
Granny's back is acting up, yet she still wanted to do this on her own. So I have no choice but to help out.
Ah? Kashi, you are chopping wood?
What is it, nanny mage

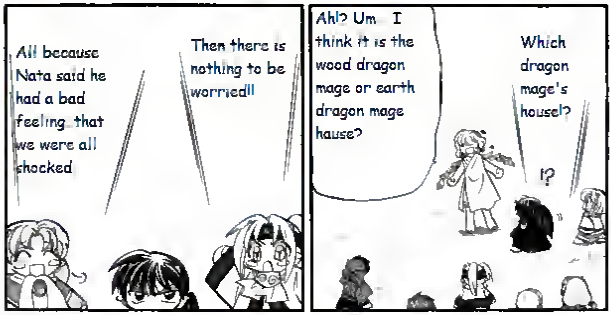
Do you know of any spirits that are so strong that dragons and other spirits fear it?
Ah, no
I have soemthing to ask you, Kashi
Why are you here? Granny returned to the village
A very strong spirit...!?
!?
What!?
!?
Really!?
Such a strong spirit how can I not go and meet it!
Uh... I heard that it was sleeping in one of the ruins in the north mountains but has just awakened, so I'm informing others to investigate...
Who is it!?
And where is it!?



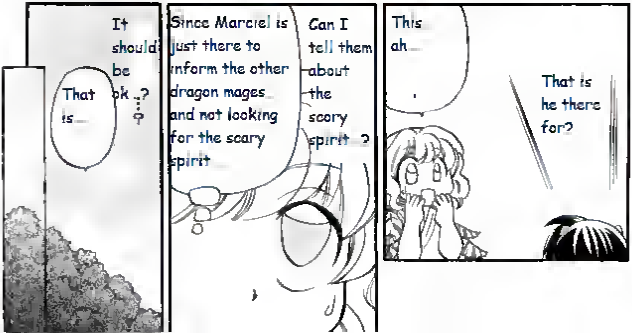
Wait...
Wait for me Kash!!
!!
Wait for me Nata!!
!!
The baby dragons!
I want to play in the secret base for a bit longer
Why did you suddenly return home?



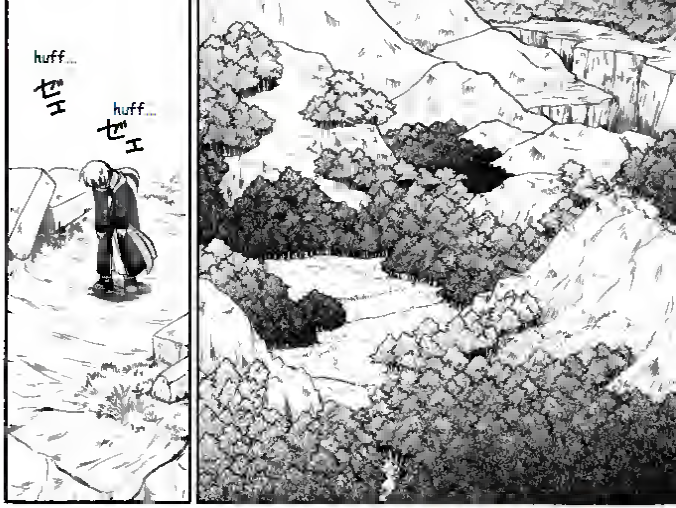
Yes… He went to look for the other dragon mages…
A message!? Marciel went out!?
stare
キン
Welcome back Marciel wants me to pass a message to Nata
Ah? Runtatta!



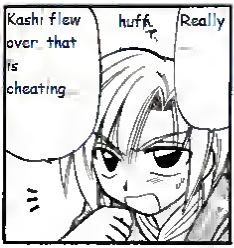
All because Nata said he had a bad feeling that we were all shocked
Then there is nothing to be worried!!
Ah!? Um… I think it is the wood dragon mage or earth dragon mage house?
Which dragon mage's house!?
!?



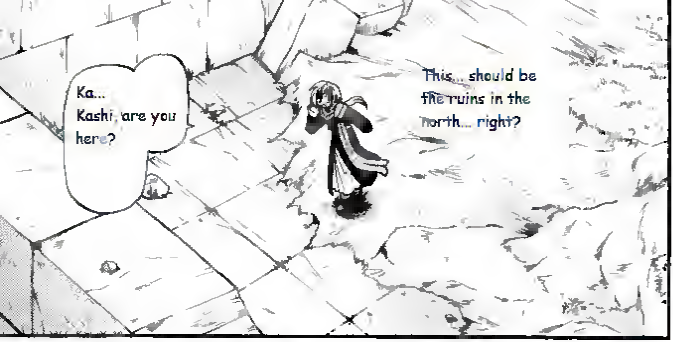
That is…
It should be ok…?
Since Marciel is just there to inform the other dragon mages… and not looking for the scary spirit…
Can I tell them about the scary spirit…?
This ah…
That is he there for?



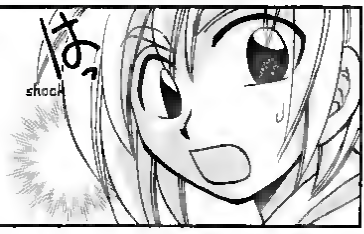
huff...
ゼェ
huff...
ゼェ



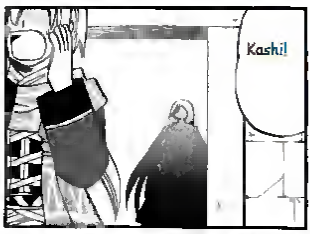
Really
huffh
Kashi flew over that is cheating



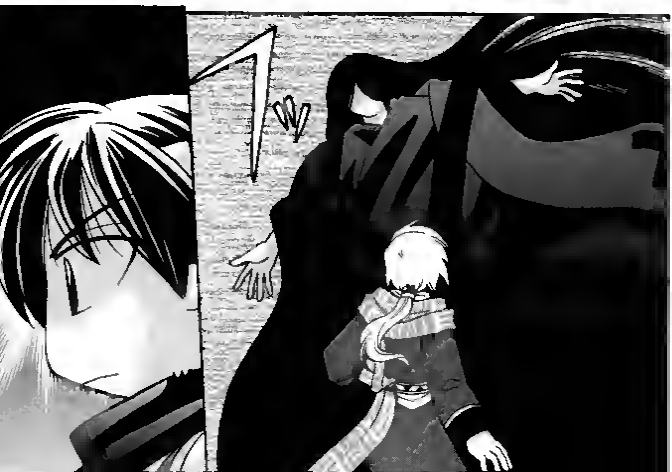
Ka...
Kashi, are you here?
This... should be the ruins in the north... right?



shock

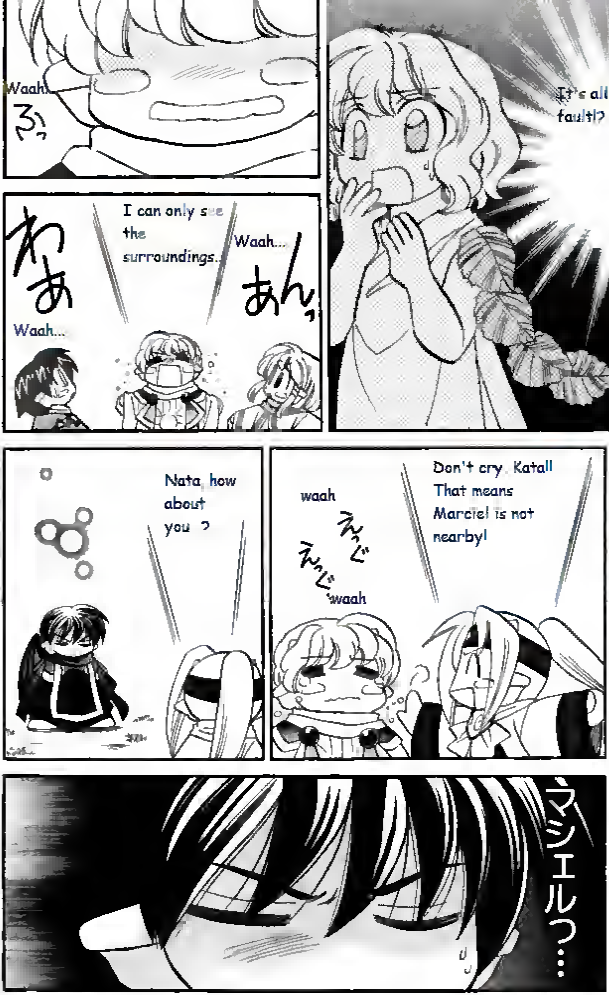


Kashi!



Ah!?
Natal?
だ、
And so, Marciel is just informing the rest, so...
That bad feeling just got stronger...
……
はし、
What are you doing, Natal! As you've heard everything will be alright!
Nata's prediction about Marciel is very accurate each time!
Nata, do you know where Marciel is!?

I will use light dragon magic to find!
That idea is good!!
Yes yes!
おお
Since you are going, then let's go and find Marciel together!!
nod
Baby dragons
It's true that Nata understands Marciel very well...
If... something really happened to Marciel...

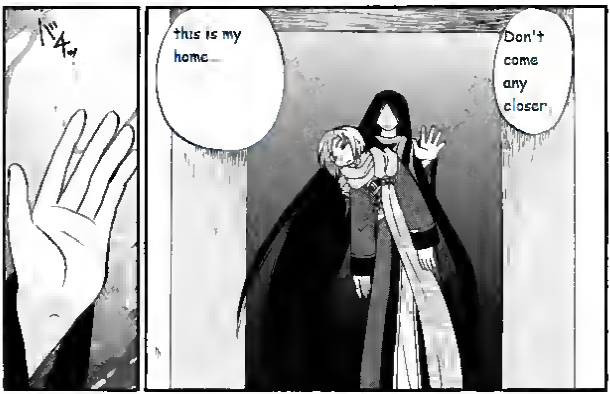


Waah...
ろっ
It's all my fault!?
わあ
I can only see the surroundings.
Waah...
あんっ
Waah...
Nata, how about you ?
waah
えんぐ
えんぐ
waah
Don't cry. Katal! That means Marciel is not nearby!
マシェルっ…
Marciel...

Damn it, it took me such a long time to find a place that look like ruins! But why are you here too!?
すぅ
Damn it, it took me such a long time to find a place that look like ruins! But why are you here too!?
Nanny mage!!
!!

huff

Hey... You... what are you doing?



this is my home...
Don't come any closer

Natal
Calm down Natal!
Natal Are you alright!? Are you alright!?
sigh

Is... is captured!?
In the northern ruins... something is pulling him away...
Marciel... is captured.
Ah...
I'll go too!! We have to rescue Marciel!
ギッ
I will get him back!

No no Marciel is not here, how can Nata use such powerful dragon magics!!
Can we use dark dragon mages to reach there!?
Wait! The north... isn't it near the dark dragon house?
Let's run there!!
Alright, let's go everyone!!
There's no need to say
Right?
Nata will be able to do it, he will!!

Ah... ah!
わら
わら

I chased Kashu to these ruins But I suddenly felt like sleeping...
...Calm down... Hm...
Where, where am I!?
What!?
!?
Finally...
I am... the spirit of this house... I won't let you leave again...
Finally, a new human is here.
This...

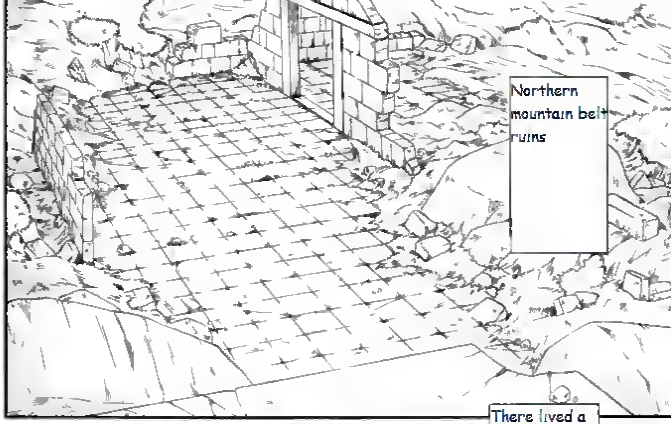
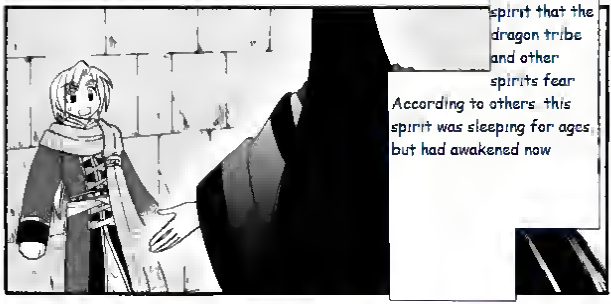
第31話 ～精霊たちと 後編～

With the spirits Part 2



Northern mountain belt ruins



There lived a spirit that the dragon tribe and other spirits fear
According to others this spirit was sleeping for ages but had awakened now

I have to get back quickly

This is inside those ruins?
When did I enter this place

Nanny magall
!!
Damn it! Why can't I enter!?
Ah! It's Kashi!!

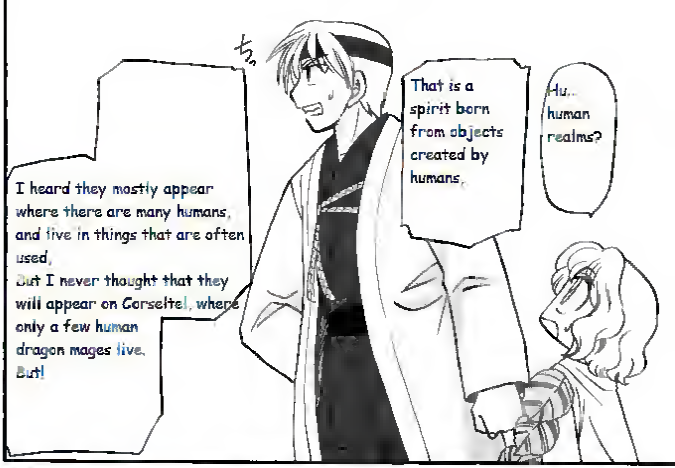
わら,
Kashi is here! Natal!

You all... Why did you come to this place!?
Where is Marcel!?
He was taken inside by the spirit of the ruins.
glare
Marcel?

Hey!!
Wait!! There is a barrier...
Nol! Natal
If you destory the ruins Marcel will be injured too!
waah

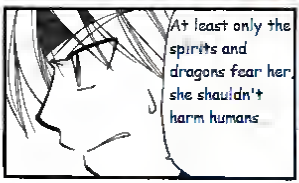
Are there any other enterances? Let's split up and find them!?
Let's think of other ways to enter!!
That's true.
phew
This fellow ?
That is enough, just tell us all you know!
I I only heard from the forest spirits
Being a spirit of Corseltel you should know what kind of spirit this is right!?
You are the wood spirit living beside the nanny mage right!?
Hey!

Speak!!
!?
That spirit dared to look down on me!! I'll surely drag her up and defeat her!!
ひゃあ
aaaaah
あぁ
Ah... yes... yes... I heard that it was a long time ago... when Corseltel is still the capital of the dragons... the spirit already existed...
And because they want to live together with humans, so the dragon tribes are afraid they will steal the dragon mages away...
That is a kind of spirit that appeared at the same time in human's history.
They will push humans to destory nature so the nature spirits fear them.
That is a [spirit of the human realms]!?



I heard they mostly appear where there are many humans, and live in things that are often used,
But I never thought that they will appear on Corseltel, where only a few human dragon mages live.
But!
That is a spirit born from objects created by humans.
Hu.. human realms?

What...
they are gone



At least only the spirits and dragons fear her, she shouldn't harm humans

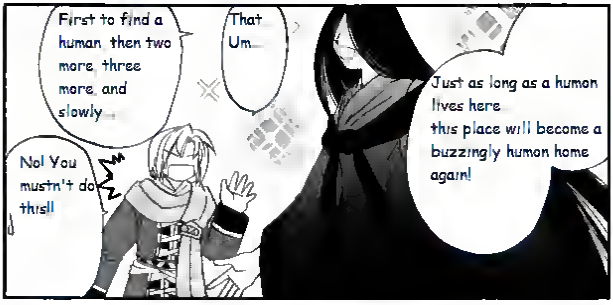
Ah! The baby dragons!! Your dragon mage is safe, so please don't try-

Baby dragons!?
Baby dragons!? Don't try anything dangerous!
Ata is there really a tunnel underneath?
shh
That's right! From the entrance till here the ground is hollow!
Wow!
I found it!!
!!

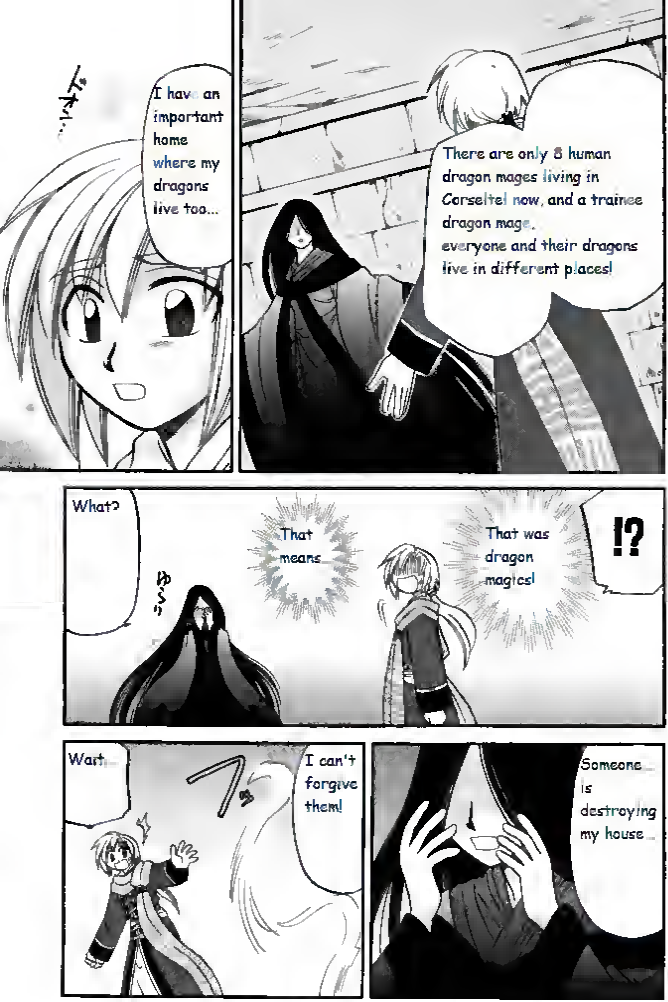
Natal?
!?
... At least he is not here.
Is Marciel inside?
Then how about Marciel
!?
I'm not sure about the entrance, but there are no barriers here!!

We have to find Marciel quickly!
Let's go
Yes!!
!!
When I woke
!?
There are no humans around I am so lonely...
And this house is in such a bad state I am very sad too...
But a human is here... everything is alright...

First to clear away the dust, then to repair the walls
Sweep the floor, arrange some furniture, add some flowers...
This home will be alive and beautiful again!

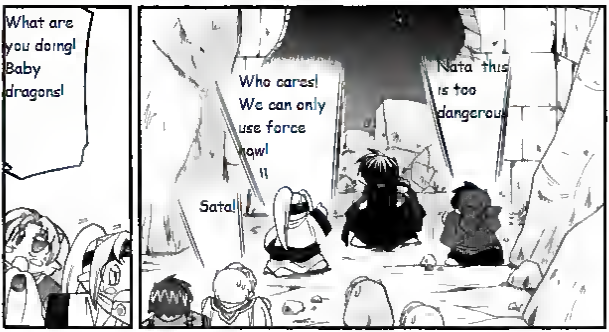


First to find a human, then two more, three more, and slowly...
That Um...
Just as long as a human lives here, this place will become a buzzingly human home again!
No! You mustn't do this!!

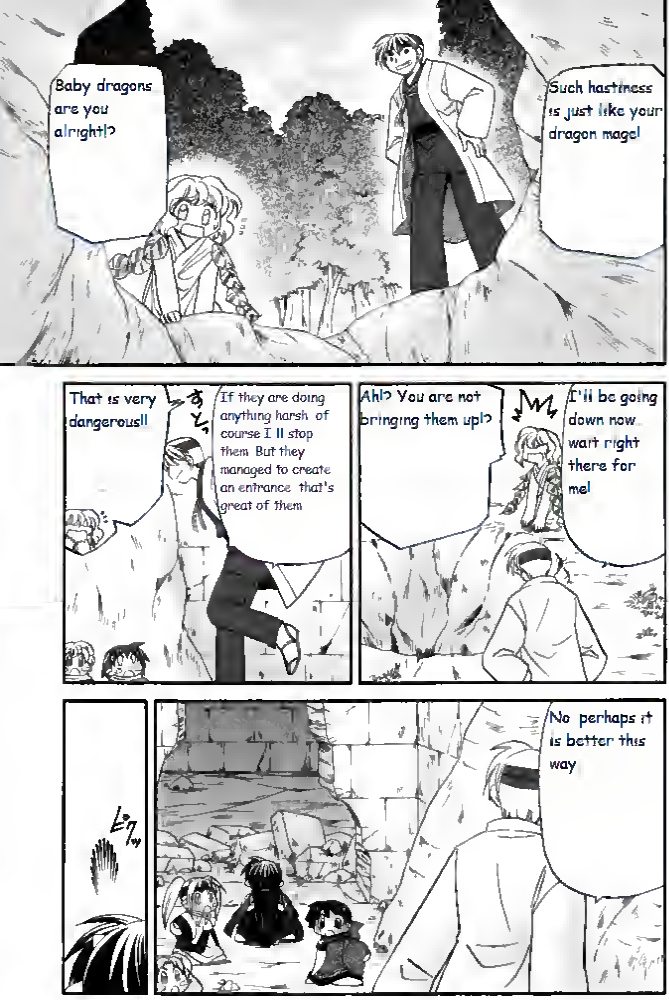


I have an important home where my dragons live too...
There are only 8 human dragon mages living in Corseltel now, and a trainee dragon mage. everyone and their dragons live in different places!
What?
That means
That was dragon magics!
!?
Wait...
I can't forgive them!
Someone is destroying my house...

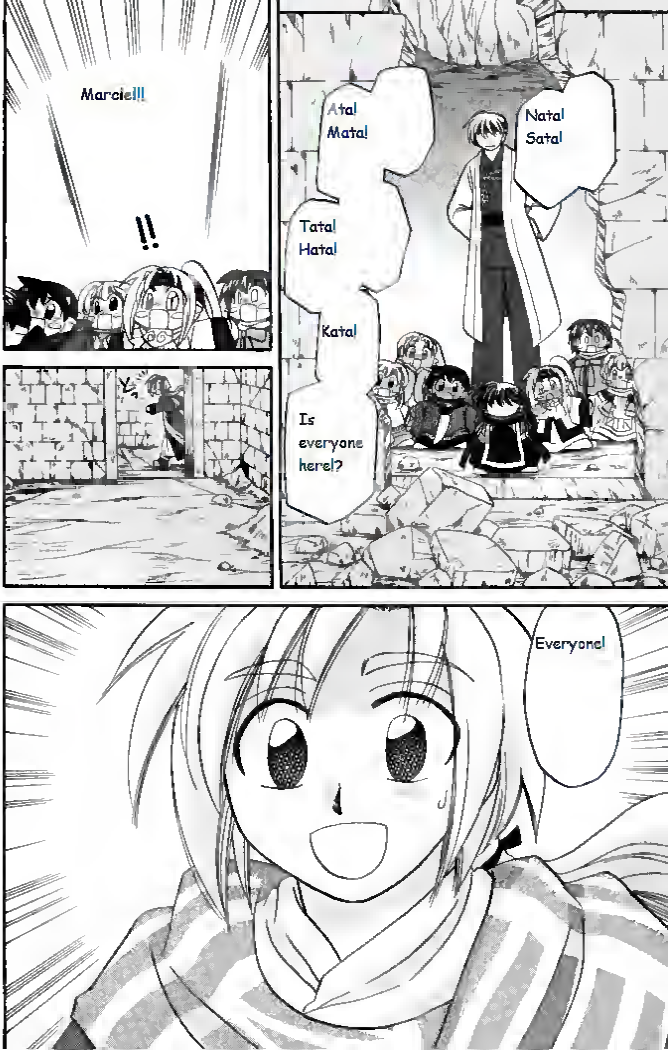
Wait!! If you dare to do anything to my baby dragons,
I won't forgive you too!!
!!



What are you doing! Baby dragons!
Who cares! We can only use force now! !!
Nata this is too dangerous
Sata!!

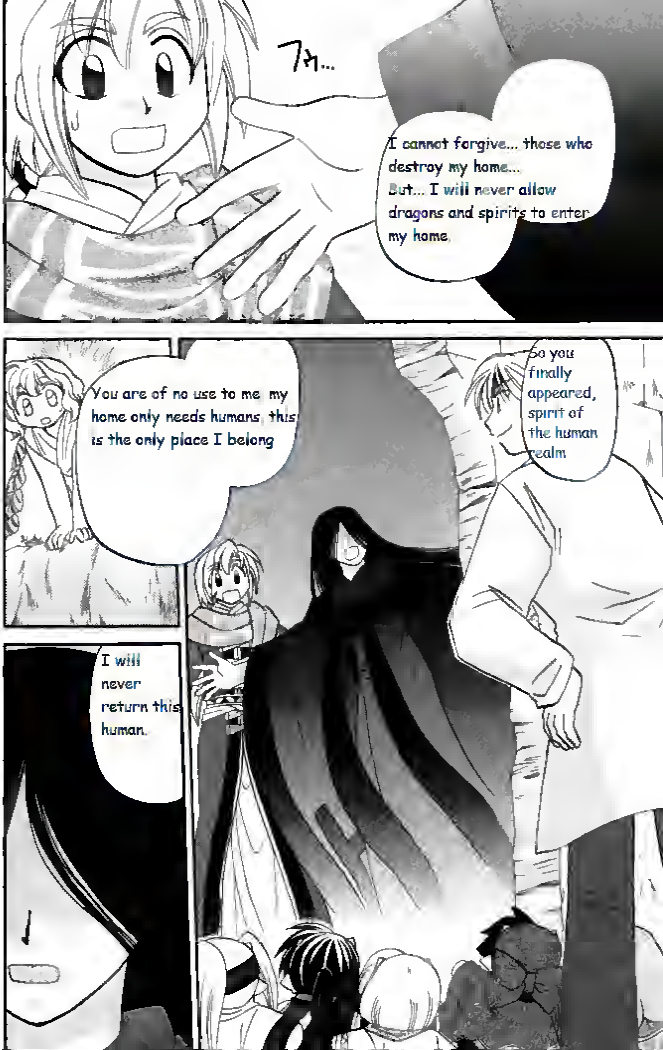


Baby dragons are you alright!?
Such hastiness is just like your dragon mage!
That is very dangerous!!
If they are doing anything harsh of course I'll stop them But they managed to create an entrance that's great of them
Ah!? You are not bringing them up!?
I'll be going down now wait right there for me!
No perhaps it is better this way



Marcie!!!
!!
Atal
Mata!
Natal
Sata!
Tata!
Hata!
Kata!
Is everyone here!?
Everyone!

わっ
Wow!
Marciel!
Wait!
!
What
Kashi?
バチィ



I cannot forgive... those who destroy my home...
But... I will never allow dragons and spirits to enter my home.
You are of no use to me my home only needs humans, this is the only place I belong
So you finally appeared, spirit of the human realm
I will never return this human.

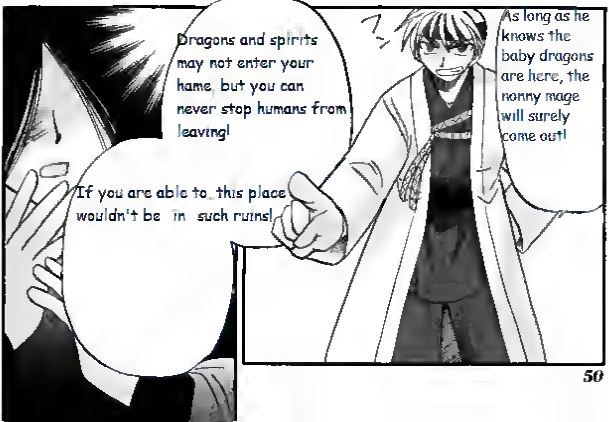
shock
Natal You can't-

Wa- what!?
An earthquake!?
ゴゴゴゴ…
ズ…ズズン
No, it is dragon magics—
And it is dark dragon magics!

Every-thing should be fine already!
phew
Ranbalus you should have checked these ruins before? Where is the entrance?
Yes, it should be, but it stopped...
That means something happened!? Just like Raruka said something really happened to Marciel...?
The ruins are collapsing!!
It is here-
What!?
!?
Kadtoll! Leave now!!

?
?
Strange...? What happened to the barrier!?
!?

This is such a pity spirit of the human realms.

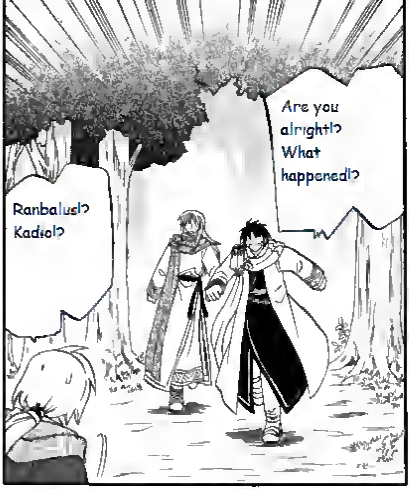


Dragons and spirits may not enter your home, but you can never stop humans from leaving!
If you are able to, this place wouldn't be in such ruins!
As long as he knows the baby dragons are here, the nanny mage will surely come out!

Nata?
はっ
shock
Dont' worry I won't challenge the spirit of the human realms
because that is bullying someone weak
Kashu!
Let's go home quickly Marcie!!!
Then he tried hard to control his power so he is very tired!
Nata just used a lot of dragon magics!!

ガラ
ガラ
ガラ
Oh no!
I'm sorry, I have to return to my home...
Don't think about using dragon magics to save this place there is no time!!
But the spirit-
Get outside quickly nanny mage!

ズズ



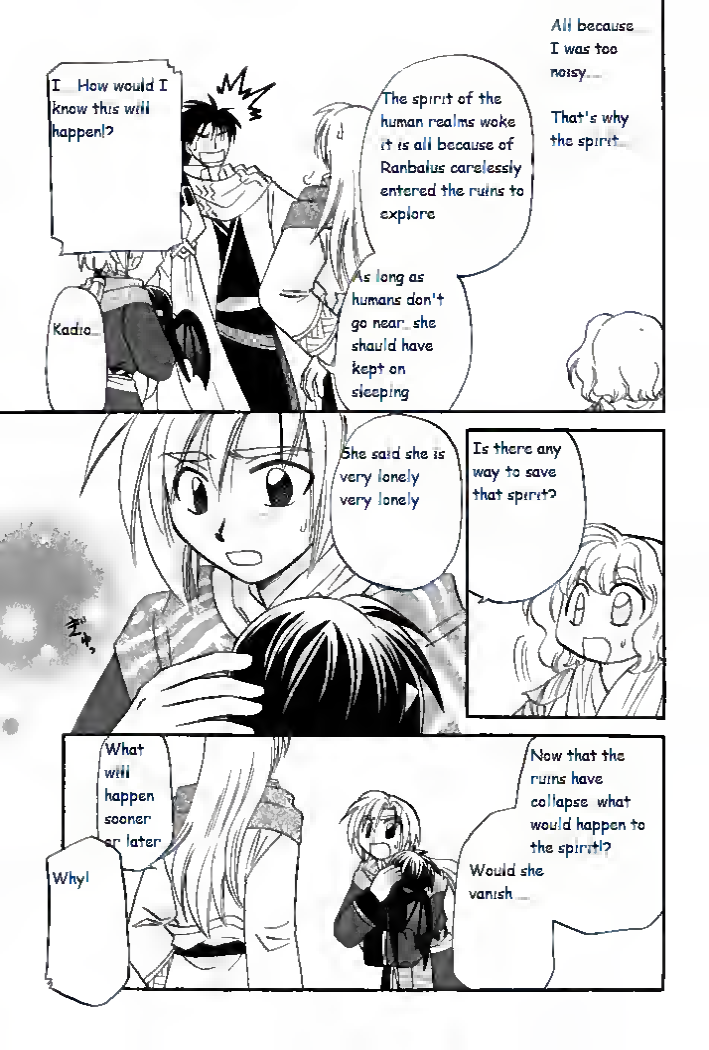
Are you alright!? What happened!?
Ranbalus!? Kadiol?

Marcie!!!
!!

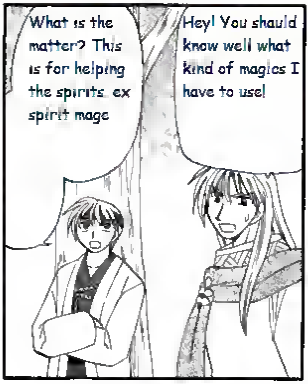
It can't be called clear... but I understand most of what they are trying to say
The sisters of the forest told everything to Mr wood dragon mage clearly?

Ah!?
!?
The forest spirits told me so I came over to look There is a spirit of the human realms here right!?

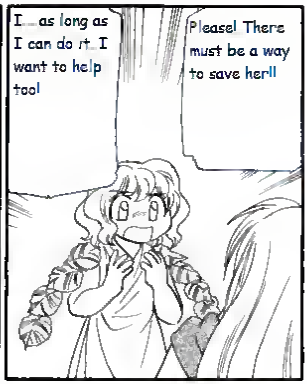
How... haw did



All because I was too noisy...
That's why the spirit...
The spirit of the human realms woke it is all because of Ranbalus carelessly entered the ruins to explore
As long as humans don't go near, she should have kept on sleeping
I... How would I know this will happen!?
Kadio...
She said she is very lonely very lonely
Is there any way to save that spirit?
What will happen sooner or later
Why!
Now that the ruins have collapse, what would happen to the spirit!?
Would she vanish...

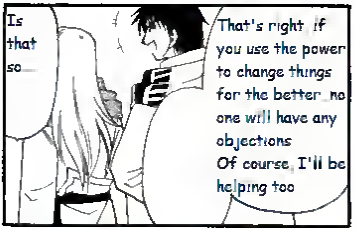


What is the matter? This is for helping the spirits, ex spirit mage
Hey! You should know well what kind of magics I have to use!



I... as long as I can do it, I want to help too!
Please! There must be a way to save her!!

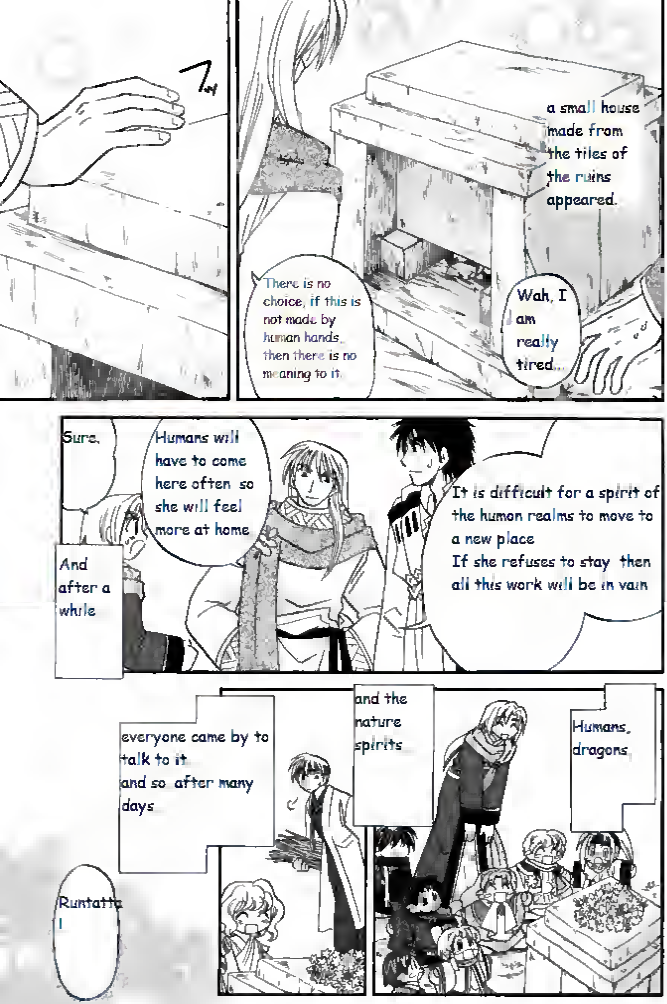
soon...
near to the baby dragons' secret base...



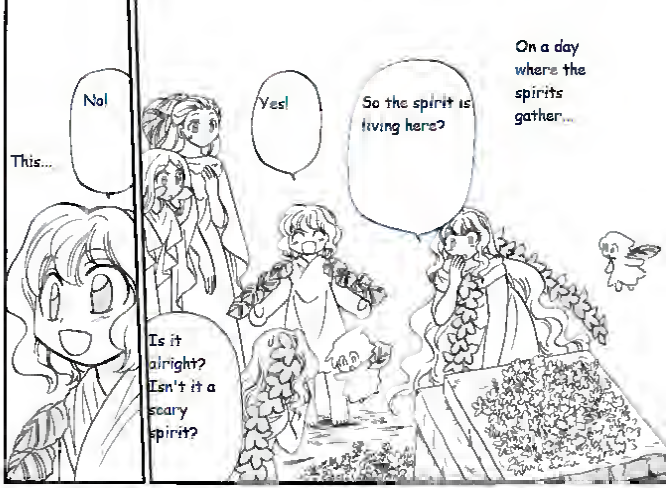
Is that so...
That's right, if you use the power to change things for the better, no one will have any objections
Of course, I'll be helping too

Just that I'm not sure if it will be successful...
...and so

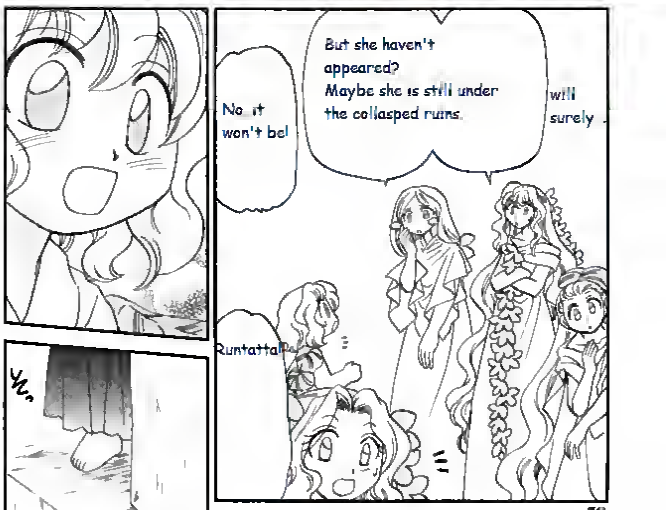
...ah?
Since you've said so, Ranbalus, I'll ask you to help out as much as you can
わあ



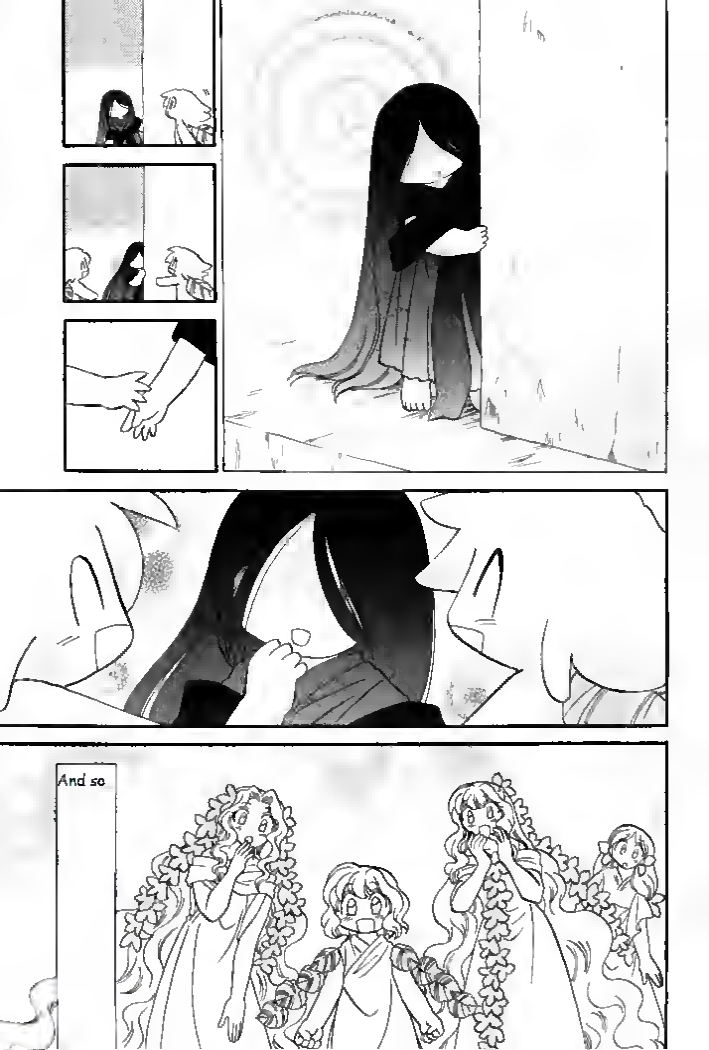
a small house made from the tiles of the ruins appeared.
There is no choice, if this is not made by human hands, then there is no meaning to it.
Wah, I am really tired...
Sure.
Humans will have to come here often so she will feel more at home
It is difficult for a spirit of the humon realms to move to a new place
If she refuses to stay then all this work will be in vain
And after a while
everyone came by to talk to it
and so after many days
and the nature spirits
Humans, dragons
Runtatta



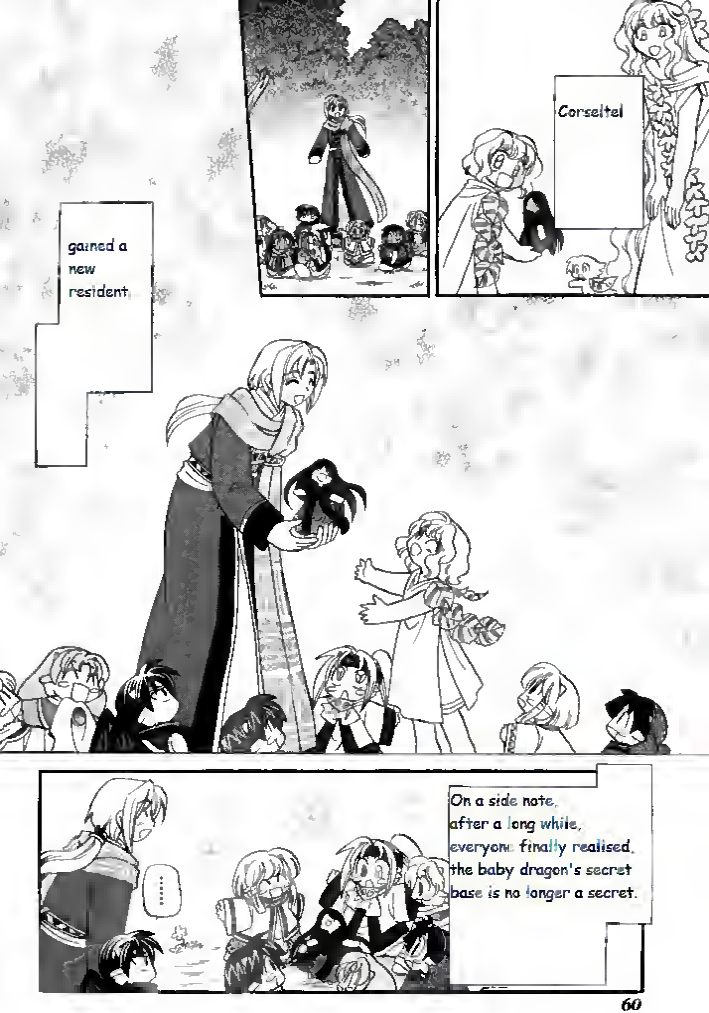
On a day where the spirits gather...
So the spirit is living here?
Yes!
No!
This...
Is it alright? Isn't it a scary spirit?



But she haven't appeared? Maybe she is still under the collasped ruins.
No, it won't be!
will surely
Runtatta!



And so

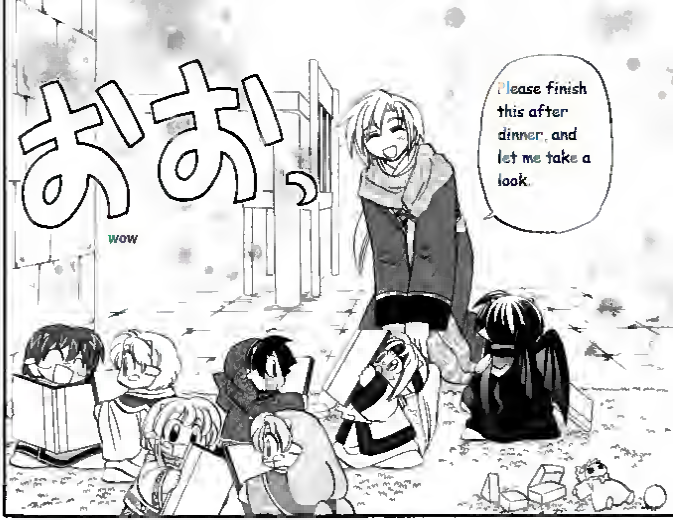


Corseltel
gained a new resident.
.....
On a side note, after a long while, everyone finally realised, the baby dragon's secret base is no longer a secret.

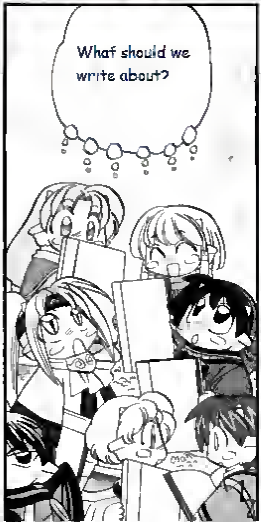
第32話 Drawing diary adventure
～絵日記 冒険記～

I t's start a drawing diary!!
From today onwards,

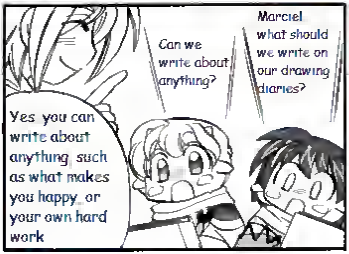
A drawing diary!?
!?



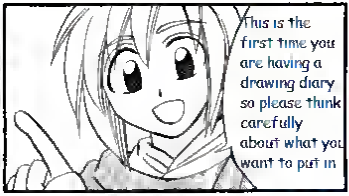
おお
wow
Please finish this after dinner, and let me take a look.



What should we write about?



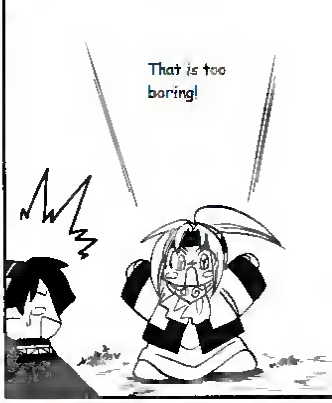
Marciel what should we write on our drawing diaries?
Can we write about anything?
Yes, you can write about anything, such as what makes you happy, or your own hard work



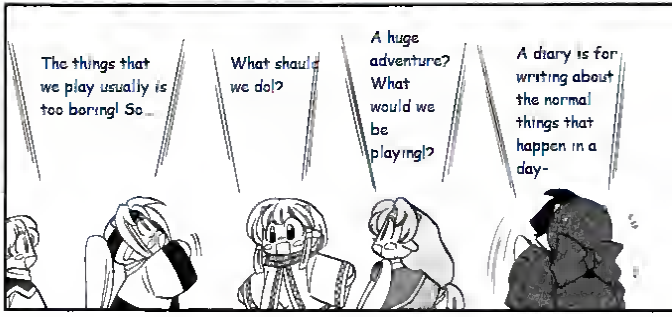
This is the first time you are having a drawing diary so please think carefully about what you want to put in

Ah!?
!?
I want to draw this flower in my drawing diary, so I'm looking at it!
hehe
What is it, Hata?
And looking at flowers can be make him happy too!
Marciel said we can put in anything!
Uh- thus-
Ah, really!?
!?
This is a diary, so what we draw has to be related to what we write in

Since we have to write the diary, why not have a huge adventure, then we write about it!
Sata!
wow!



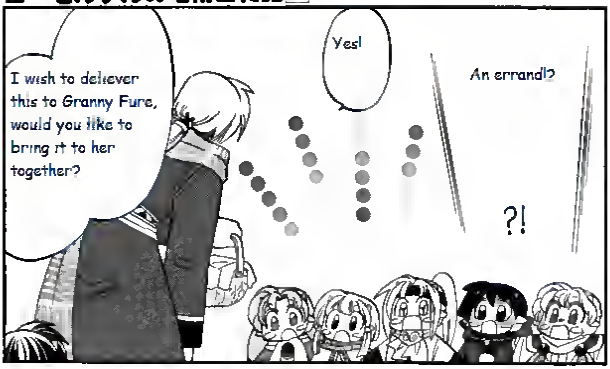
That is too boring!



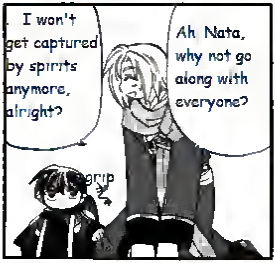
The things that we play usually is too boring! So...
What should we do!?
A huge adventure? What would we be playing!?
A diary is for writing about the normal things that happen in a day-

Would you like to help me run an errand?

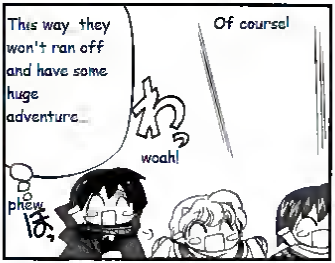
Every-one!



I wish to deliever this to Granny Fure, would you like to bring it to her together?
Yes!
An errand!?
?!



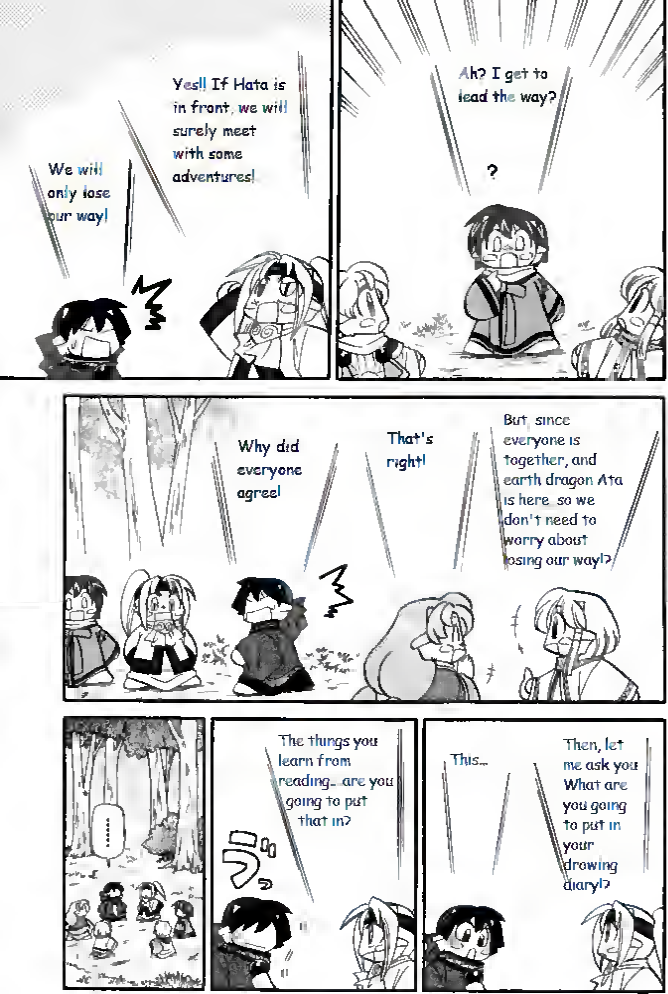
I won't get captured by spirits anymore, alright?
Ah Nata, why not go along with everyone?
grip



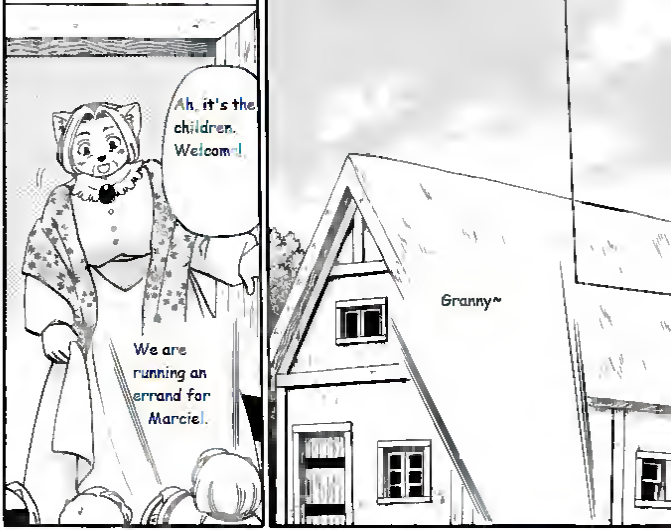
This way they won't run off and have some huge adventure...
Of course!
わっ
woah!
phew
ほっ

Yes, we're going now!
Take care on the way!
I guess I have no choice...

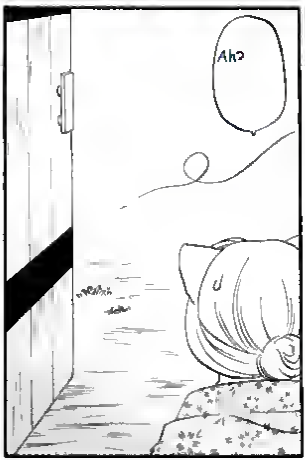
Nata, you have to fill up your drawing diary too and try not to write all about me
Thus is the first time they are having a drawing diary. I hope they will write about happy stuff.
They should be able to meet with many interesting things on this errand?
And Granny's house is nearby, and they have been there many times before.
hehe
An errand~ An errand~
We are off to Granny's house~
To bring her a present~~
Because it is too boring running an errand
Sata, you still haven't given up on having your adventure?
Ah yes!
Eh!?
む!?



We will only lose our way!
Yes!! If Hata is in front, we will surely meet with some adventures!
Ah? I get to lead the way?
?
Why did everyone agree!
That's right!
But, since everyone is together, and earth dragon Ata is here, so we don't need to worry about losing our way!?
The things you learn from reading... are you going to put that in?
This...
Then, let me ask you What are you going to put in your drowing diary!?



Ah, it's the children. Welcome!
We are running an errand for Marcie!
Granny~



Ah?

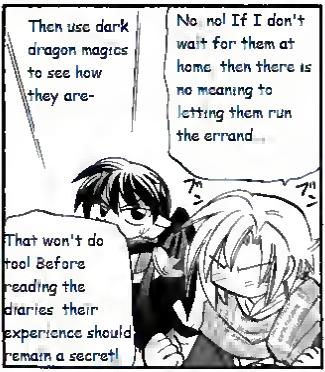
Ah, ah. So you came here on your own? This is amazing!

Yes, I have some delicious snacks, so lets-

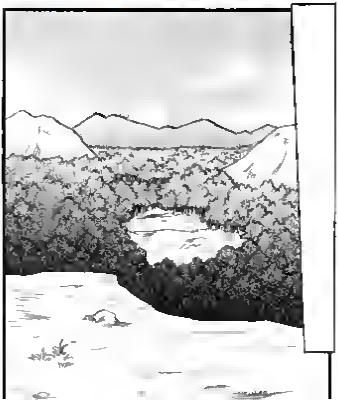
Let's go on an adventure!
Alright!
right!
おーっ
No, it isn't! We are just... taking a longer path home!
The direction is totally wrong!
わっ
wow!
This way!!
Yes!
Hata, just go in the direction where home is.
.....
After a while

Ah!?
!?
If you are worried why not go fetch them home?

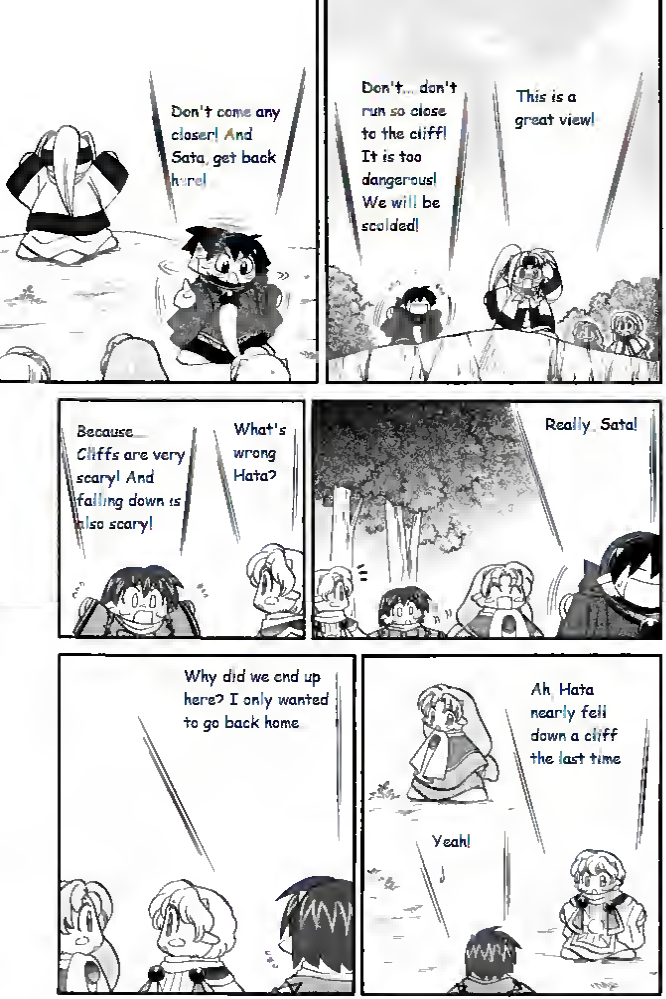
They should be back by now? Did they go and play somewhere else? Or stayed at Granny's to eat snacks? Or
.....



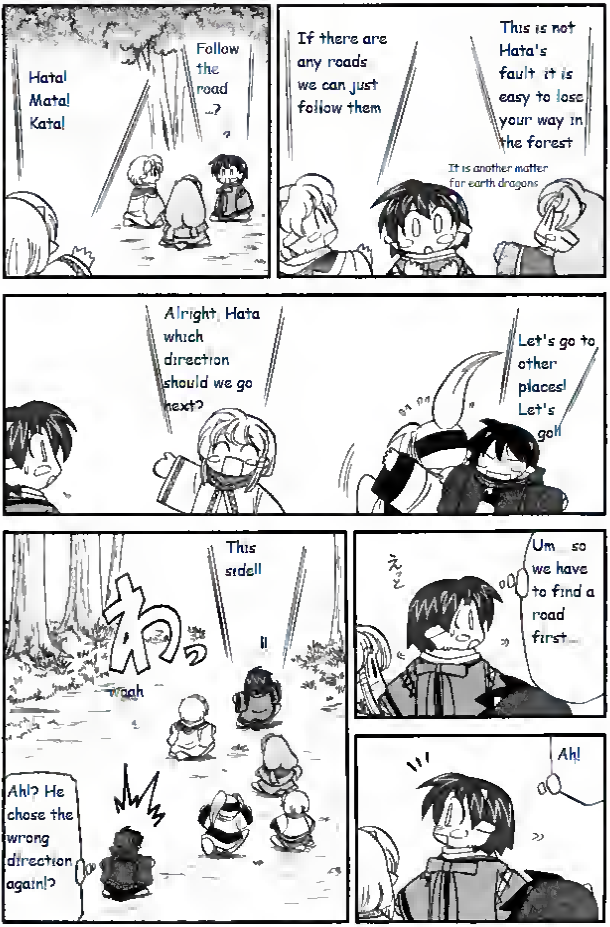
Then use dark dragon magics to see how they are-
No no! If I don't wait for them at home then there is no meaning to letting them run the errand
That won't do too! Before reading the diaries their experience should remain a secret!



We... we'll just wait a little longer
What a headache

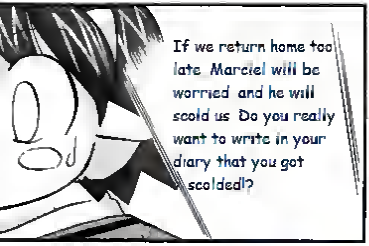


Don't come any closer! And Sata, get back here!
Don't... don't run so close to the cliff! It is too dangerous! We will be scolded!
This is a great view!
Because... Cliffs are very scary! And falling down is also scary!
What's wrong Hata?
Really, Sata!
Why did we end up here? I only wanted to go back home.
Ah, Hata nearly fell down a cliff the last time
Yeah!



Hata!
Mata!
Kata!
Follow the road ...?
If there are any roads we can just follow them
This is not Hata's fault it is easy to lose your way in the forest
It is another matter for earth dragons
Alright, Hata which direction should we go next?
Let's go to other places! Let's go!!
This sidell
わっ
Woah
Ah!? He chose the wrong direction again!?
えっと
Um... so we have to find a road first...
Ah!

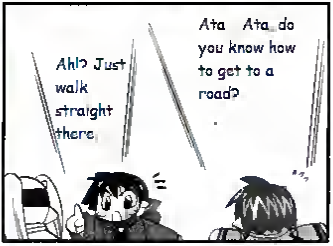
A pond!?
!?
What is it? Sata?
Why did w... end up at a dangerous place again...



If we return home too late Marciel will be worried and he will scold us Do you really want to write in your diary that you got scolded!?

It is too scary to come to such dangerous places without Marciel!
nod

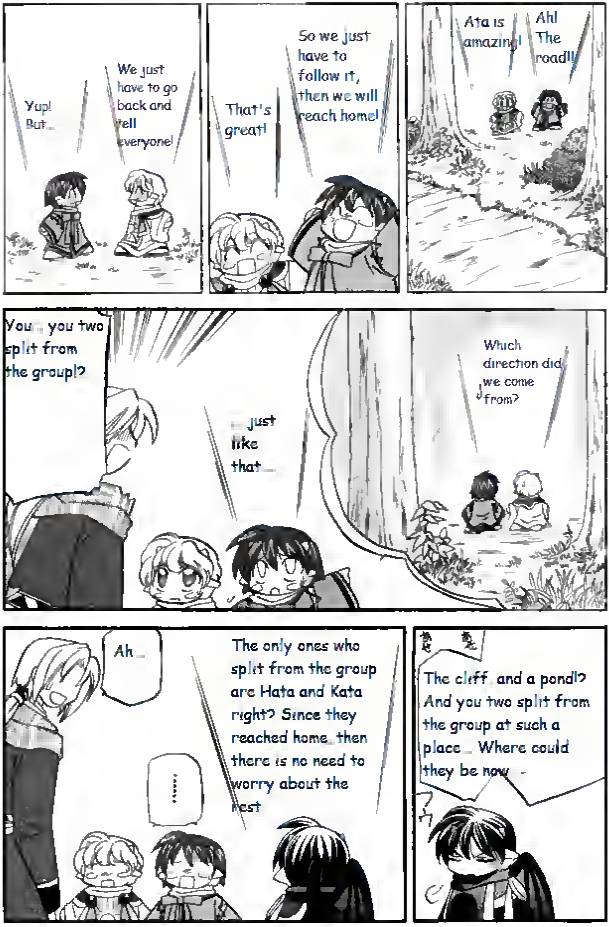
Sata, are you even listening!?
Ah... Ata, you are really naggy!



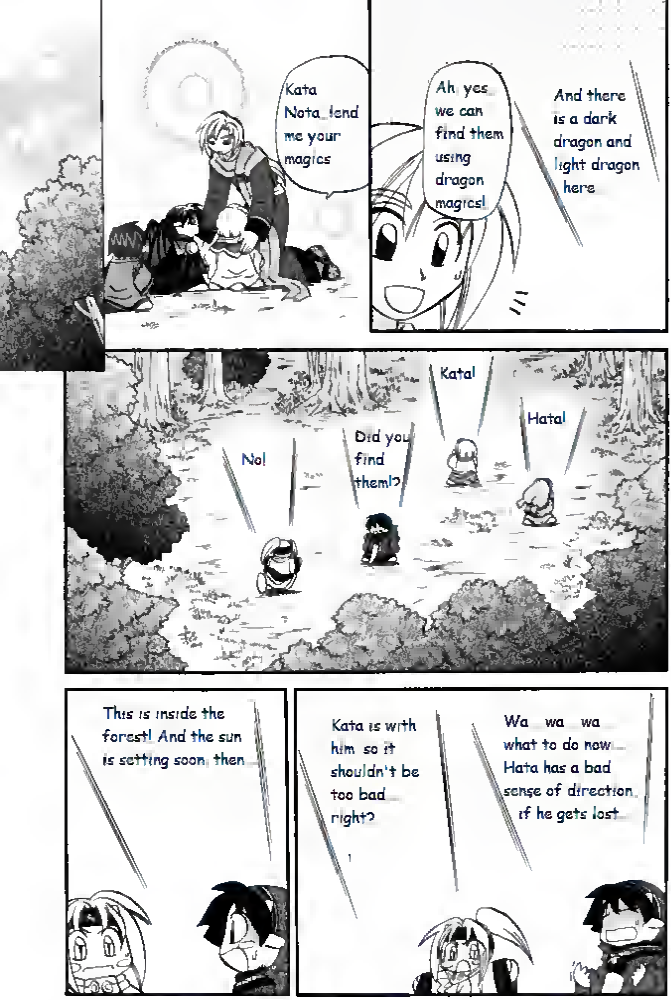
Ata Ata, do you know how to get to a road?
Ah!? Just walk straight there.

Um... Ata says there is a road in this direction
Ah? I don't see it
Is there really a road here?
I don't see any thing..
What is it this time? Hata?
Maybe further front?
Ata said it is
Is it in front?
It's too late

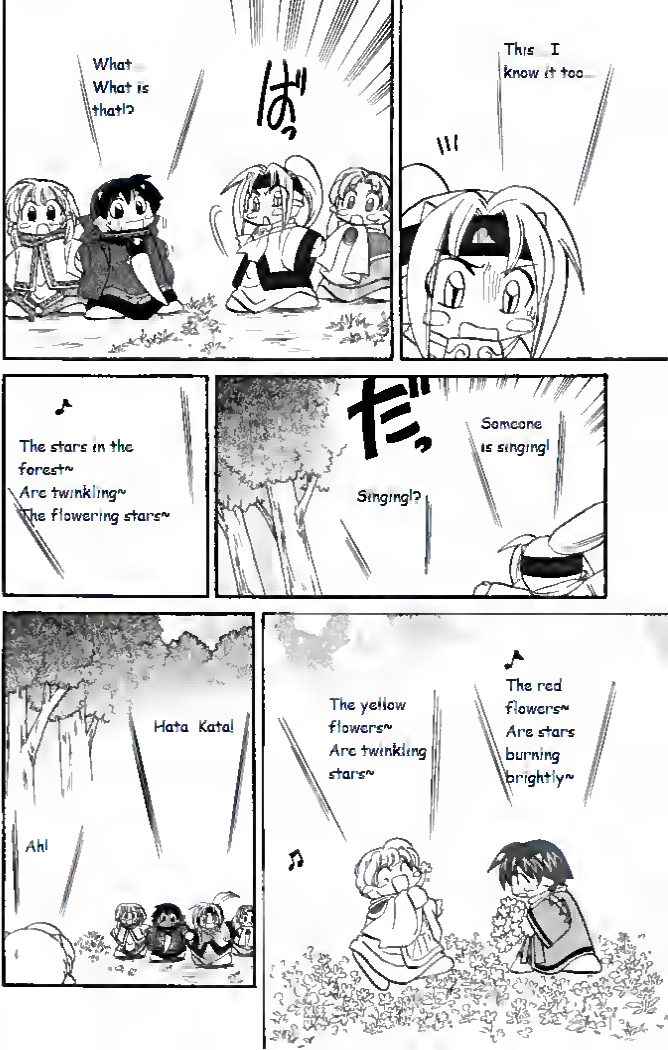
Ah!
We better go fetch them back!
I'm very worried!
Marcie!!
Kata!
Hata!
What happened? It's only the two of you? Where is Sata and the rest...
That... We don't know!!
Don't know!?
We... We found the road...



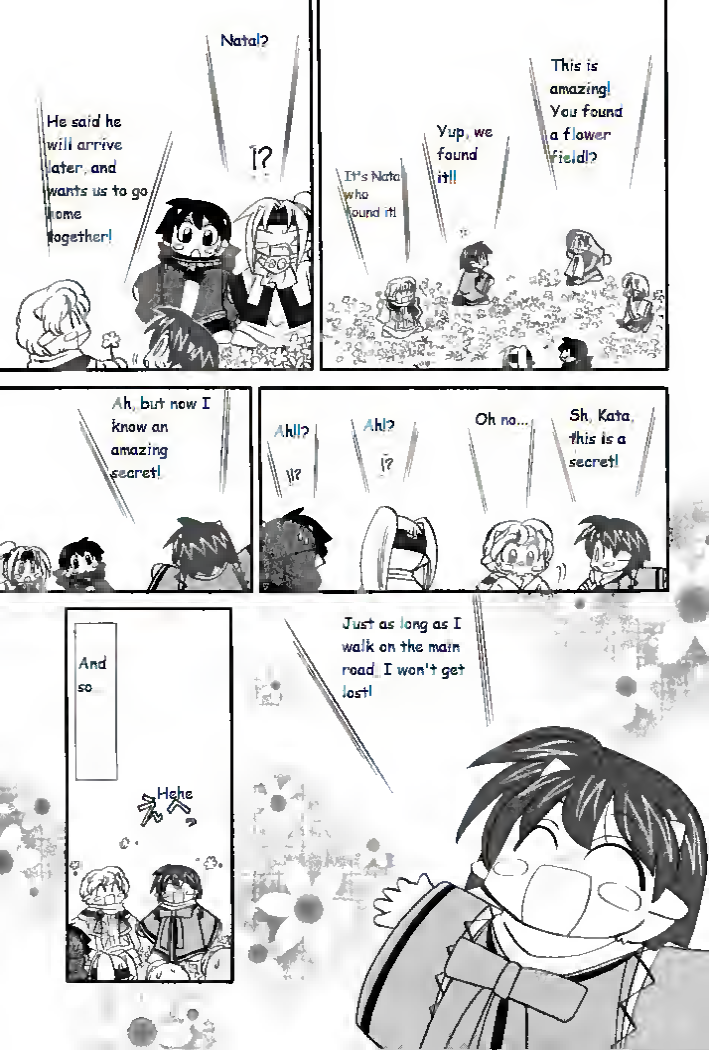
Yup! But...
We just have to go back and tell everyone!
That's great!
So we just have to follow it, then we will reach home!
Ata is amazing!
Ah! The road!!
You... you two split from the group!?
...just like that...
Which direction did we come from?
Ah...
The only ones who split from the group are Hata and Kata right? Since they reached home, then there is no need to worry about the rest
.....
The cliff...and a pond!? And you two split from the group at such a place... Where could they be now...



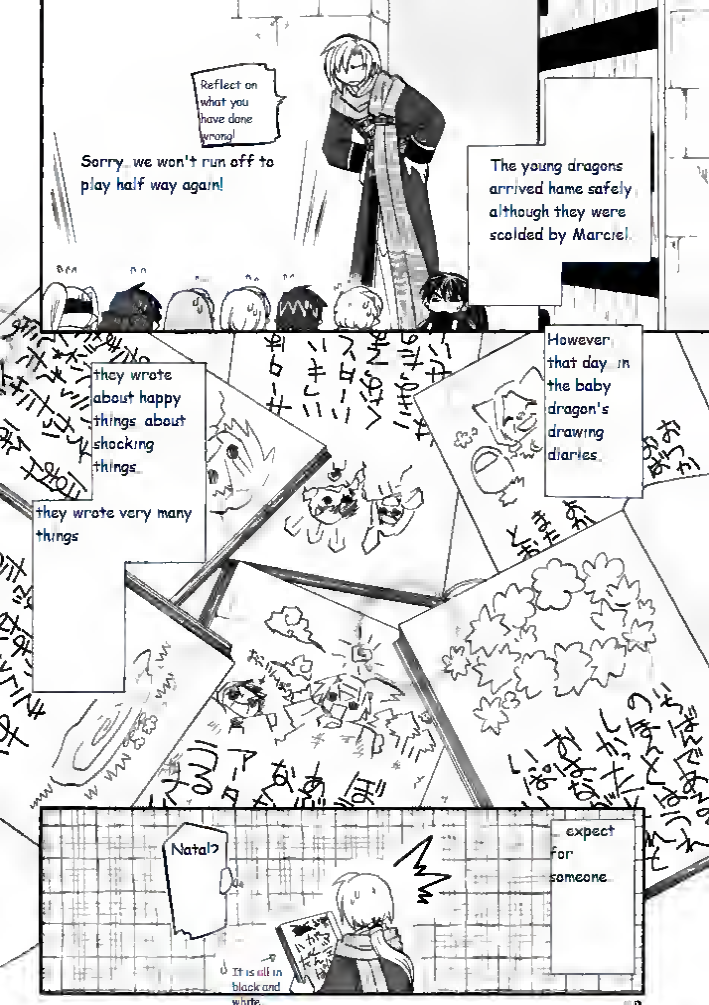
Kata Nota, lend me your magics
Ah, yes, we can find them using dragon magics!
And there is a dark dragon and light dragon here
Kata!
Hata!
No!
Did you find them!?
This is inside the forest! And the sun is setting soon, then
Kata is with him, so it shouldn't be too bad, right?
Wa... wa... wa... what to do now... Hata has a bad sense of direction, if he gets lost...



What
What is
that!?
ばっ
This I
know it too...
The stars in the
forest~
Are twinkling~
The flowering stars~
だっ
Someone
is singing!
Singing!?
Hata Kata!
Ah!
The yellow
flowers~
Are twinkling
stars~
The red
flowers~
Are stars
burning
brightly~



Natal?
!?
He said he will arrive later, and wants us to go home together!
This is amazing! You found a flower field!?
Yup, we found it!!
It's Nata who found it!
Ah, but now I know an amazing secret!
Ah!?
!?
Ah!?
!?
Oh no...
Sh, Kata, this is a secret!
And so
Hehe
Just as long as I walk on the main road, I won't get lost!



Reflect on what you have done wrong!
Sorry, we won't run off to play half way again!
The young dragons arrived home safely although they were scolded by Marciel.
However, that day, in the baby dragon's drawing diaries...
they wrote about happy things about shocking things...
they wrote very many things
Natal?
It is all in black and white.

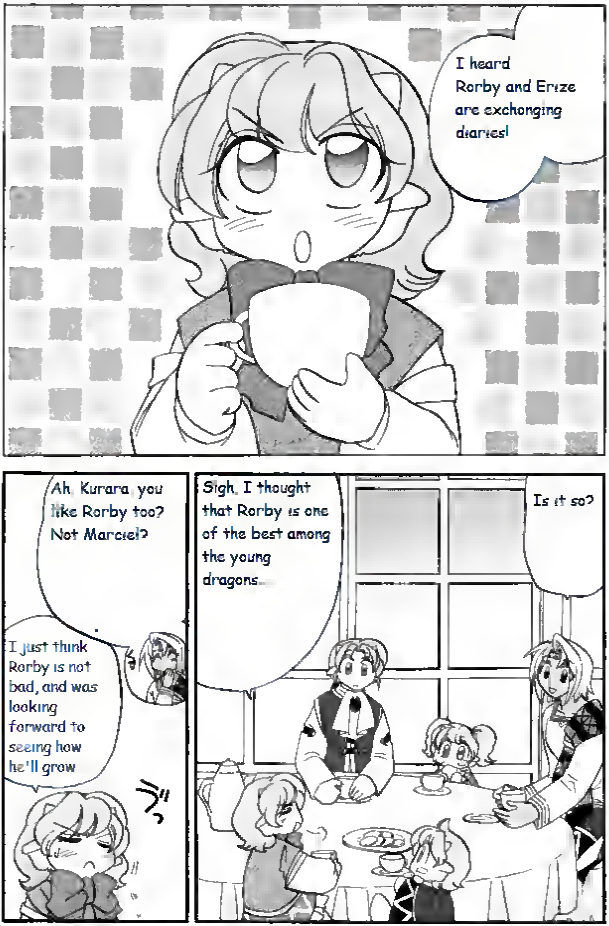
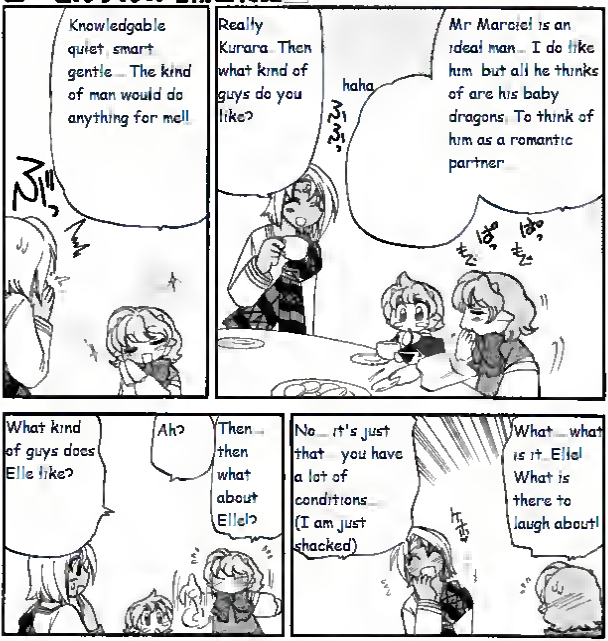
A secret love in the past and now part 1

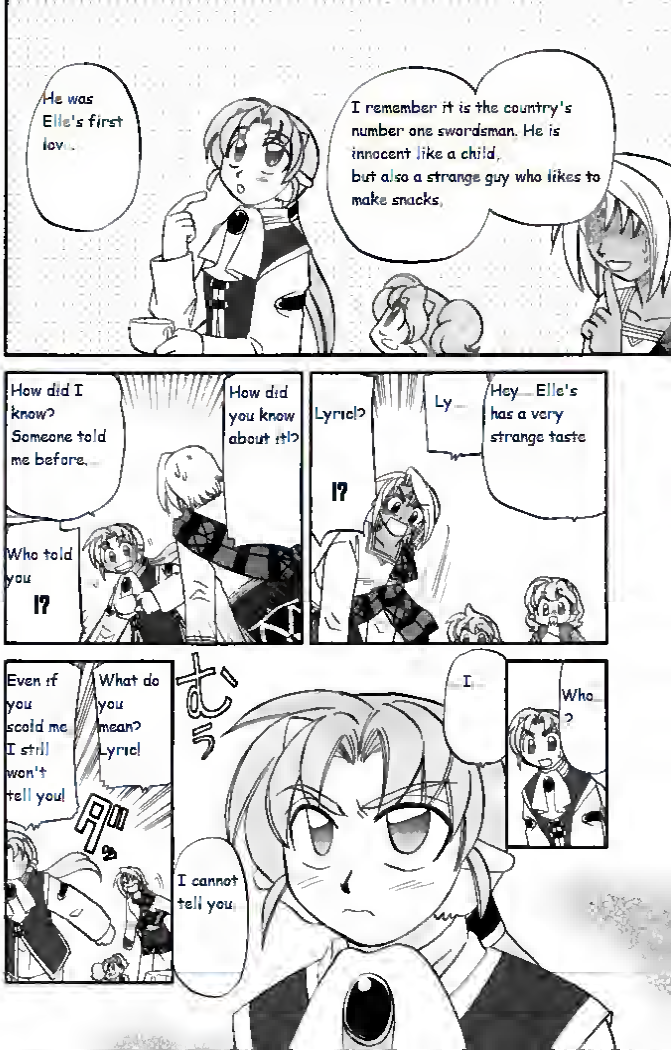
～ないしょの恋の今昔 前編～



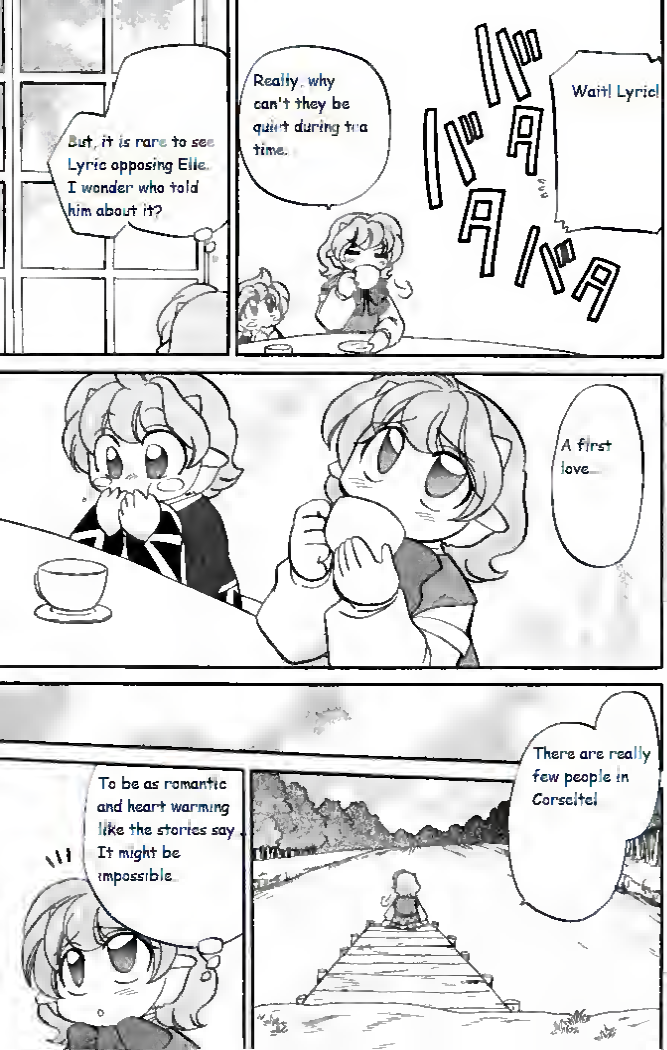
I heard Rorby and Erize are exchanging diaries!
Ah, Kurara, you like Rorby too? Not Marciel?
I just think Rorby is not bad, and was looking forward to seeing how he'll grow
Sigh, I thought that Rorby is one of the best among the young dragons...
Is it so?



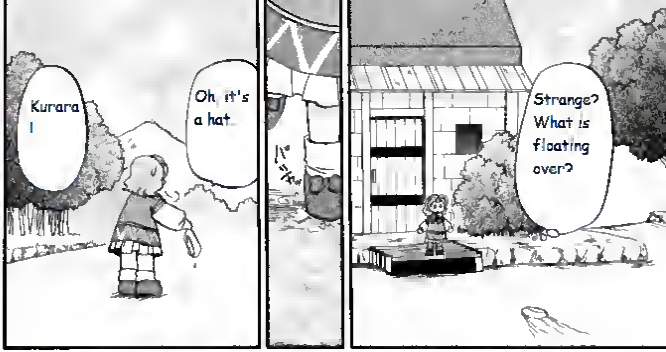
Knowledgable quiet smart gentle... The kind of man would do anything for me!!
Really Kurara. Then what kind of guys do you like?
haha
Mr Marciel is an ideal man... I do like him but all he thinks of are his baby dragons. To think of him as a romantic partner...
What kind of guys does Elle like?
Ah?
Then... then what about Elle!?
No... it's just that... you have a lot of conditions... (I am just shocked)
What... what is it. Elle! What is there to laugh about!
This is a secret!
You like those who smile charmingly, right?
Really, Kurara! Um



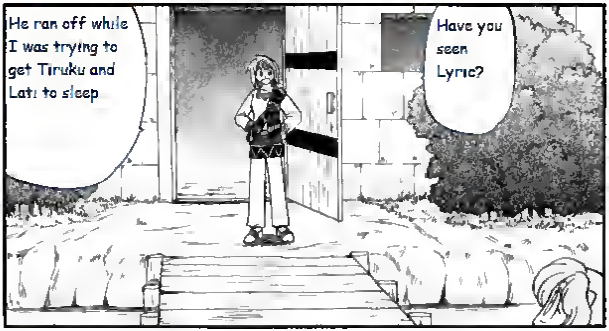
He was Elle's first lov .
I remember it is the country's number one swordsman. He is innocent like a child, but also a strange guy who likes to make snacks.
How did I know? Someone told me before.
How did you know about it!?
Who told you !?
Lyrie!?
!?
Ly
Hey Elle's has a very strange taste
Even if you scold me I still won't tell you!
What do you mean? Lyrie!
I cannot tell you.
I
Who ?



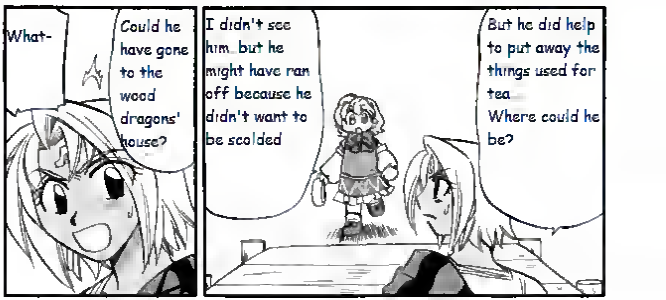
But, it is rare to see Lyric opposing Elle. I wonder who told him about it?
Really, why can't they be quiet during tea time.
Wait! Lyric!
バタバタ
A first love...
There are really few people in Corseitel
To be as romantic and heart warming like the stories say. It might be impossible.



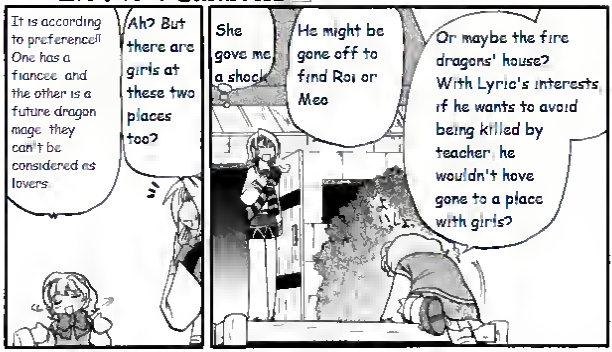
Kurara
!
Oh, it's a hat.
Strange? What is floating over?



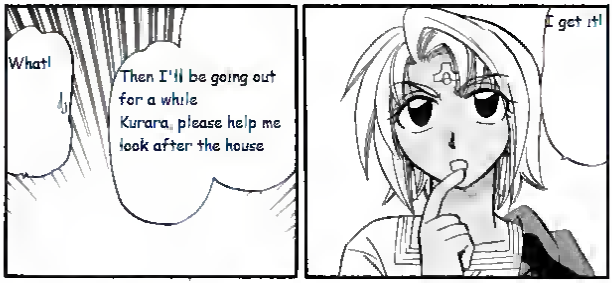
He ran off while I was trying to get Tiruku and Lati to sleep.
Have you seen Lyric?



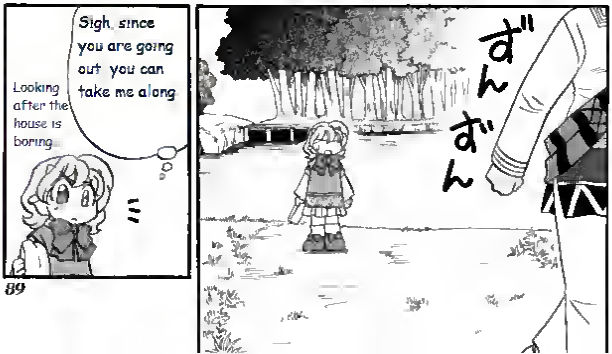
What-
Could he have gone to the wood dragons' house?
I didn't see him, but he might have ran off because he didn't want to be scolded
But he did help to put away the things used for tea.
Where could he be?



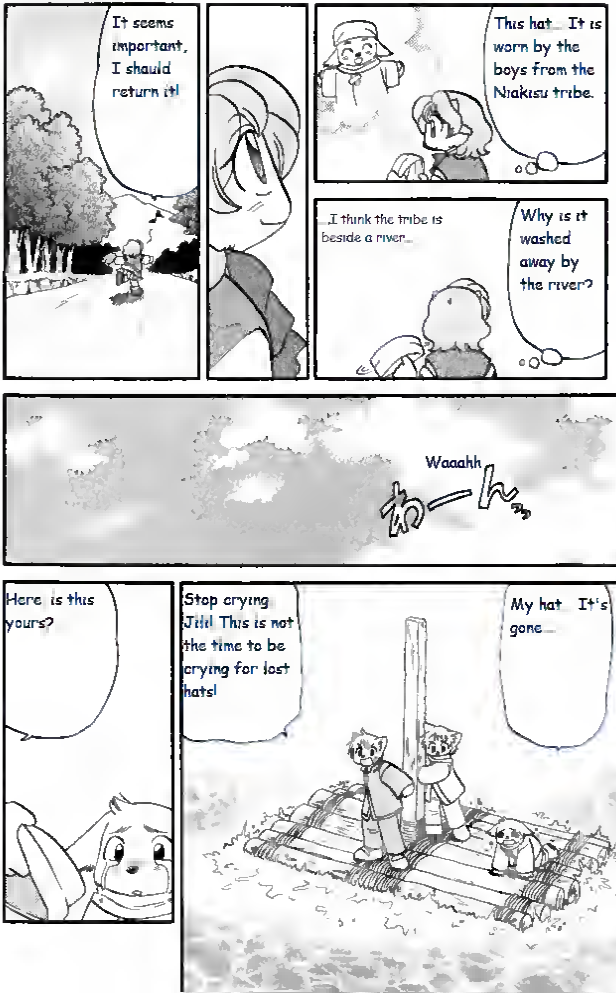
It is according to preference!! One has a fiancee and the other is a future dragon mage, they can't be considered as lovers.
Ah? But there are girls at these two places too?
She gave me a shock
He might be gone off to find Roi or Meo
Or maybe the fire dragons' house? With Lyria's interests, if he wants to avoid being killed by teacher, he wouldn't have gone to a place with girls?



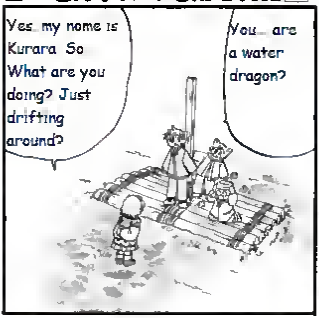
What!
Then I'll be going out for a while Kurara, please help me look after the house
I get it!



Looking after the house is boring
Sigh, since you are going out you can take me along
ずんずん

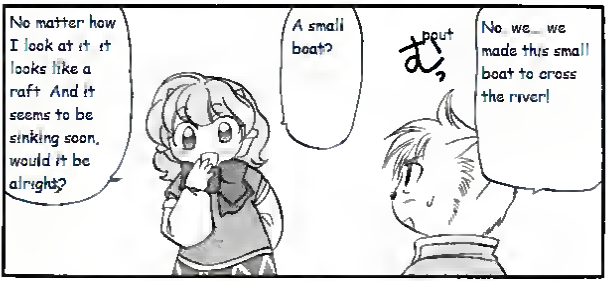


It seems important, I should return it!
This hat... It is worn by the boys from the Niakusu tribe.
...I think the tribe is beside a river...
Why is it washed away by the river?
Waaahh
わーーん
Here, is this yours?
Stop crying, Jiti! This is not the time to be crying for lost hats!
My hat... It's gone...

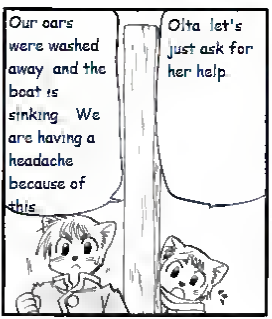


Yes, my name is Kurara. So What are you doing? Just drifting around?
You... are a water dragon?

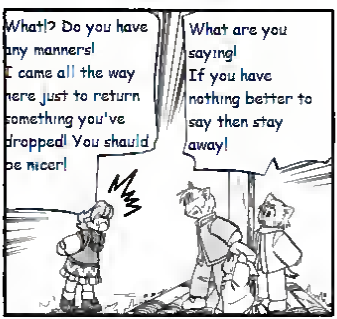
That's great.
It... It's mine! Thank you!



No matter how I look at it, it looks like a raft. And it seems to be sinking soon, would it be alright?
A small boat?
pout
No, we... we made this small boat to cross the river!



Our oars were washed away, and the boat is sinking. We are having a headache because of this.
Oita, let's just ask for her help.



What!? Do you have any manners! I came all the way here just to return something you've dropped! You should be nicer!
What are you saying! If you have nothing better to say then stay away!

You are just a small little dragon what help can you offer!?
Ah stop being so stubborn. If you need my help, you can just ask-
The shore looks quite far from here.
Shut... shut up! Just a bit more and we would have crossed the river!
We have to succeed on our own!
This is a challenge towards ourselves!
Small!?

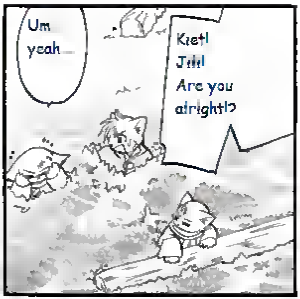
Rowing with their hands... Rowing like this, it would take years before they finally reach the shore...
We'll just keep rowing with our arms!! We can do it!
Oh...
He sounds really cool!
Really, I can't just leave you guys like this. Where did you drop your oars?
This would be fine, right?
I'll find to find them
What!!
Well, you three are looking cool right now, but if you reach home late because of this, it would be really embarassing~
She's really friendly!
Thank you very much! This is great, Olta!

O...
Oita!
What are you saying!?
!?
I was just being nice, but you are so rude! You may be handsome, but it's only on the outside!
O
Oita!
I'm a busy-body!?
!?
I... I knew we will be scolded!! There is no need for you to so nosy you busybody!
Argh!
Oita!
Stop +-
Waaaah!
Wait... What what should I
Waaaaaaaaaaaaaah!

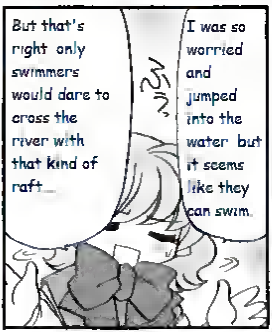
ザブン
Please don't drown in front of me!
This raft can't even reach the shore, and you are still thinking about rowing with your hands!
ガボ
ガボ

Could she

What!?
Strange...? Where is that girl!?



Um yeah...
Kiet! Jill! Are you alright!?



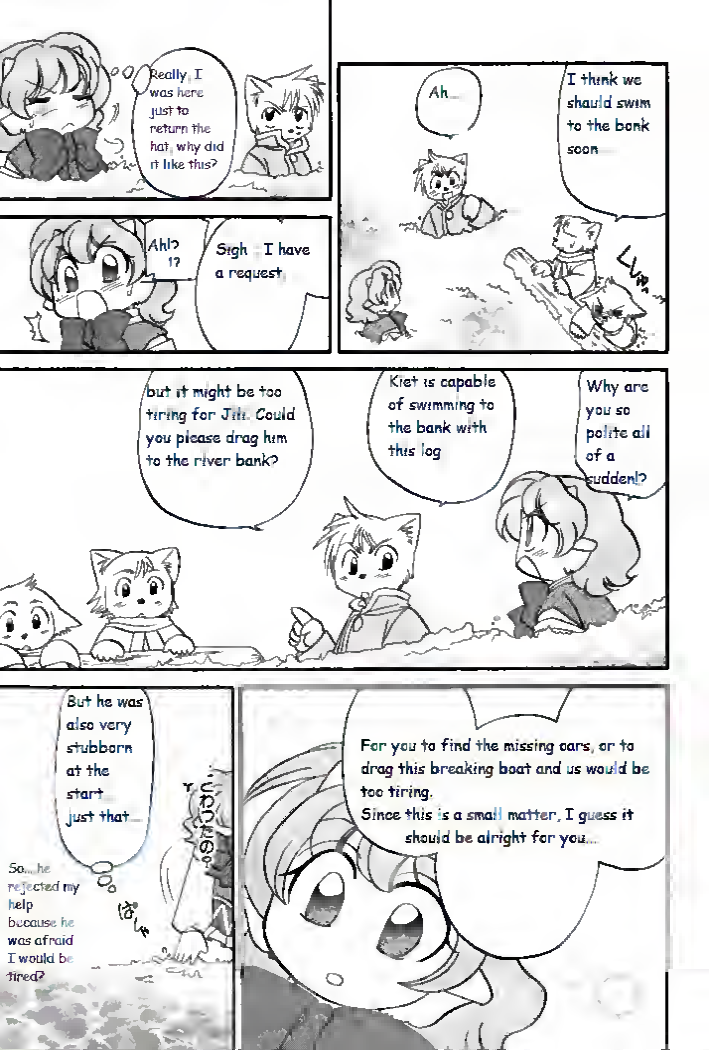
But that's right only swimmers would dare to cross the river with that kind of raft...
I was so worried and jumped into the water but it seems like they can swim.

Hey?

Sigh...

Really...
Ah, this hat fell off again
Waaah!

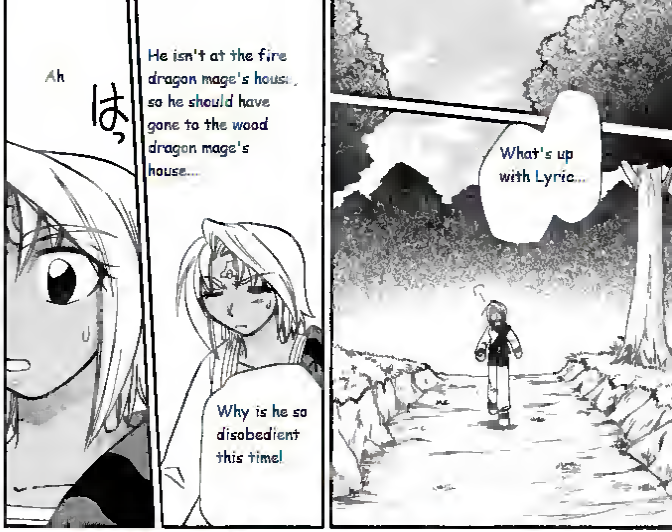
Hey! You! Are you alright! Um...
Oita!
Ah...
Haha
Really you thaught that a water dragon like me will drown?
Ah... that
What! I was afraid you all will drown, that's why I was in the water! But you-
I I just forgot about it! Because... because you were underwater for so long!



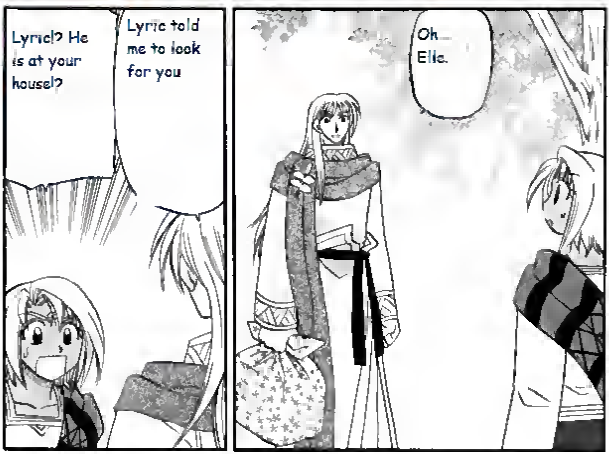
Really, I was here just to return the hat, why did it like this?
Ah!?
Sigh... I have a request...
Ah...
I think we should swim to the bank soon...
LURR...
but it might be too tiring for Jin. Could you please drag him to the river bank?
Kiet is capable of swimming to the bank with this log
Why are you so polite all of a sudden!?
But he was also very stubborn at the start... just that...
So... he rejected my help because he was afraid I would be tired?
For you to find the missing oars, or to drag this breaking boat and us would be too tiring.
Since this is a small matter, I guess it should be alright for you...

On my way, should I help to gather the logs that are washed away?
It's ok, just leave them.
I accept your request.
Really.
Although he was stubborn, he actually asked me for help!
Thanks for your help, Kurara!

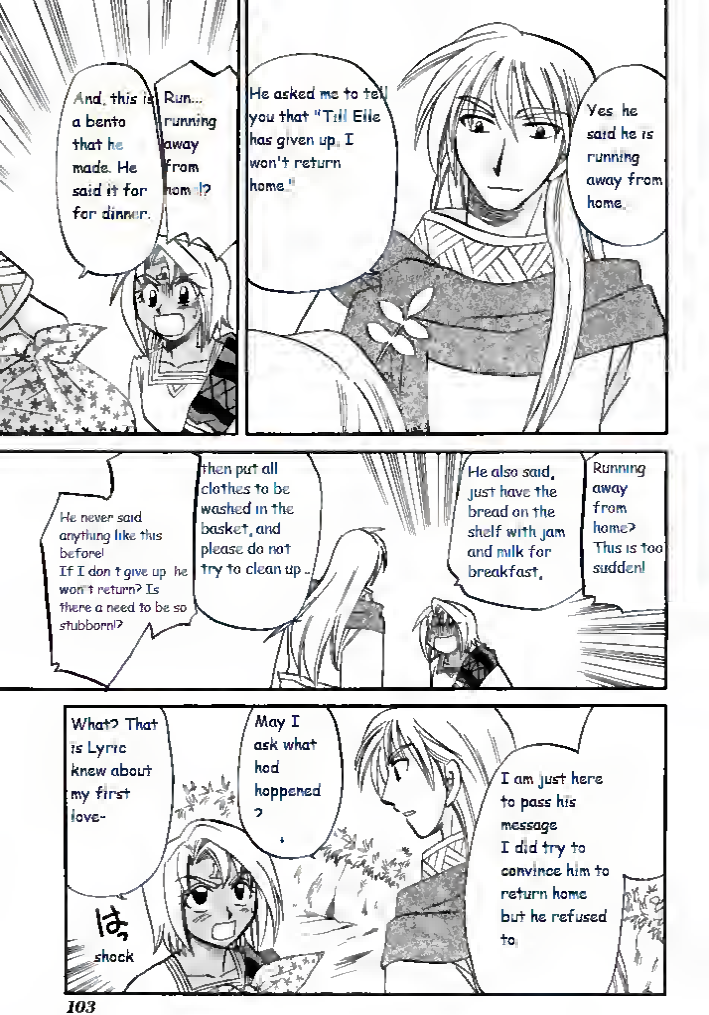
Not someone so stubborn!
I like the kind who are full of knowledge and quiet...
Um... that...
Why is my heart beating so fast?
This is not the same at all!
So there must be something wrong with this feeling!
!?
?
someone who would jumped into the water to rescue a water dragon...
But he is...
That's right!
Wah!



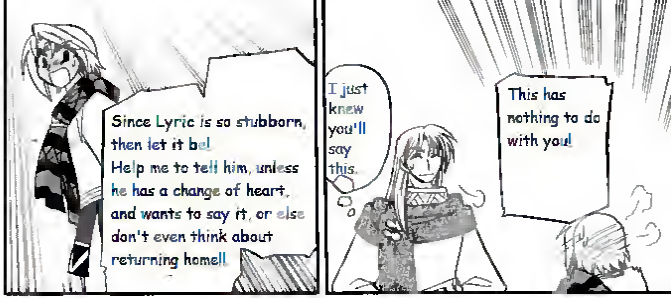
Ah
はっ
He isn't at the fire dragon mage's house, so he should have gone to the wood dragon mage's house...
Why is he so disobedient this time!
What's up with Lyric...



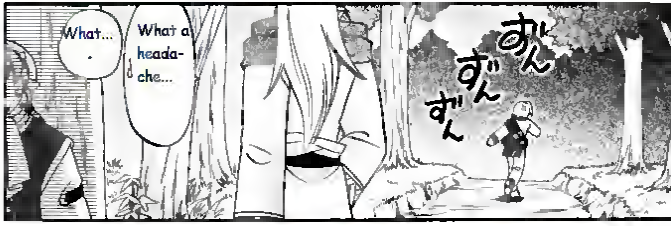
Lyric!? He is at your house!?
Lyric told me to look for you
Oh... Elic.



And, this is a bento that he made. He said it for for dinner.
Run... running away from hom !?
He asked me to tell you that "Till Elle has given up. I won't return home."
Yes he said he is running away from home.
He never said anything like this before!
If I don t give up he won't return? Is there a need to be so stubborn!?
then put all clothes to be washed in the basket, and please do not try to clean up .
He also said, just have the bread on the shelf with jam and milk for breakfast.
Running away from home? This is too sudden!
What? That is Lyric knew about my first love-
May I ask what had happened ?
I am just here to pass his message
I did try to convince him to return home but he refused to.
shock

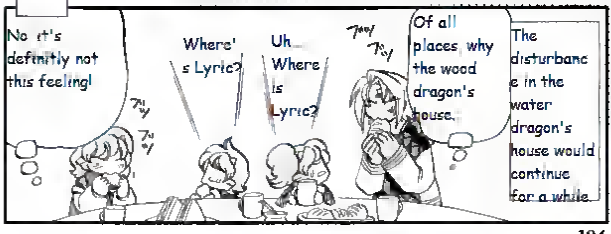


Since Lyric is so stubborn, then let it be!
Help me to tell him, unless he has a change of heart, and wants to say it, or else don't even think about returning home!!
I just knew you'll say this.
This has nothing to do with you!



What...
What a headache...
ずん
ずん
ずん

Oi
If I had know it'll turn out like this I should have apologised and went home.
What should I do Elle is really angry now...
It seems like...



No it's definitly not this feeling!
Where's Lyric?
Uh... Where is Lyric?
Of all places why the wood dragon's house.
The disturbance in the water dragon's house would continue for a while.

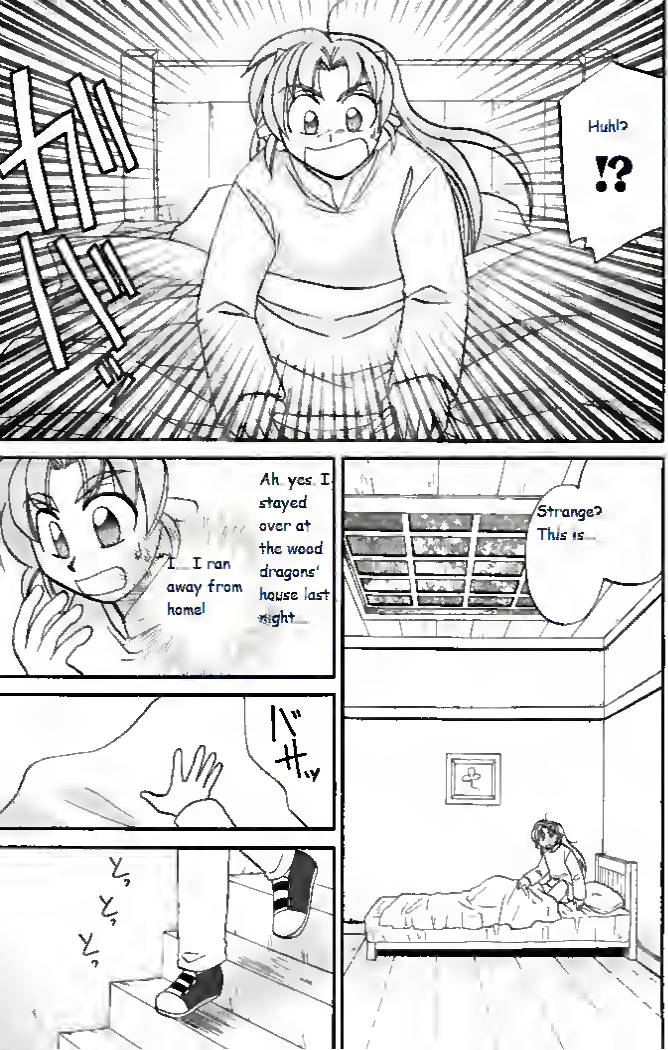
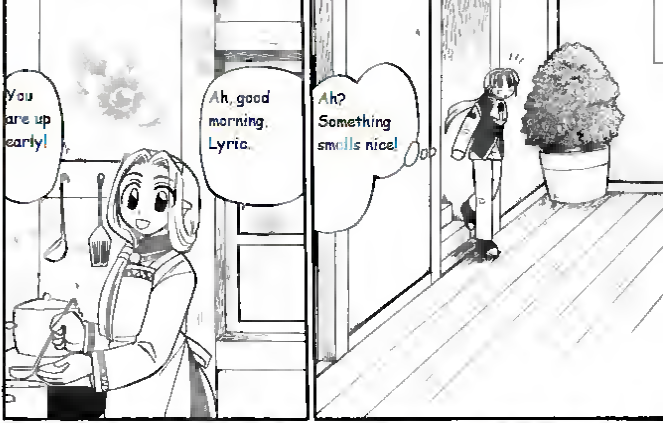
～ないしょの恋の今昔（いま むかし）後編～

A secret love in the past and now part 2

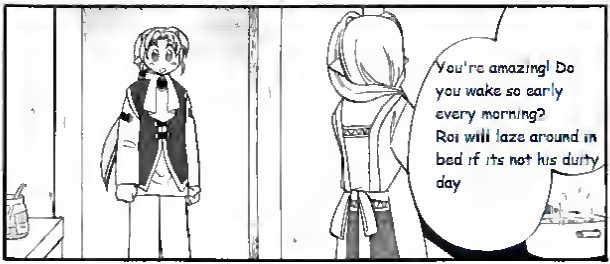
Soon after I hatched from my egg
Elle told me a lot of things. Stories, her past... Even now, I can still remember them clearly.
Even if Elle forgets I will



Huh!?
!?
Strange? This is...
Ah, yes. I stayed over at the wood dragons' house last night...
I... I ran away from home!

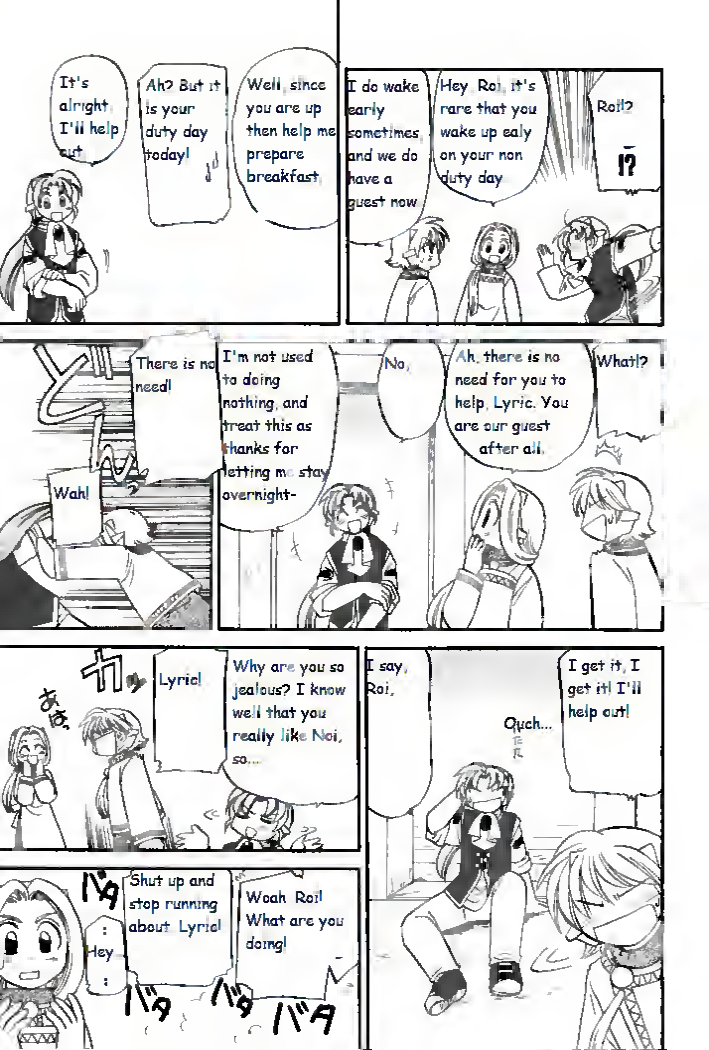


You are up early!
Ah, good morning, Lyria.
Ah? Something smells nice!

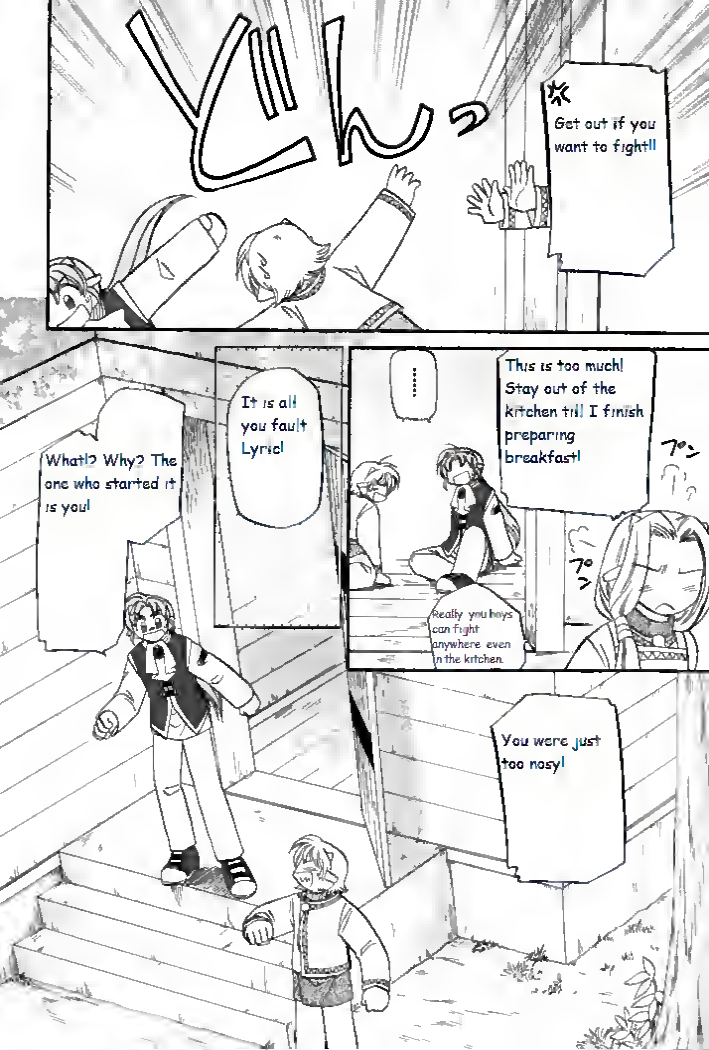


You're amazing! Do you wake so early every morning? Roi will laze around in bed if its not his duty day

...What about it?
To find a pretty girl standing in the kitchen wearing an apron, it's really a -
Um... this
What's wrong?
You look dumbfounded



It's alright, I'll help out
Ah? But it is your duty day today!
Well, since you are up then help me prepare breakfast
I do wake early sometimes and we do have a guest now
Hey Roi, it's rare that you wake up ealy on your non duty day
Roi?
!?
There is no need!
Wah!
I'm not used to doing nothing, and treat this as thanks for letting me stay overnight-
No,
Ah, there is no need for you to help, Lyric. You are our guest after all.
What!?
Lyric!
Why are you so jealous? I know well that you really like Noi, so...
I say, Roi,
Ouch...
I get it, I get it! I'll help out!
Shut up and stop running about Lyric!
Hey
Woah Roi! What are you doing!



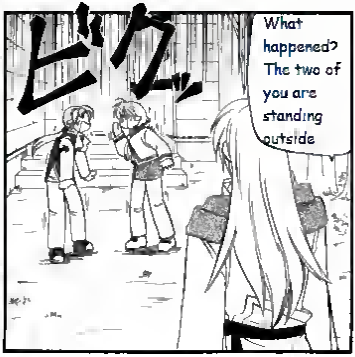
Get out if you want to fight!!
This is too much! Stay out of the kitchen till I finish preparing breakfast!
Really you boys can fight anywhere even in the kitchen.
It is all you fault Lyric!
What!? Why? The one who started it is you!
You were just too nosy!

This time, you ran about from home because of this night!?
Because you said something you shouldn't and made Elle angry!
Kadio might not have asked you anything yet, but don't get your hopes up!
ギクッ

Lyric, you always say the wrong things!

What!?
!?
In such situations, Kadio would be able to guess what happened without asking, so no matter what kind of secret it is, he'll be able to tell!

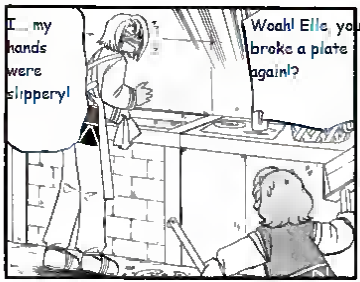
Yes, I had something to do
Ka, Kadio, didn't you just go out?
panic
どぇ どぇ



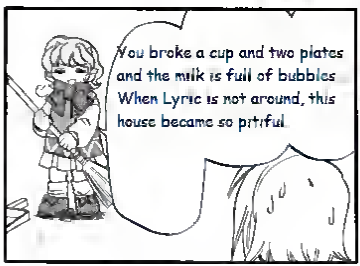
ビクッ
What happened? The two of you are standing outside

Is this true? If so
"I able to guess what happened without asking, so no matter what kind of secret it is, he'll be able to tell."

Alright
It should be time for breakfast? Let's go in

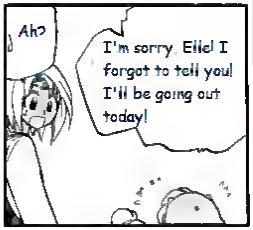


I... my hands were slippery!
Woah! Elle, you broke a plate again!?

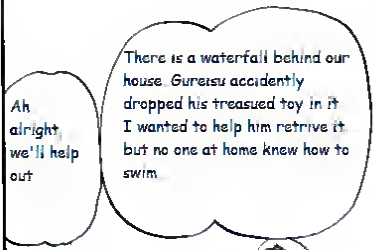


You broke a cup and two plates and the milk is full of bubbles. When Lyric is not around, this house became so pitiful.

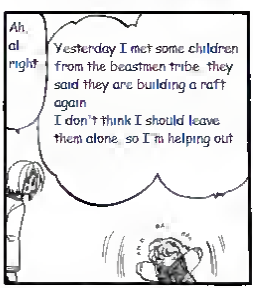
Elle, are you alright!?
Ouch!
What! How can I not care-
Sigh. Elle, stop asking about the person who told him about your first love and just ask Lyric to come back
Elle
Good morning, Elle
Mitteul Good, good morning. Is there anything wrong?
Yes
Ah?
We have a guest



Ah?
I'm sorry, Elie! I forgot to tell you! I'll be going out today!



Ah alright, we'll help out
There is a waterfall behind our house. Gureisu accidently dropped his treasued toy in it. I wanted to help him retrive it, but no one at home knew how to swim.

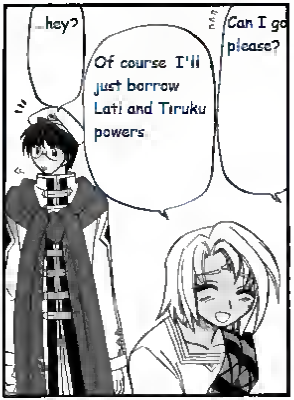


Ah, al right
Yesterday I met some children from the beastmen tribe. they said they are building a raft again.
I don't think I should leave them alone, so I'm helping out

What is
!?

Yes... he went over to the wood dragons' house yesterday...
Ah? I didn't hear about that

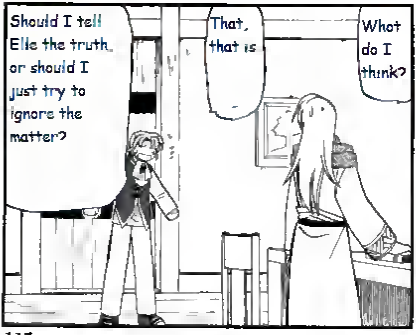
Elie, Lyric isn't at home?



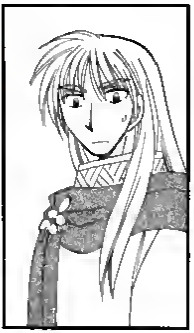
...hey?
Of course. I'll just borrow Lati and Tiruku powers.
Can I go please?

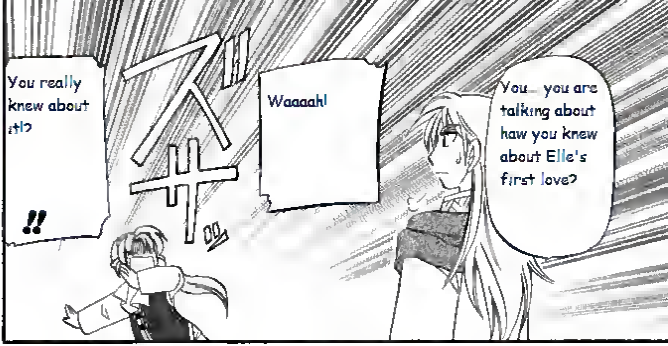
Let's go!
Never mind.
Ah?

What do you think?
Kadio-san

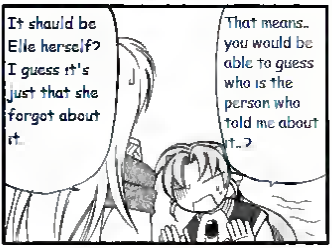


Should I tell Elie the truth, or should I just try to ignore the matter?
That, that is
What do I think?

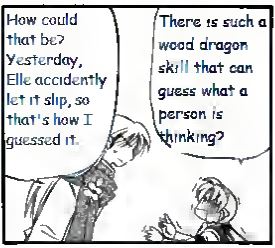




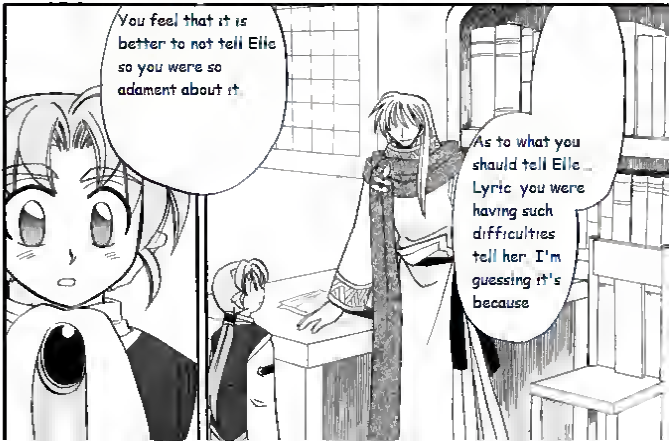
You really knew about it!?
!!
Waaaah!
You... you are talking about how you knew about Elle's first love?



It should be Elle herself? I guess it's just that she forgot about it.
That means.. you would be able to guess who is the person who told me about it..?



How could that be? Yesterday, Elle accidently let it slip, so that's how I guessed it.
There is such a wood dragon skill that can guess what a person is thinking?

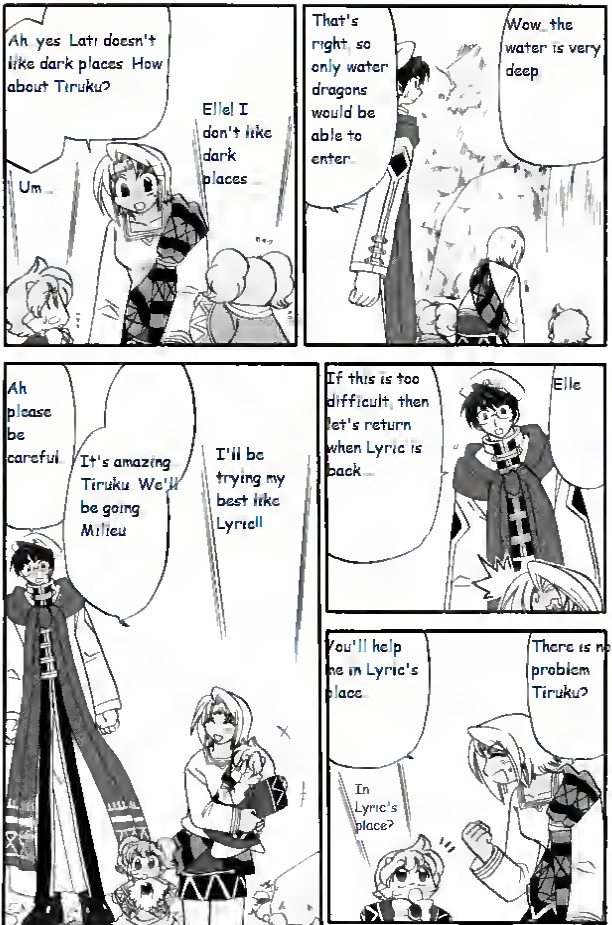


You feel that it is better to not tell Elle so you were so adament about it.
As to what you should tell Elle... Lyric you were having such difficulties tell her. I'm guessing it's because

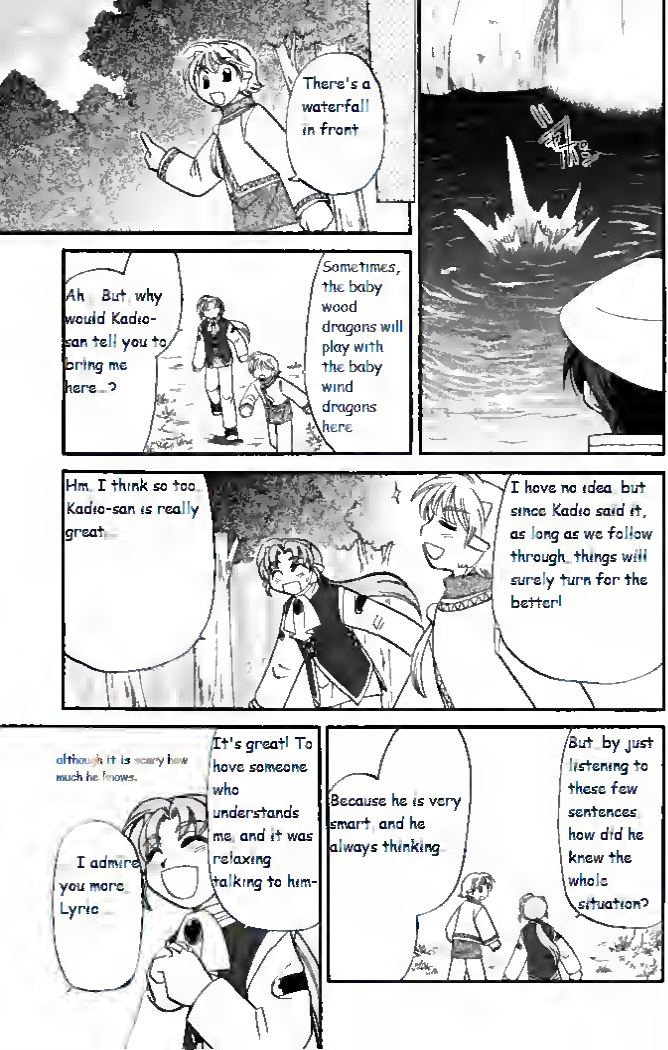
That's why I tried hard to learn and do house chores, and go for sword training...
Elle herself have forgotten about it... This made me angry at the start
It's... it's Elle who told me to become someone as great as her first love
Lyria?
Uuh...
But I remembered when Elle was tell me this story...
She was crying
Roi, Noi
So that was the matter
I'm afraid that if I mention it she will remember the past and start to cry again
But Elle wouldn't let me off so easily... I really don't know what I should do now

This way everything should be resolved
I think
Bring Lyric there
Ah?
Ro! you know there is a waterfall at the top of the mountain where the wind dragons often go to play?
And Kadio -san knew they were there...
They they were listening!?
Yes
Wow this place is beautiful! I didn't know there is such a place here!

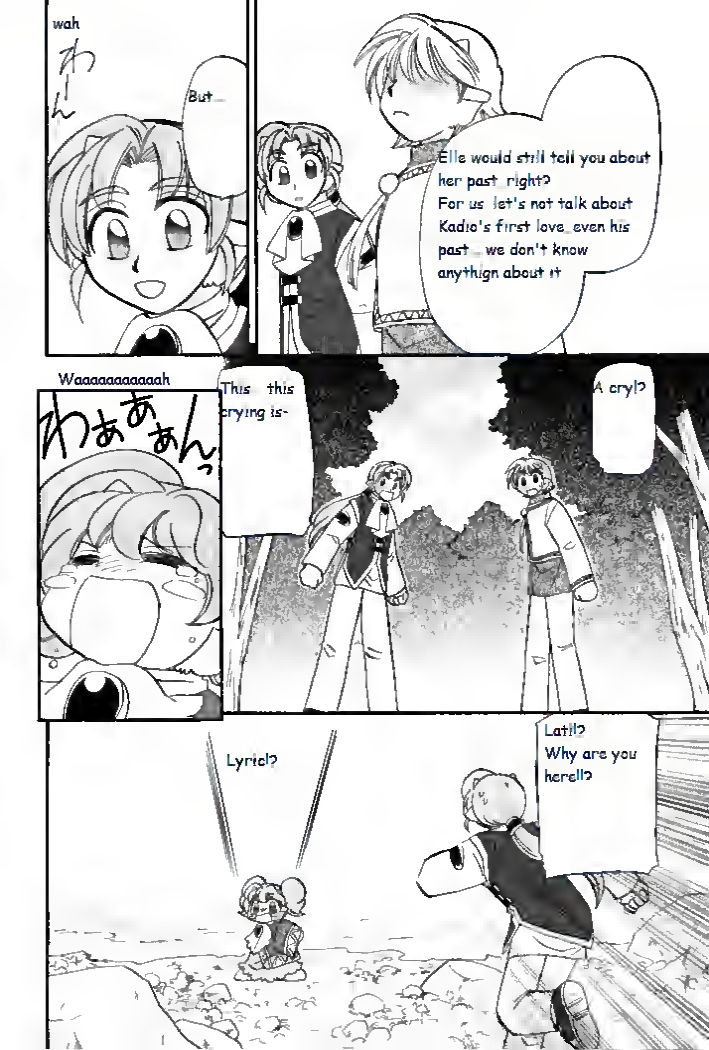
phew
Yes, the wood dragons playing with him saved him. He didn't get hurt.
Ah, then is he alright?
Gureisu and everyone were flying above here when playing, then he accidently dropped into the waterfall, and lost his treasure.
Ah?
Wood dragons...?
Eile! It's not good!
Lati, lend me your water dragon's magic.
Black?
The water in this waterfall is very black!



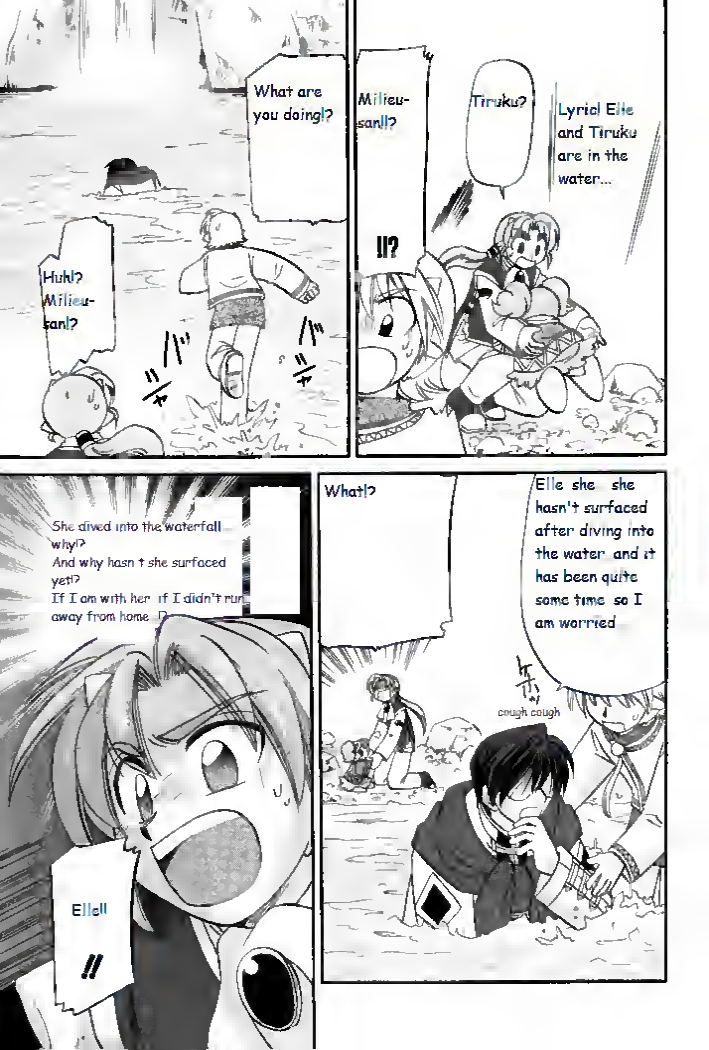
Ah yes Lati doesn't like dark places How about Tiruku?
Um...
Elle! I don't like dark places...
That's right, so only water dragons would be able to enter...
Wow, the water is very deep
Ah please be careful
It's amazing Tiruku We'll be going Milieu
I'll be trying my best like Lyric!!
If this is too difficult, then let's return when Lyric is back...
Elle
You'll help me in Lyric's place...
In Lyric's place?
There is no problem Tiruku?



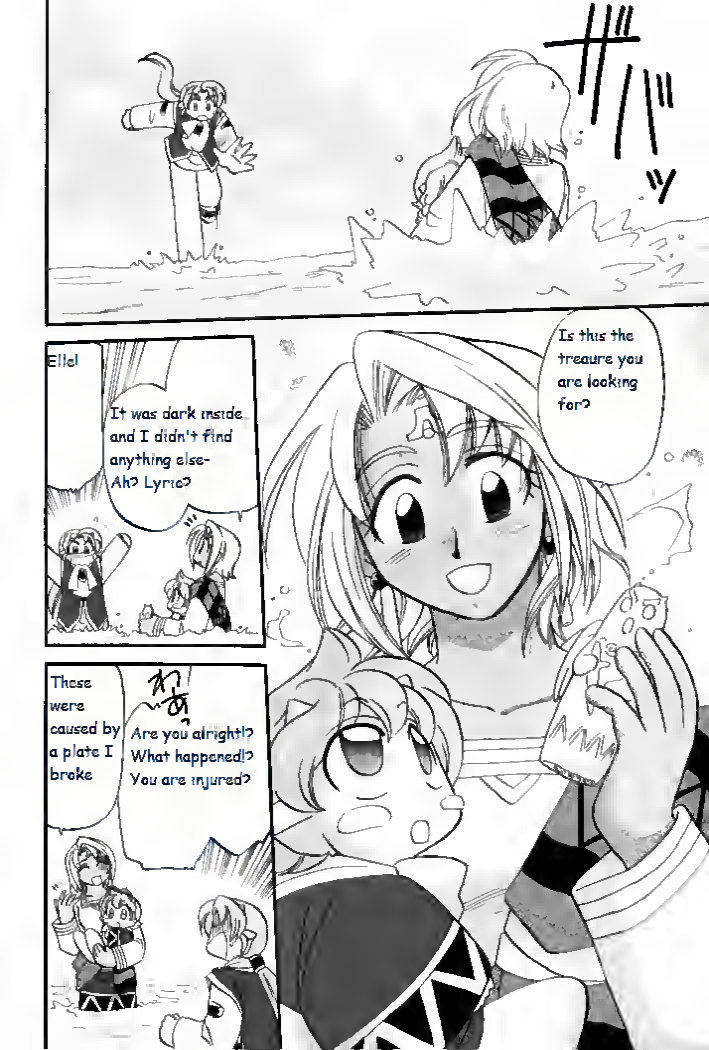
There's a waterfall in front
Ah... But why would Kadio-san tell you to bring me here...?
Sometimes, the baby wood dragons will play with the baby wind dragons there
Hm. I think so too. Kadio-san is really great.
I have no idea, but since Kadio said it, as long as we follow through, things will surely turn for the better!
although it is scary how much he knows.
It's great! To have someone who understands me, and it was relaxing talking to him-
I admire you more, Lyric...
Because he is very smart, and he always thinking
But, by just listening to these few sentences, how did he knew the whole situation?



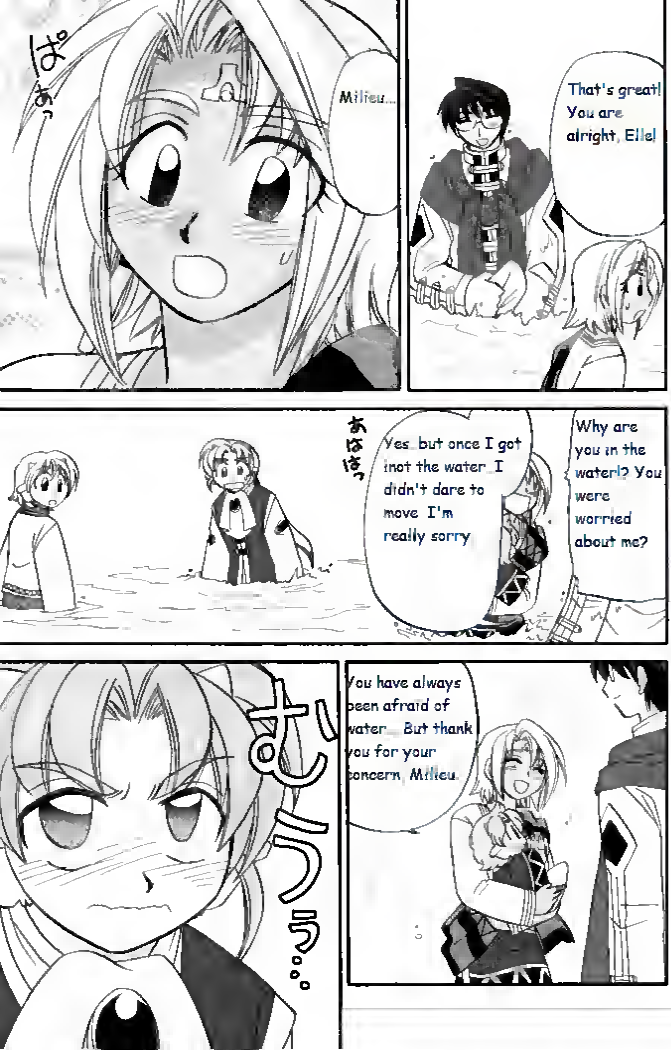
wah
わーん
But...
Elle would still tell you about her past, right?
For us, let's not talk about Kadio's first love, even his past... we don't know anythign about it
Waaaaaaaaaah
わぁぁぁんっ
This... this crying is-
A cry!?
Lyrie!?
Latil?
Why are you here!?



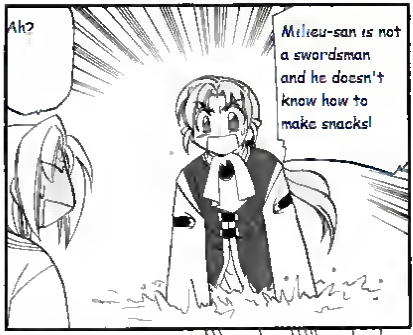
What are you doing!?
Huh!? Milieu-san!?
Milieu-san!!
Tiruku?
Lyrial Elle and Tiruku are in the water...
!!?
What!?
Elle she she hasn't surfaced after diving into the water and it has been quite some time so I am worried
cough cough
She dived into the waterfall... why!?
And why hasn't she surfaced yet!?
If I am with her if I didn't run away from home :D
Elle!!



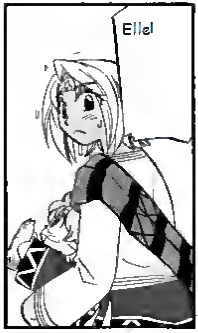
Ellel
It was dark inside and I didn't find anything else- Ah? Lyrie?
Is this the treasure you are looking for?
These were caused by a plate I broke
Are you alright!? What happened!? You are injured?



ぱぁっ
Milieu...
That's great! You are alright, Elle!
あはは。
Yes, but once I got into the water, I didn't dare to move. I'm really sorry.
Why are you in the water!? You were worried about me?
You have always been afraid of water... But thank you for your concern, Milieu.
ぽうっ...

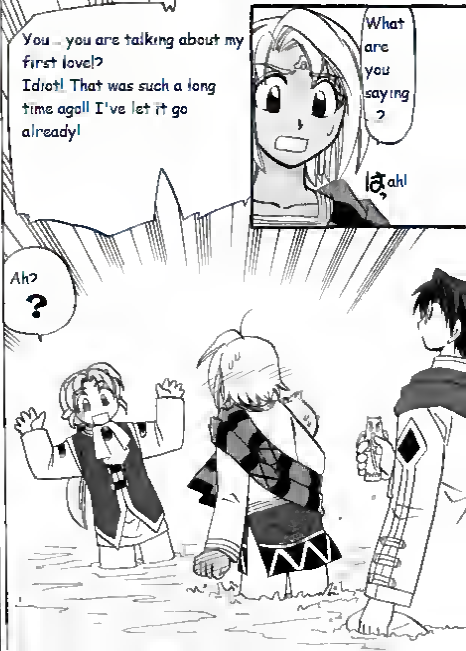


Ah?
Mileu-san is not a swordsman and he doesn't know how to make snacks!

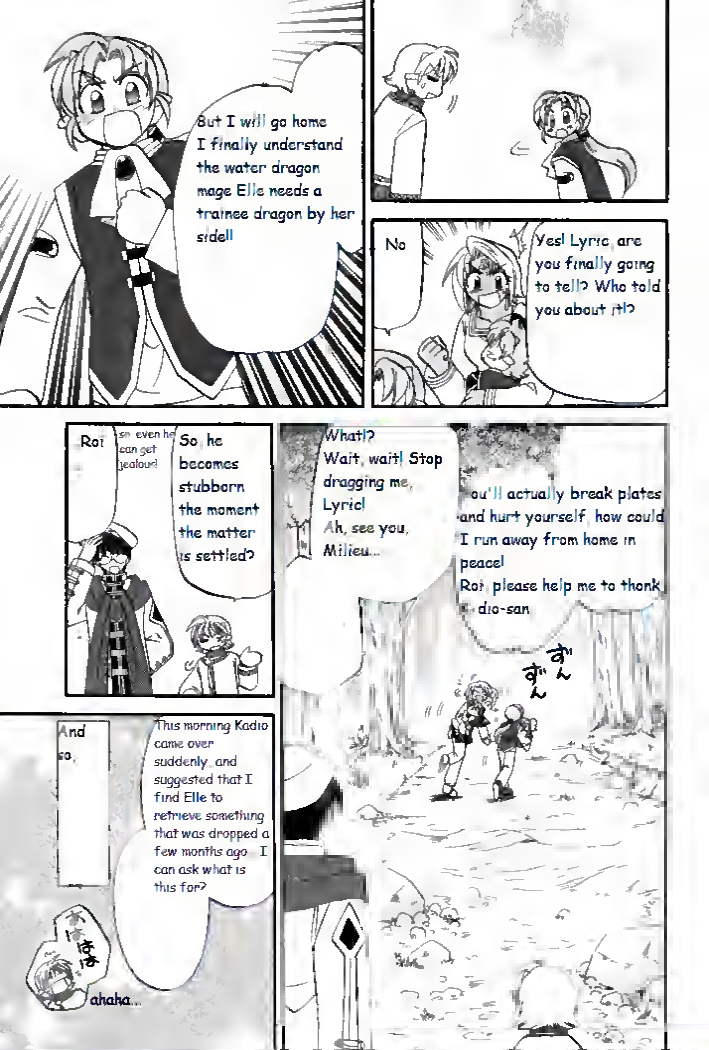


Elle!

Of course!
That... so even if you remember it... you won't cry?

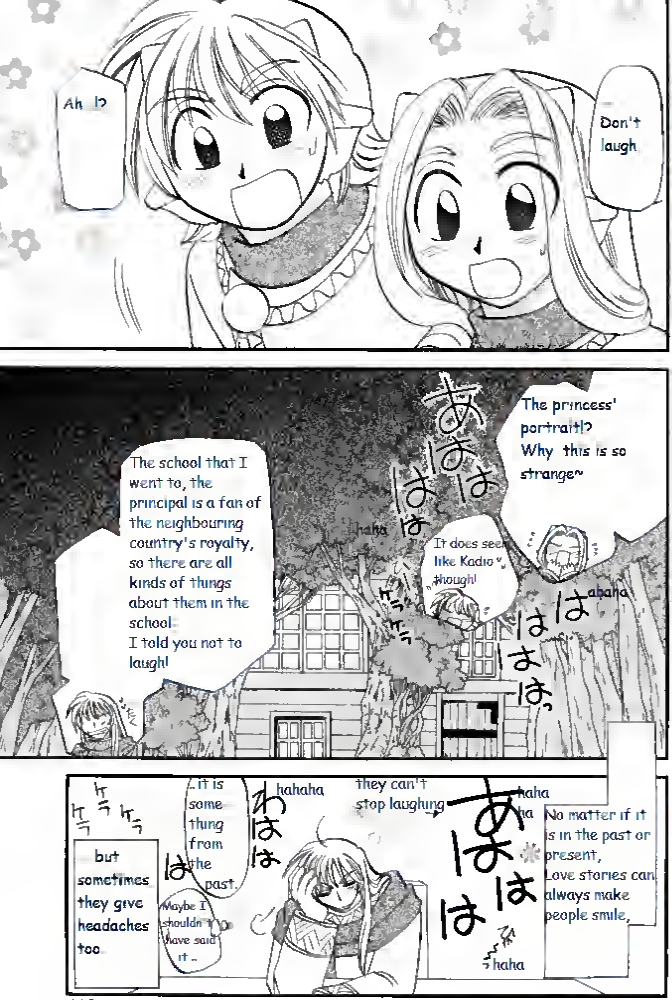


You... you are talking about my first love!?
Idiot! That was such a long time ago!! I've let it go already!
What are you saying?
Ah!
Ah?
?



But I will go home
I finally understand
the water dragon
mage Elle needs a
trainee dragon by her
side!!
No
Yes! Lyric, are
you finally going
to tell? Who told
you about it!?
Rat
so even he
can get
jealous!
So, he
becomes
stubborn
the moment
the matter
is settled?
What!?
Wait, wait! Stop
dragging me,
Lyric!
Ah, see you,
Milieu...
ou'll actually break plates
and hurt yourself, how could
I run away from home in
peace!
Rat, please help me to thank
dio-san
And
so,
This morning Kadio
came over
suddenly, and
suggested that I
find Elle to
retrieve something
that was dropped a
few months ago... I
can ask what is
this for?
ahaha...

He actually wanted to make a raft without anything planning at all!!
mumble
Later...
the slight disturbance at the water dragons' home calmed down for the moment
うーん
Lyric returned home
If I keep on pressed on the issue, he might run away from home again
But Kadia, what is your first love like?
I know you won't say it.
You... it's alright if you don't want to talk about the past...
I knew you won't say anything.
Huh?
おー。



Ah, I?
Don't laugh
The princess' portrait!? Why this is so stranger~
あはは
haha
It does seem like Kadio, though!
ははは
ahaha
The school that I went to, the principal is a fan of the neighbouring country's royalty, so there are all kinds of things about them in the school.
I told you not to laugh!
but sometimes they give headaches too.
...it is something from the past.
Maybe I shouldn't have said it...
あはは
hahaha
they can't stop laughing
あはは
haha
No matter if it is in the past or present, Love stories can always make people smile.

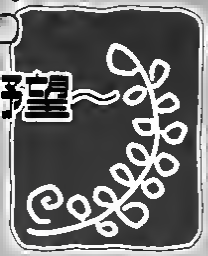
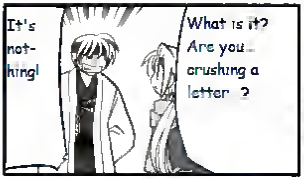
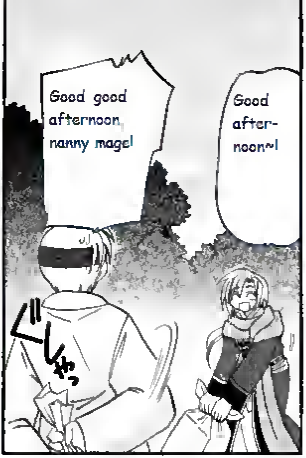
～新たな野望～
New ambition



たったったった



It's nothing!
What is it? Are you... crushing a letter ?

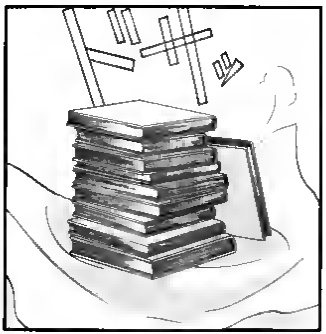


Good good afternoon, nanny mage!
Good afternoon~!

Yes, but I'm here to look for you, Kashu. Or should I say...
What are you doing here!? Didn't Granny go over to your house?

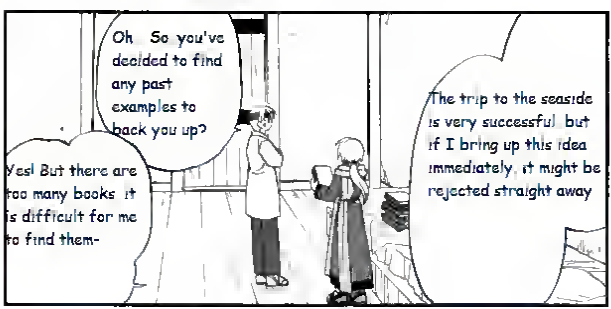
What?
There's something I'll like you to help me with.

These are some books from the underground library of the earth dragons' house.
What What's this for!?

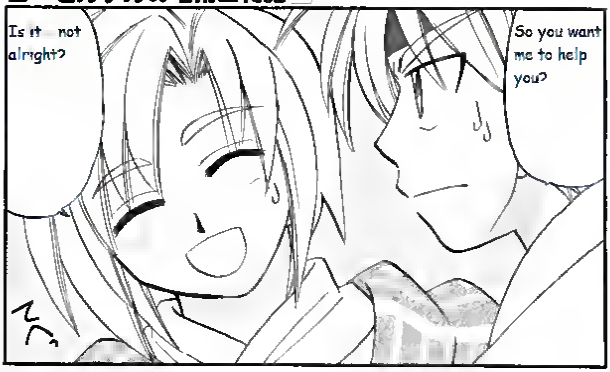


I'm checking to see if there are any dragon mages in the past 'with more than one trainee dragon', but there are too many books in the underground library.
So I borrowed the catalog to decide what books to borrow.

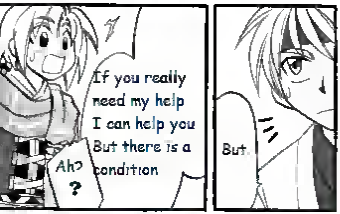
You are talking about your plan to make all your dragons your trainee dragons?
Yes!



The trip to the seaside is very successful but if I bring up this idea immediately, it might be rejected straight away
Oh So you've decided to find any past examples to back you up?
Yes! But there are too many books it is difficult for me to find them-

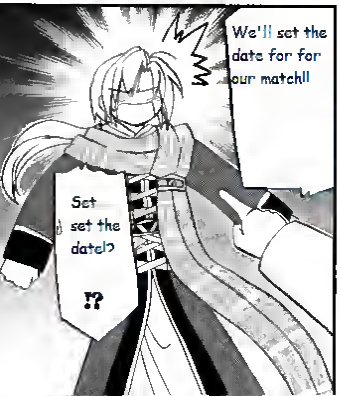


Is it not alright?
So you want me to help you?

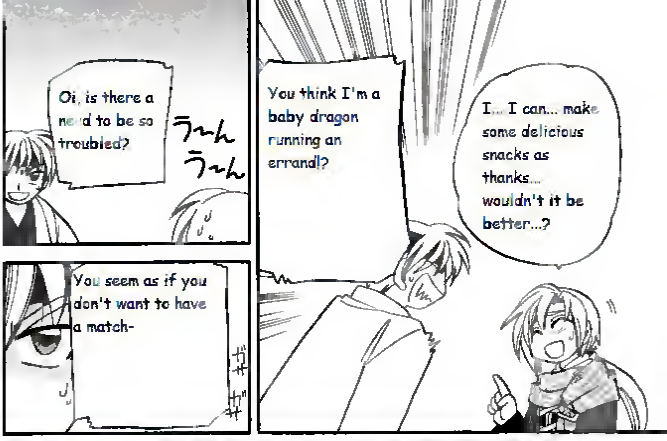


If you really need my help I can help you But there is a condition
Ah? ?
But

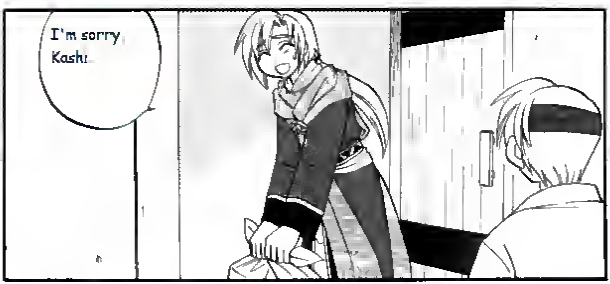
So you ran all the way here to bring such troublesome stuff to me!?
I helped you during the trip to the sea but don't think that you can keep on relying on me!
Um that



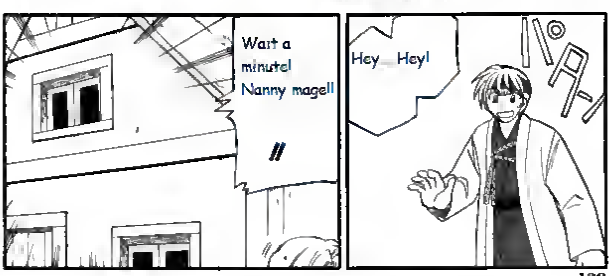
We'll set the date for for our match!!
Set set the date!?
!?



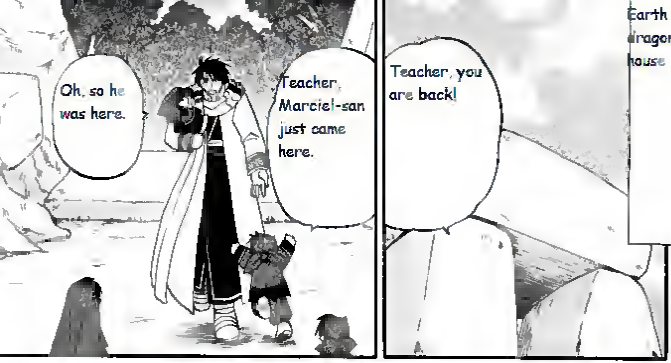
Oi, is there a need to be so troubled?
うーん
うーん
You think I'm a baby dragon running an errand!?
I... I can... make some delicious snacks as thanks... wouldn't it be better...?
You seem as if you don't want to have a match-



I'm sorry, Kashi.

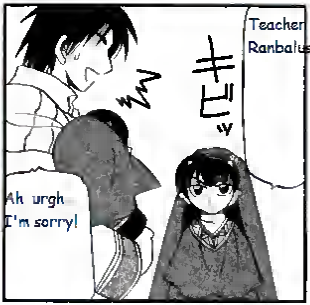


Wait a minute! Nanny mage!!
Hey... Hey!

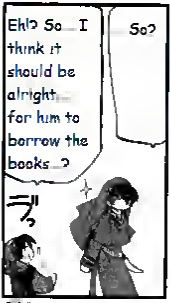


Oh, so he was here.
Teacher, Marciel-san just came here.
Teacher, you are back!
Earth dragon house

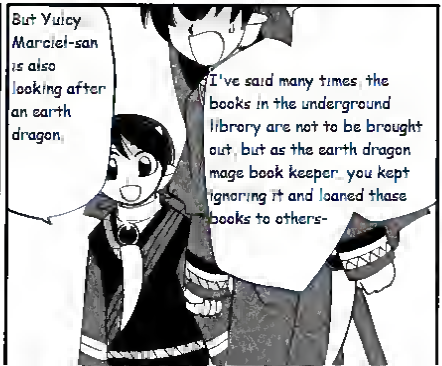
Ah, I am in the wrong... You are angry that I agreed to lend books to Marciel, right?
Please do not apologise before I say anything
That's right...



Teacher Ranbalos.
Ah, urgh... I'm sorry!



Eh!? So... I think it should be alright... for him to borrow the books...?
So?

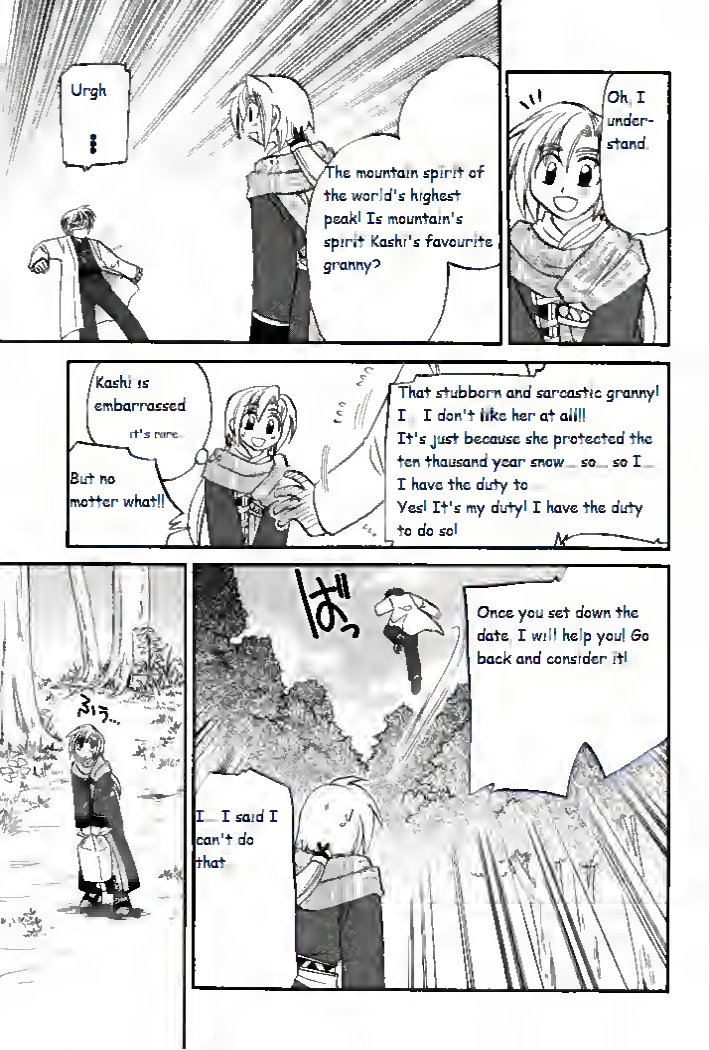


But Yuicy Marciel-san is also looking after an earth dragon.
I've said many times, the books in the underground library are not to be brought out, but as the earth dragon mage book keeper, you kept ignoring it and loaned these books to others-

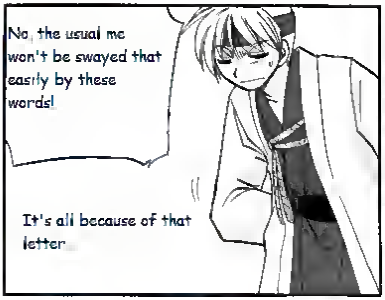
Rorby... I'll feel sad at such a reaction...
Like Teacher!?
!!?
ガーン
serious
Aren't you becoming more like Teacher?
Rorby, you.
Catalog?
He borrowed quite a few books of catalogs
He borrowed the catalogs. He said he can't find the books he wants
So, Yuicy what books did Marciel borrow? Picture books? Or dragon magics books?
Yuicy I'm sorry, I'll be going out for a while.
Again?
Ah?
I didn't ask him
That much!? What kind of books is he looking for...

Nanny mage!!
Hey! I'm telling you to stop!
Wah!
Uh...
Really! Where are you going! That isn't the way to your home!
I... Don't worry I'll do it on my own but I won't push myself too far I've told the baby dragons about it too but...
I don't understand the reason but you don't seem to let other dragon mages to know about your plan Are you planning to do everything on your own and tire yourself out again!?

That's right!
I heard in the past, it is to challenge and win against a dragon mage, to increase your fame, but!
You... Do you know... why I kept staying in Corseltel?
grip
I am unable to... determine the date to have the match with Kashi
Ah...?
Granny will be unable to sleep in peace!
If I don't get famous enough and prave that I can pratect the mauntain spirits...
...ah.
Granny
is granny? Fure unable to sleep?



Urgh
The mountain spirit of the world's highest peak! Is mountain's spirit Kashi's favourite granny?
Oh, I under-stand.
Kashi is embarrassed
it's rare...
But no matter what!!
That stubborn and sarcastic granny! I... I don't like her at all!! It's just because she protected the ten thousand year snow... so... so I... I have the duty to Yes! It's my duty! I have the duty to do so!
Once you set down the date, I will help you! Go back and consider it!
I... I said I can't do that

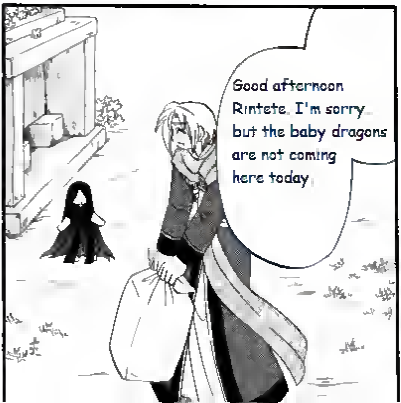


No, the usual me won't be swayed that easily by these words!
It's all because of that letter...

That carefree nanny mage... He could say such difficult things so easily...

It... It's gone!?
!!?

Eh?

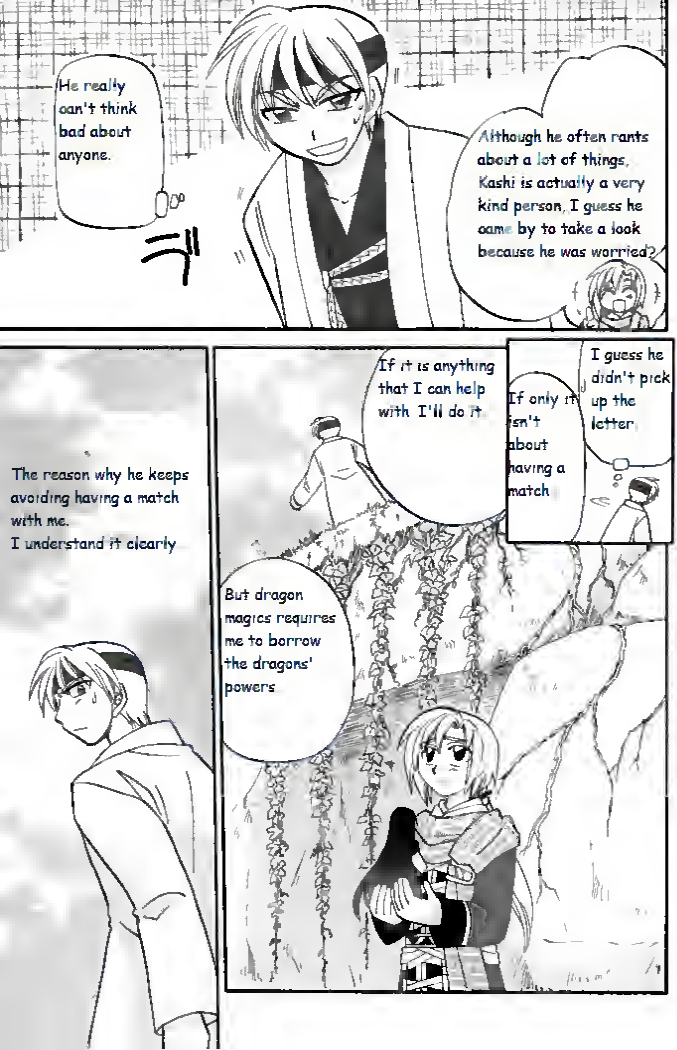


Good afternoon Rintete. I'm sorry but the baby dragons are not coming here today.

なぁ。

I don't think anyone will be coming here soon.
I told the baby dragons to look after the house.
Because I don't know if there are any methods, so I cannot let the baby dragons know... I can't bring these books back home.
とす,
とす,
Zzzz

ah!
It was still on me just now, he must have seen it drop!
Could he have picked it up...?
That brat...
What is it, Rintete? Ah? What is it about Kashi?
Yes, yes, he was here just now



He really can't think bad about anyone.
Although he often rants about a lot of things, Kashi is actually a very kind person, I guess he came by to take a look because he was worried?
I guess he didn't pick up the letter.
If only it isn't about having a match
If it is anything that I can help with I'll do it
But dragon magics requires me to borrow the dragons' powers
The reason why he keeps avoiding having a match with me.
I understand it clearly

Granny!

Why is Granny so old?

But I can't just give up like this!

"A match without using the baby dragons' magics"

If I really sleep, the snow ont his mountain will vanish in an instead

And if I become younger, everyone will be enchonted by my looks this will trouble me to no end.

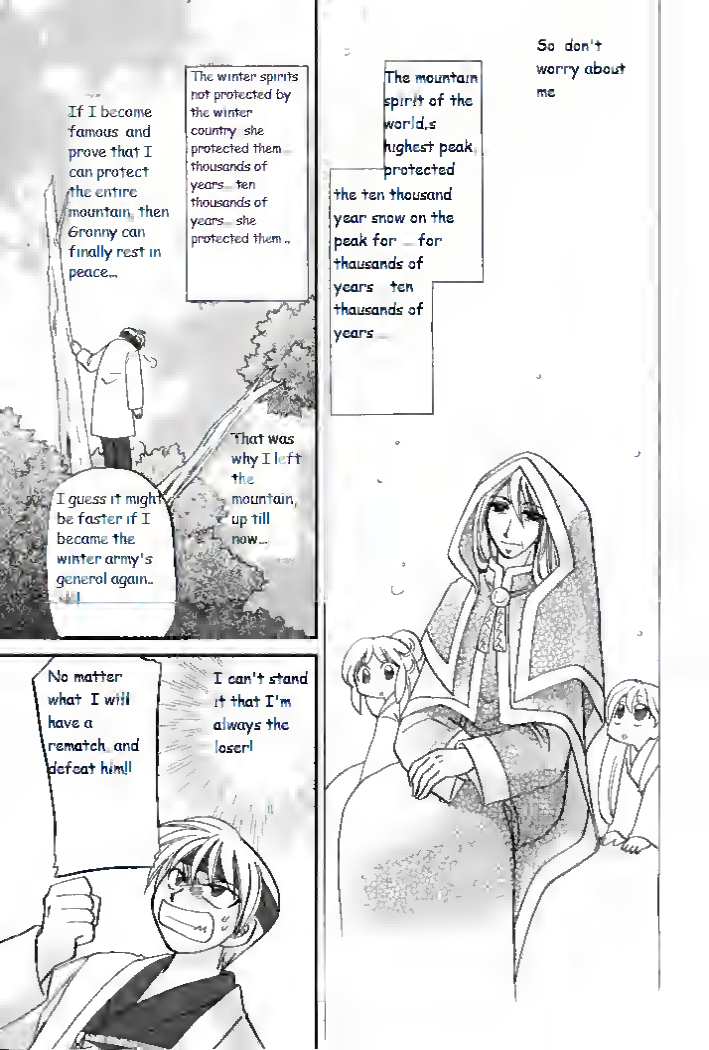
おー。

So as long as Granny sleeps you will become younger right? I want to see young Granny!

Don't ask such useless questions you idiotic child

The summer spirits said, the girl spirits are afraid of growing old so they often 'go to sleep'

Idiotic child.



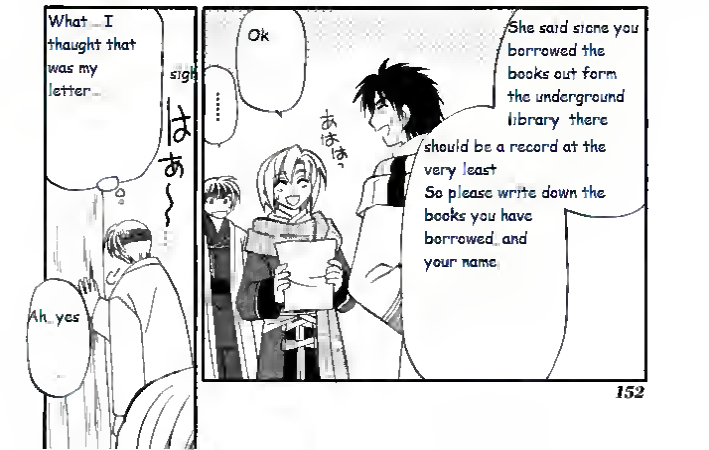
So don't worry about me
The mountain spirit of the world,s highest peak, protected the ten thousand year snow on the peak for _ for thausands of years ten thausands of years
The winter spirits not protected by the winter country she protected them _ thousands of years _ ten thousands of years _ she protected them ..
If I become famous and prove that I can protect the entire mountain, then Granny can finally rest in peace...
That was why I left the mountain, up till now...
I guess it might be faster if I became the winter army's generol again..
I can't stand it that I'm always the loser!
No matter what I will have a rematch, and defeat him!!

Isn't that the earth dragon mage? What is he doing in this place?
But to make that nanny mage set down the date for the match, it might be even harder than forcing him to fight-
Ah?
Ah!

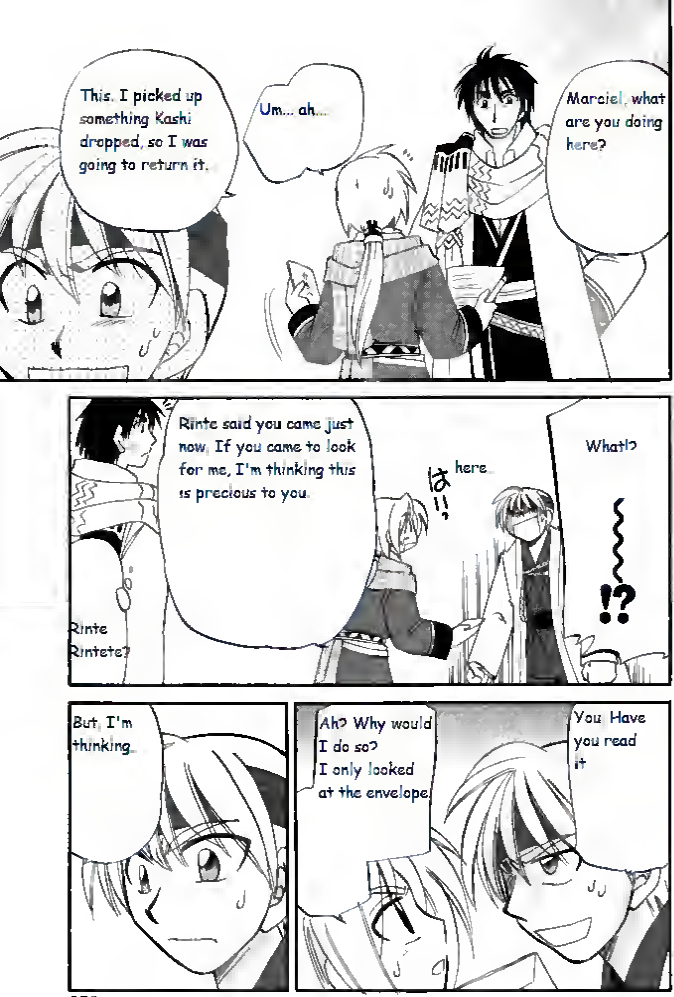
Ah? This is just a short sword for protection-
What are you holding in your hand!?
No the other hand!
What do you think you are doing!?
Oi! This is very dangerous!

I didn't!!
!!
Did Kashi challenge you to a sword match!?
shack
What happened!?
!?
Hey hey!
Kashi?
Ranbolus!?
!?
!?

Ah?
Yuicy ask me to pass this to you
What!?
!?
I think this is just a misunderstanding But that aside Marciel you came at the right time

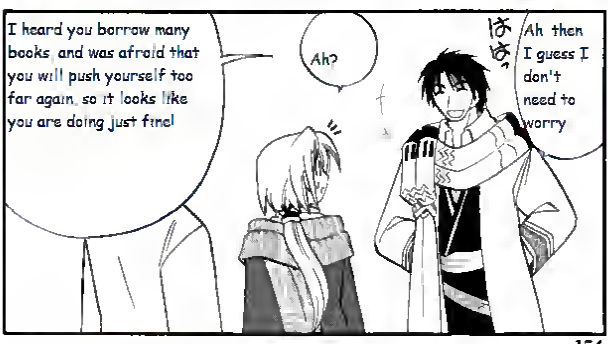


What I thought that was my letter
sigh
はぁ～
Ah yes
Ok
……
She said since you borrowed the books out form the underground library there should be a record at the very least
So please write down the books you have borrowed and your name



This. I picked up something Kashi dropped, so I was going to return it.
Um... ah...
Marciel, what are you doing here?
Rinte said you came just now. If you came to look for me, I'm thinking this is precious to you.
Rinte Rintete?
Ha!!
here.
What!?
!?
But. I'm thinking.
Ah? Why would I do so? I only looked at the envelope.
You. Have you read it

I...
It must have been written by your favourite Granny, that's why Kashi is so worried?
You must remember to write a reply!
I told you it isn't like this!
Don't be shy~

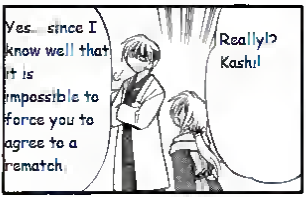


I heard you borrow many books, and was afraid that you will push yourself too far again, so it looks like you are doing just fine!
Ah?
Ah then I guess I don't need to worry

^Kashi's _ new head?

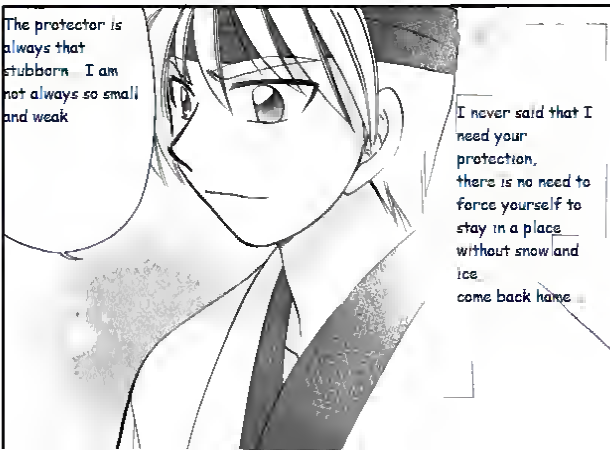
Um... yes.
Of course!
I will be helping him, there is no need for him to work so hard on his own!
Ah?
Is that so? I have no idea what you are up to but since you are helping it should be fine
Then I'll be going good luck!
Kashi...

Just take this as thanks for returning this letter



Really!? Kashi!
Yes... since I know well that it is impossible to force you to agree to a rematch

Kashi...
Granny? There are people who say I'm like a mother but... granny...?
Ah?
Because you are just like Granny stubborn and overprotective of the children



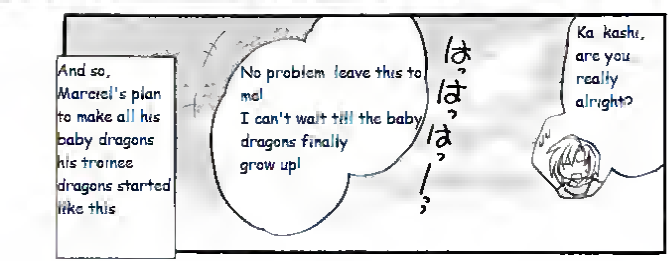
The protector is always that stubborn I am not always so small and weak
I never said that I need your protection, there is no need to force yourself to stay in a place without snow and ice come back home

はーはっはっはっ
Then they can force the nanny mage to have a match with me!!
To let the baby dragons grow, convince and make them understand...
The best way to prove their strength is through a match!

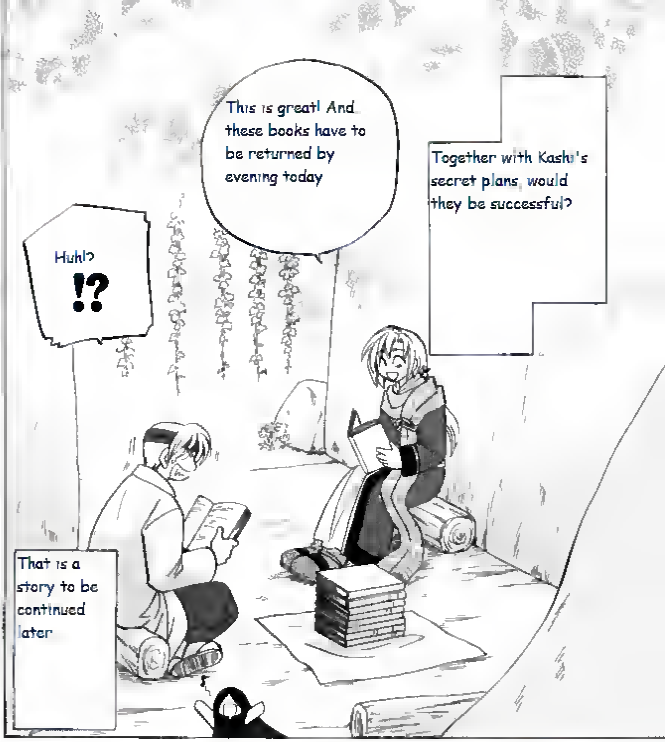
Yes... The ones being proccted will want to be independant one day.

To prove that they won't need protection forever... and to prove that they can protect others too.

So...



And so, Marcel's plan to make all his baby dragons his trainee dragons started like this
No problem leave this to me!
I can't wait till the baby dragons finally grow up!
はっはっはっ!
Ka kashi, are you really alright?



This is great! And these books have to be returned by evening today
Together with Kashi's secret plans, would they be successful?
Huh!?
!?
That is a story to be continued later

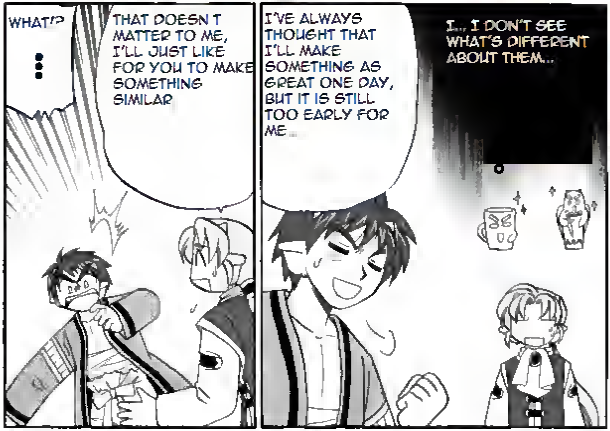
Everyone! It's time for snacks!
わーい
yay
what? I'm having a good and bad vibe at the same time
For now let us watch from afar

第36話
～それぞれの英雄像～
Everyone's own image of hero

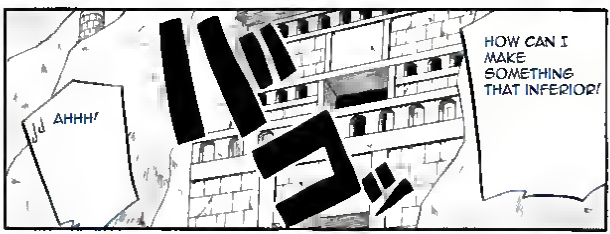
ONE OF THE HEROES WHOM THE CHILDREN OF THE DRAGON TRIBES KNOW, IS THE ANCIENT WIND DRAGON KING ROTARUKU.

... IT IS SAID THAT THIS FIGURINE IS MADE IN THE IMAGE OF THAT HERO.

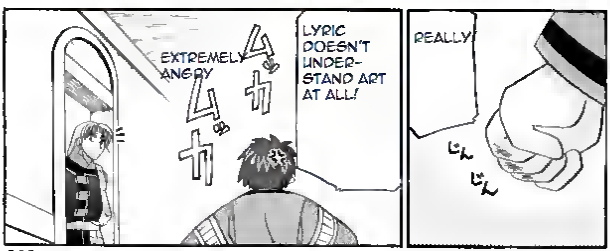
SO, OUR HOUSE'S TIRUKU WANTS ONE TOO!
AH?
THAT FIGURINE THAT WAS WIND DRAGON'S GUREISU'S TREASURE! IT WAS DROPPED INTO WATER, SO ELLE AND TIRUKU HELPED TO RECOVER IT. THEN TIRUKU SAID HE WANTED ONE TOO.
WHAT!? IT WAS LOST!?
!?
!?
AH?
THAT IS A FAMILY HEIRLOOM TO BE PASSED THE AGES FOR THE WIND DRAGON FAMILY! WHAT IS GUREISU DOING WITH IT!
AH... HUH? ISN'T IT MADE BY ME!?
WHAT ARE YOU SAYING! HOW COULD SUCH A MASTERPIECE BE MADE BY ME!



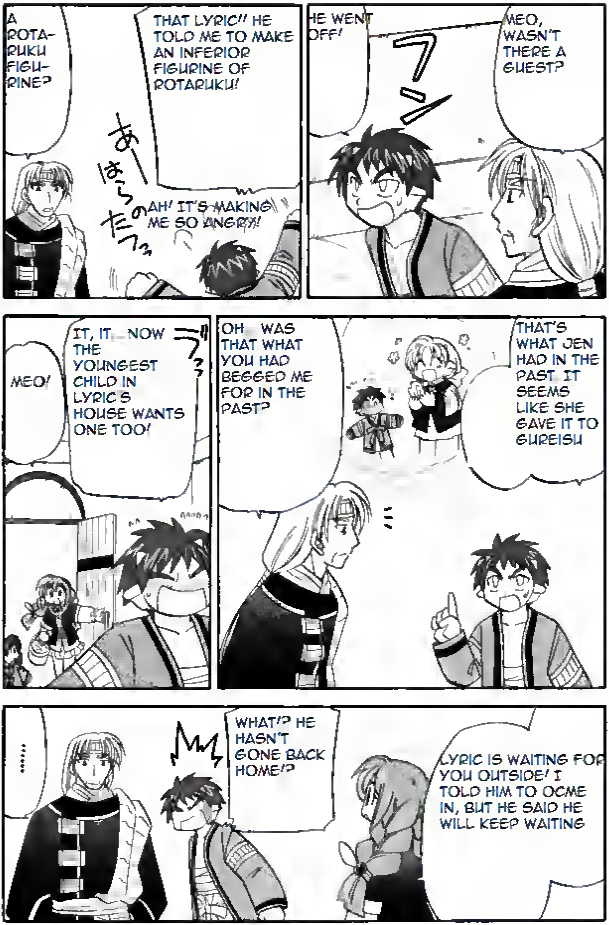
WHAT!?
THAT DOESN'T MATTER TO ME, I'LL JUST LIKE FOR YOU TO MAKE SOMETHING SIMILAR
I'VE ALWAYS THOUGHT THAT I'LL MAKE SOMETHING AS GREAT ONE DAY, BUT IT IS STILL TOO EARLY FOR ME...
I... I DON'T SEE WHAT'S DIFFERENT ABOUT THEM...



AHHH!
HOW CAN I MAKE SOMETHING THAT INFERIOR!

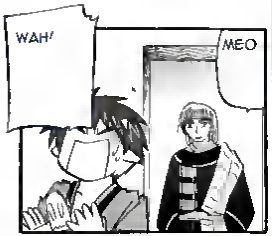


EXTREMELY ANGRY
LYRIC DOESN'T UNDER-STAND ART AT ALL!
REALLY
じん じん

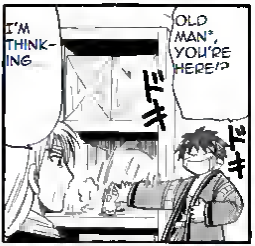


A ROTARUKU FIGURINE?
THAT LYRIC!! HE TOLD ME TO MAKE AN INFERIOR FIGURINE OF ROTARUKU!
あぁらのたっ
AH! IT'S MAKING ME SO ANGRY!!
HE WENT OFF!
MEO, WASN'T THERE A GUEST?
MEO!
IT, IT... NOW THE YOUNGEST CHILD IN LYRIC'S HOUSE WANTS ONE TOO!
OH... WAS THAT WHAT YOU HAD BEGGED ME FOR IN THE PAST?
THAT'S WHAT JEN HAD IN THE PAST. IT SEEMS LIKE SHE GAVE IT TO GUREISU
.....
WHAT!? HE HASN'T GONE BACK HOME!?
LYRIC IS WAITING FOR YOU OUTSIDE! I TOLD HIM TO COME IN, BUT HE SAID HE WILL KEEP WAITING

I'LL BE IN THE WORKING ROOM!
NO!
.....
AH!? WHAT!? DID YOU TWO HAVE A FIGHT?
JUST IGNORE HIM! SOONER OR LATER HE WILL LEAVE!
HM.
WHAT HAPPENED_MEO!



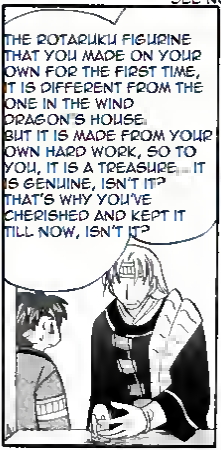
WAH!
MEO



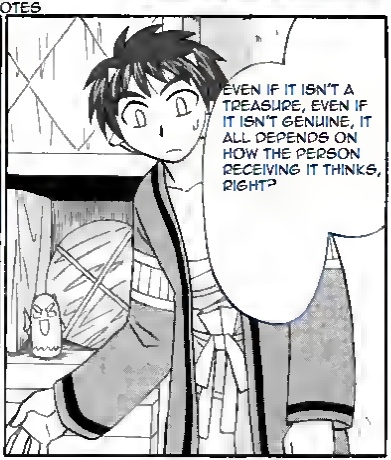
I'M THINK-ING
OLD MAN*, YOU'RE HERE!?
ガチャ
ガチャ

THIS IS CONSIDER ED INFERIOR, RIGHT?

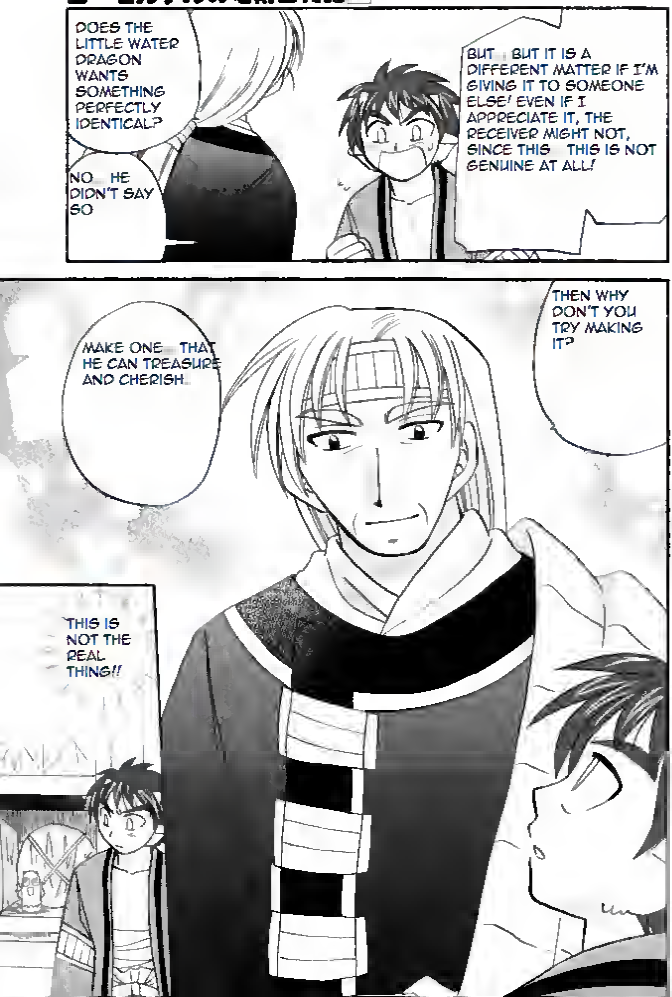
*SEE NOTES



THE ROTARUKU FIGURINE THAT YOU MADE ON YOUR OWN FOR THE FIRST TIME, IT IS DIFFERENT FROM THE ONE IN THE WIND DRAGON'S HOUSE. BUT IT IS MADE FROM YOUR OWN HARD WORK, SO TO YOU, IT IS A TREASURE... IT IS GENUINE, ISN'T IT? THAT'S WHY YOU'VE CHERISHED AND KEPT IT TILL NOW, ISN'T IT?

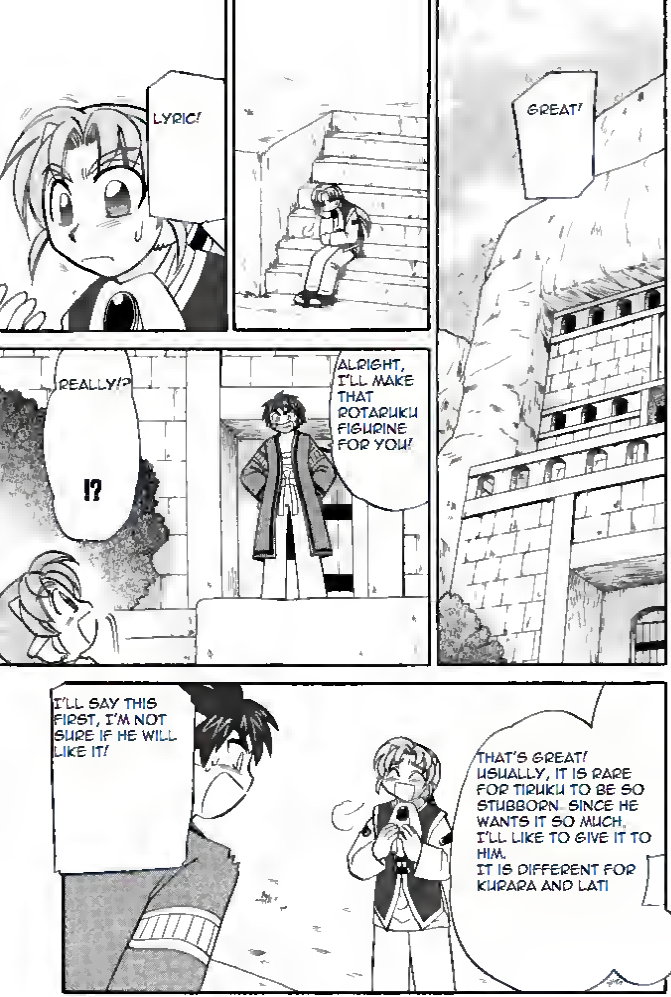


EVEN IF IT ISN'T A TREASURE, EVEN IF IT ISN'T GENUINE, IT ALL DEPENDS ON HOW THE PERSON RECEIVING IT THINKS, RIGHT?

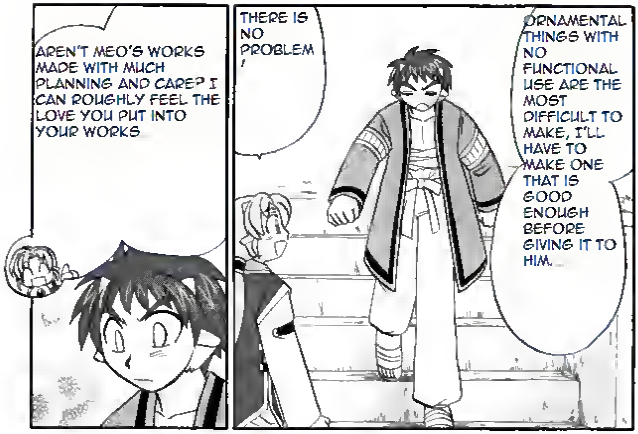


DOES THE LITTLE WATER DRAGON WANTS SOMETHING PERFECTLY IDENTICAL?
NO... HE DIDN'T SAY SO
BUT... BUT IT IS A DIFFERENT MATTER IF I'M GIVING IT TO SOMEONE ELSE! EVEN IF I APPRECIATE IT, THE RECEIVER MIGHT NOT, SINCE THIS... THIS IS NOT GENUINE AT ALL!
THEN WHY DON'T YOU TRY MAKING IT?
MAKE ONE... THAT HE CAN TREASURE AND CHERISH.
THIS IS NOT THE REAL THING!!

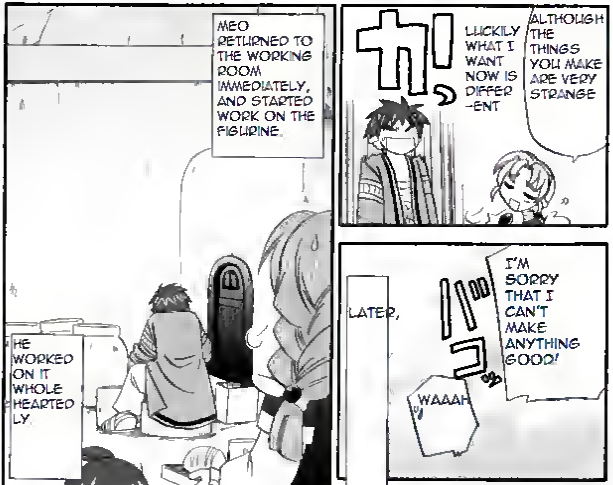
BUT...
I CAN'T MAKE THE SAME THING!
THE ONE THAT JEN HAS IS COOLER AND MORE DETAILED!
B...D.
SO THAT'S IT.
AS LONG AS I LIKE IT, IT IS GENUINE
HM.
THEN I'LL TRY AND SEE, I'LL MAKE A POTARUKU FIGURINE THAT TIRUKU WILL LIKE



LYRIC!
GREAT!
REALLY!?
!?
ALRIGHT, I'LL MAKE THAT ROTARUKU FIGURINE FOR YOU!
I'LL SAY THIS FIRST, I'M NOT SURE IF HE WILL LIKE IT!
THAT'S GREAT! USUALLY, IT IS RARE FOR TIRUKU TO BE SO STUBBORN. SINCE HE WANTS IT SO MUCH, I'LL LIKE TO GIVE IT TO HIM.
IT IS DIFFERENT FOR KURARA AND LATI

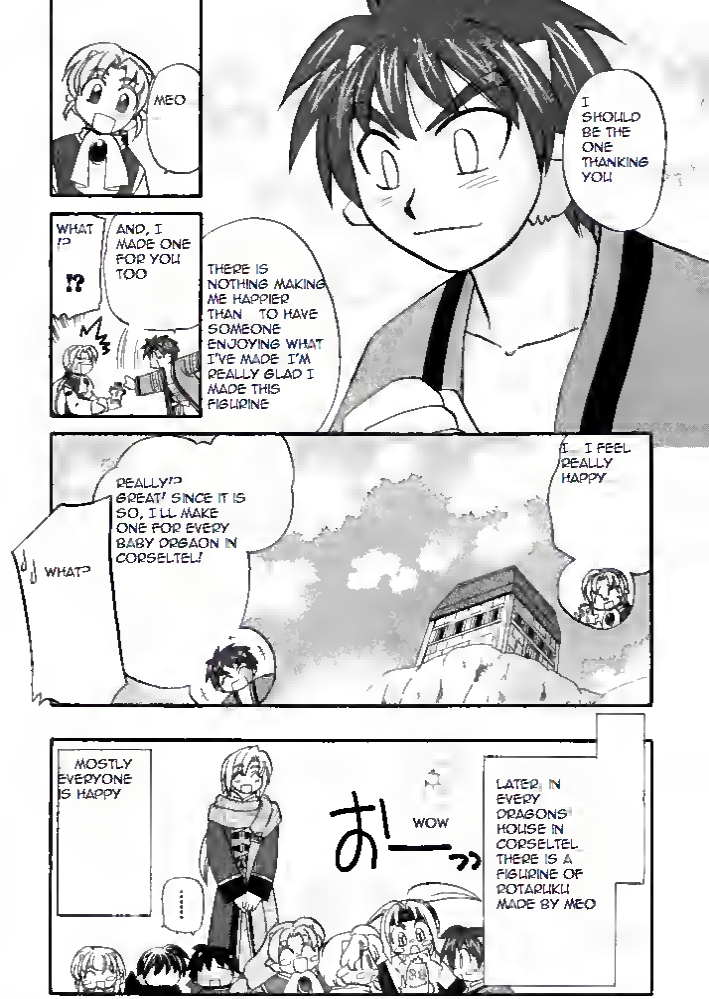


AREN'T MEO'S WORKS MADE WITH MUCH PLANNING AND CARE? I CAN ROUGHLY FEEL THE LOVE YOU PUT INTO YOUR WORKS.
THERE IS NO PROBLEM!
ORNAMENTAL THINGS WITH NO FUNCTIONAL USE ARE THE MOST DIFFICULT TO MAKE, I'LL HAVE TO MAKE ONE THAT IS GOOD ENOUGH BEFORE GIVING IT TO HIM.

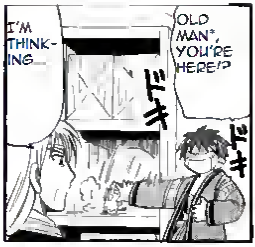


MEO RETURNED TO THE WORKING ROOM IMMEDIATELY, AND STARTED WORK ON THE FIGURINE.
HE WORKED ON IT WHOLE HEARTED LY.
HN?
LUCKILY WHAT I WANT NOW IS DIFFER -ENT
ALTHOUGH THE THINGS YOU MAKE ARE VERY STRANGE
LATER,
I'M SORRY THAT I CAN'T MAKE ANYTHING GOOD!
WAAAH

WOW
おおおっ
MUCH LATER
THANK YOU MEO LOOK AT HOW HAPPY TIPLIKU IS
NO...
CONGRATULATIONS, TIPLIKU
IT'S GREAT! IT'S SO COOL!
わーい わーい



MEO
I SHOULD BE THE ONE THANKING YOU
WHAT!?
!?
AND, I MADE ONE FOR YOU TOO
THERE IS NOTHING MAKING ME HAPPIER THAN TO HAVE SOMEONE ENJOYING WHAT I'VE MADE I'M REALLY GLAD I MADE THIS FIGURINE
I... I FEEL REALLY HAPPY
REALLY!? GREAT! SINCE IT IS SO, I'LL MAKE ONE FOR EVERY BABY DRAGON IN CORSELTEL!
WHAT?
MOSTLY EVERYONE IS HAPPY
WOW
LATER, IN EVERY DRAGONS' HOUSE IN CORSELTEL THERE IS A FIGURINE OF ROTARIKU MADE BY MEO



1)
MEO AND ARGINA CALLS IPHROV OLD MAN INSTEAD OF TEACHER/ FATHER

SO BACK IN CNR, IPHROV IS VERY HAPPY WHEN ARGINA FINALLY CALLS HIM 'FATHER'!

THIS DISTINTION IS NOT SEEN IN THE CHINESE TRANSLATIONS THAT I'M USING

THANKS TO ELPHIE FOR POINTING THIS OUT

2)
IFUROFU RENAMED AS IPHROV BECAUSE IFUROFU SOUNDS STRANGE, AND IPHROV SOUNDS BETTER AND LOOKS COOLER

THANKS TO ELPHIE FOR PROVIDING A LIST OF THE CHARACTERS' NAMES!

The ' Happy Figurine of Rottaruku' that Meo made the last time is more suited for the guys,
so Rita made this glass hairpiece for the girls.

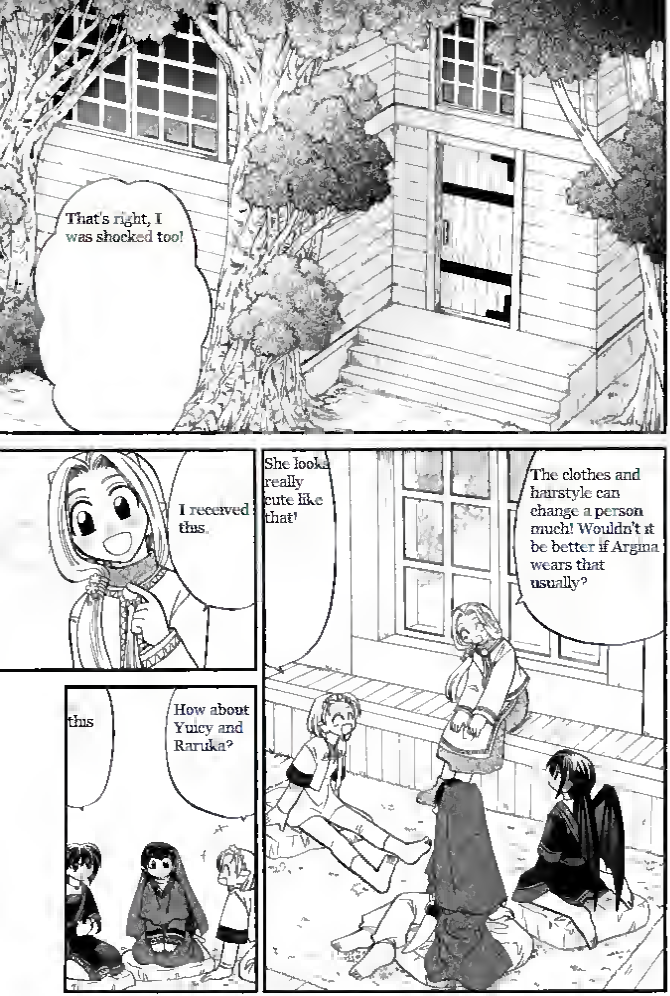
第37話 ～おとめの心境～

Maybe we won't lose our way this time...?
Alright! Now we are left with Marciel's house!
Shut up, Rita!

I am helping her to give these out
Yuicy, this is for you!

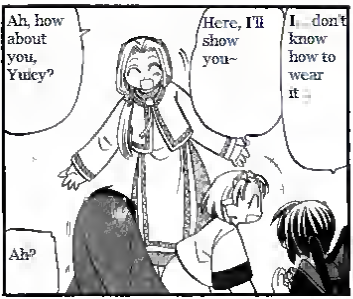
That was Argina. ?
It was the starting of a strange incident

第37話
～おとめの心境～
A girl's heart



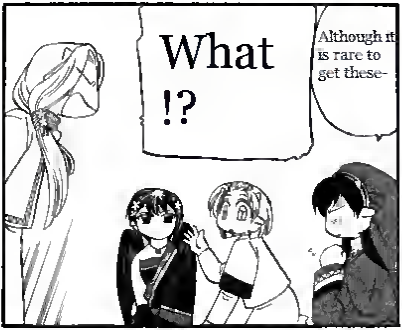
That's right, I was shocked too!
I received this.
She looks really cute like that!
The clothes and hairstyle can change a person much! Wouldn't it be better if Argina wears that usually?
this
How about Yuicy and Raruka?

I... don't often use this kind of things...

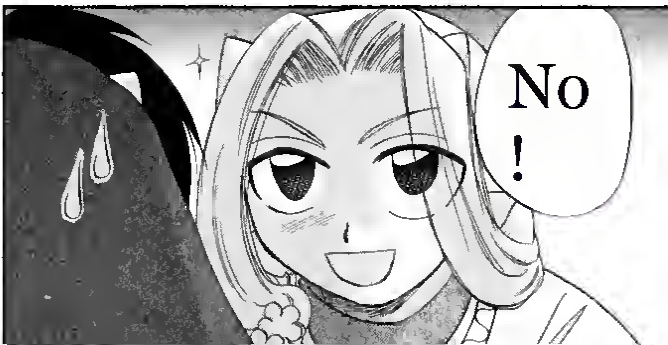


Ah, how about you, Yuicy?
Here, I'll show you~
I... don't know how to wear it...
Ah?

Is your cap unremovable !?
No, I think it doesn't suit me...



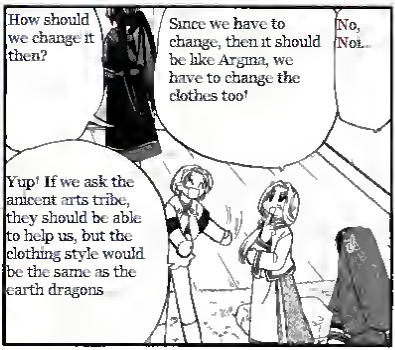
What !?
Although it is rare to get these-



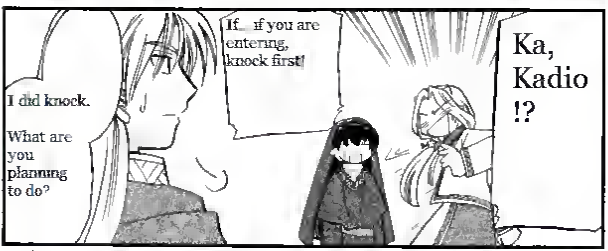
No !

knock knock...
Interesting!?
what...
It would be the most interesting to change Yuiey's image!
So we have to change it!!

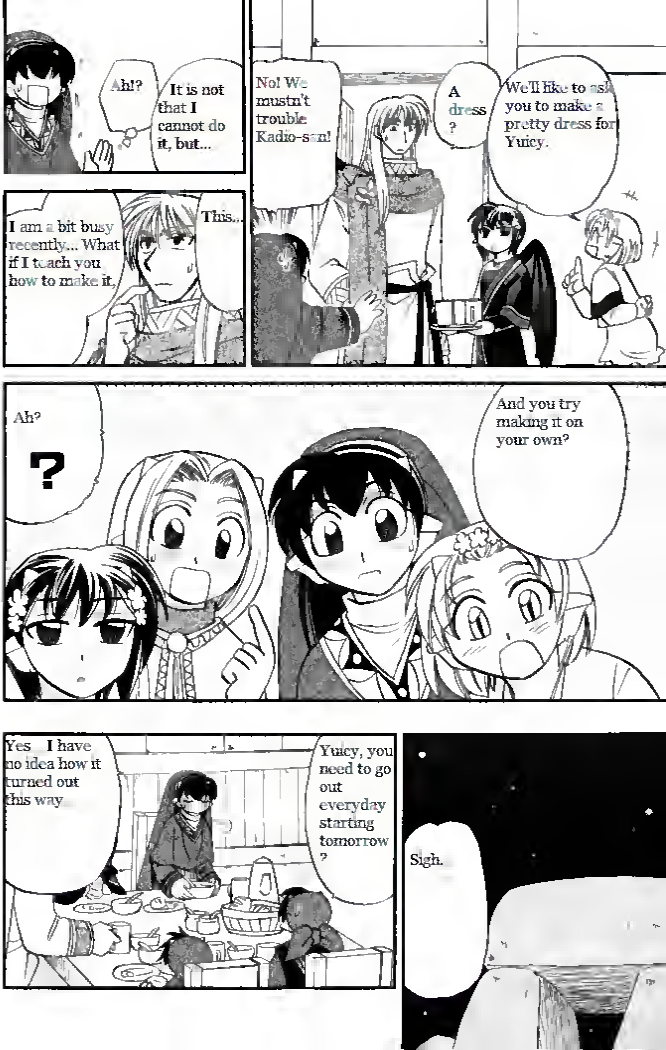
Ask me to help?
We can ask Kadio to help!



How should we change it then?
Since we have to change, then it should be like Argma, we have to change the clothes too!
No, Not...
Yup! If we ask the ancient arts tribe, they should be able to help us, but the clothing style would be the same as the earth dragons



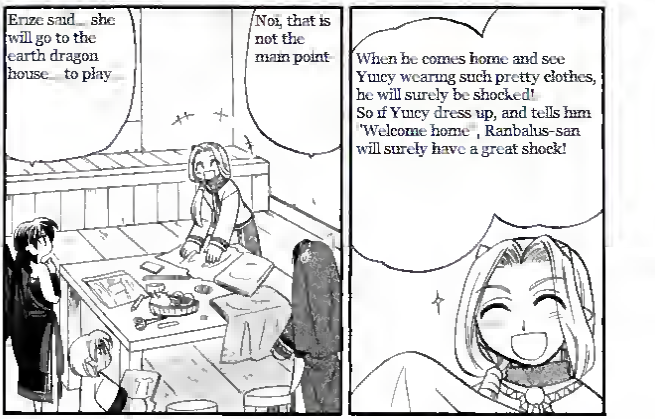
I did knock.
What are you planning to do?
If... if you are entering, knock first!
Ka, Kadio !?



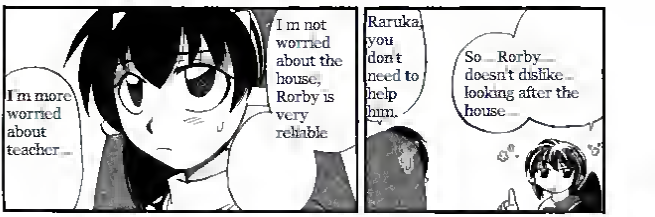
Ah!?
It is not that I cannot do it, but...
No! We mustn't trouble Kadio-san!
A dress ?
We'll like to ask you to make a pretty dress for Yuicy.
This...
I am a bit busy recently... What if I teach you how to make it.
Ah?
?
And you try making it on your own?
Yes... I have no idea how it turned out this way...
Yuicy, you need to go out everyday starting tomorrow ?
Sigh.

I agree
He really knows how to do anything
But,
What are you doing over at the wood dragon house?
ビクッ
Ah, Um, I'm learning how to make clothes
I need to go out during this time too-
キビッ
*glare
Ah, no, I mean, I will return home before sunset everyday, and I won't go adventuring! I promise, so there is no need to worry!

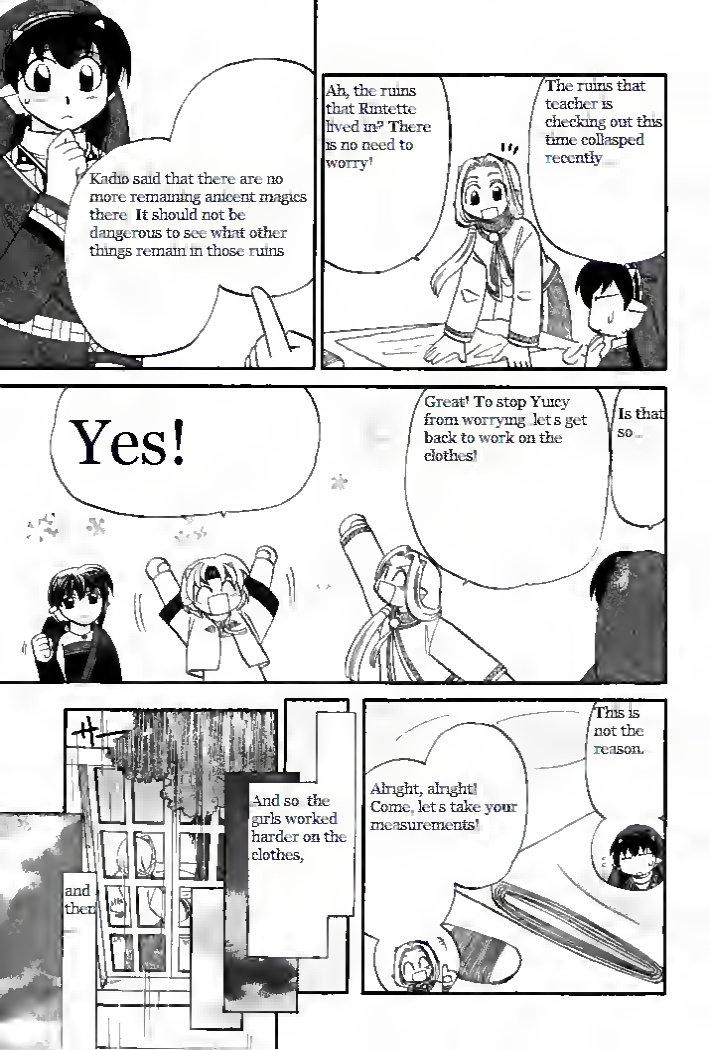
Isn't this timing great!
Since Rorby is watching the house, it should be alright? Right?
If Yuicy isn't around, I'll have no choice...
I want to go with teacher too...



Erize said... she will go to the earth dragon house... to play...
Noi, that is not the main point
When he comes home and see Yuicy wearing such pretty clothes, he will surely be shocked!
So if Yuicy dress up, and tells him "Welcome home", Ranbalus-san will surely have a great shock!

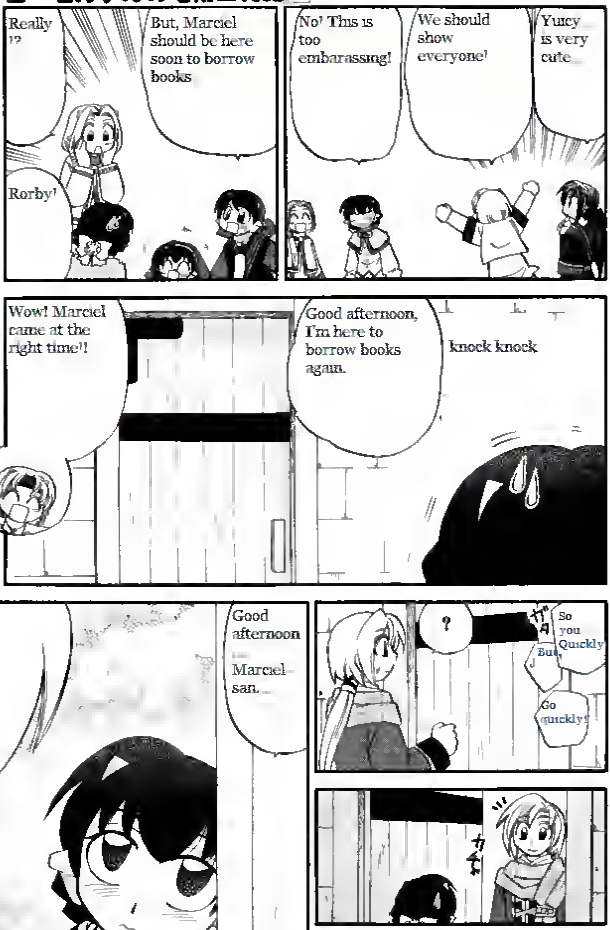


I'm not worried about the house, Rorby is very reliable
I'm more worried about teacher...
Raruka, you don't need to help him.
So... Rorby... doesn't dislike... looking after the house...

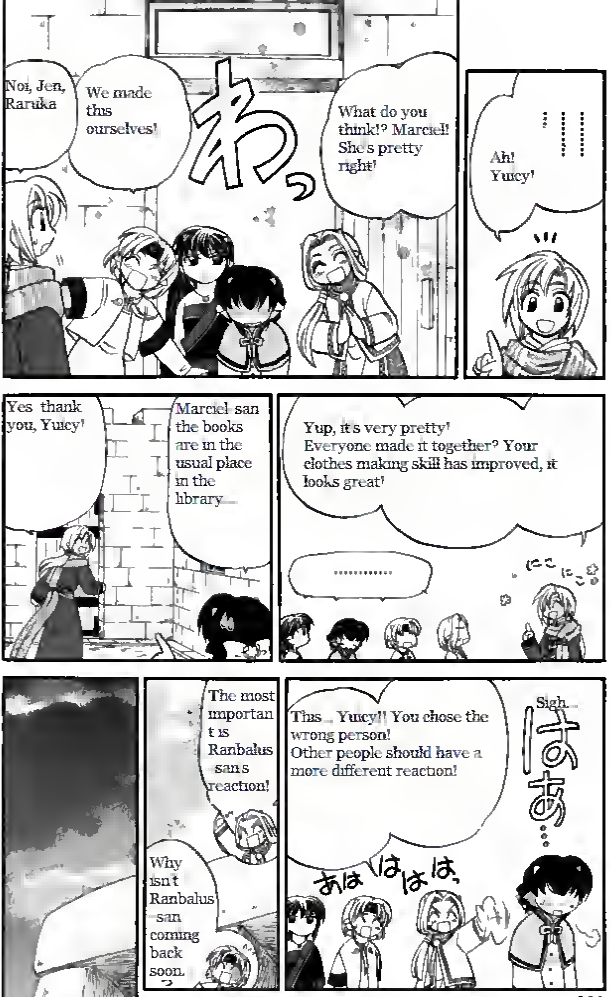


Kadio said that there are no more remaining ancient magics there. It should not be dangerous to see what other things remain in those ruins
Ah, the ruins that Rintette lived in? There is no need to worry!
The ruins that teacher is checking out this time collasped recently...
Yes!
Great! To stop Yurcy from worrying, let's get back to work on the clothes!
Is that so...
and then...
And so the girls worked harder on the clothes,
Alright, alright! Come, let's take your measurements!
This is not the reason.

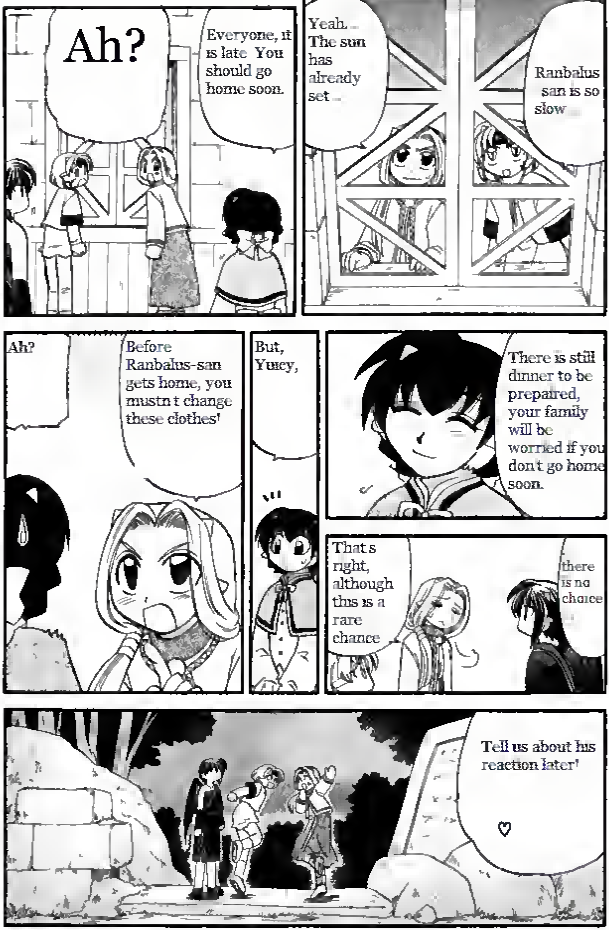
おお～っ
Wow
A few days later at the earth dragon house
Great, we're done!
Hm... It is still a bit plain, but this is using the base Kadio gave us, so we don't have much choice.
It's enough, I think it's a bit wasteful...



Really!?
But, Marciel should be here soon to borrow books
Rorby!
No! This is too embarassing!
We should show everyone!
Yuicy is very cute
Wow! Marciel came at the right time!!
Good afternoon, I'm here to borrow books again.
knock knock
Good afternoon Marciel-san
?
So you Quickly But
Go quickly!!
カチャ



Noi, Jen, Raruka
We made this ourselves!
わっ
What do you think!? Marciel! She's pretty right!
Ah! Yuicy!
Yes thank you, Yuicy!
Marciel-san the books are in the usual place in the library...
Yup, it's very pretty! Everyone made it together? Your clothes making skill has improved, it looks great!
にこにこ
The most important is Ranbalus-sans reaction!
Why isn't Ranbalus-san coming back soon.
This... Yuicy!! You chose the wrong person! Other people should have a more different reaction!
Sigh...
はあ…
あはははは



Ah?
Everyone, it is late. You should go home soon.
Yeah... The sun has already set...
Ranbalus-san is so slow...
Ah?
Before Ranbalus-san gets home, you mustn't change these clothes!
But, Yuicy,
There is still dinner to be prepaired, your family will be worried if you don't go home soon.
That's right, although this is a rare chance
there is no chance
Tell us about his reaction later!

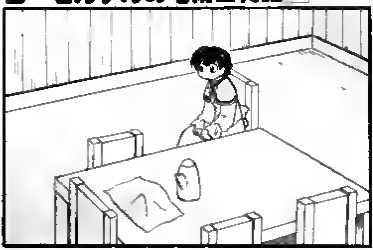
You don't want to dirty those clothes right? We want to see teacher's shocked expression too!
Ah?
We'll help to prepare dinner!

You can say that easily, but I can't prepare dinner wearing this.
Yuicy!

Teacher will return soon, he promised us!

That's right, he might be a little late, he promised us to return early.
Then I'll have to ask for your help tonight.
Great!
はーい

Teacher's shocked expression... Is that so...

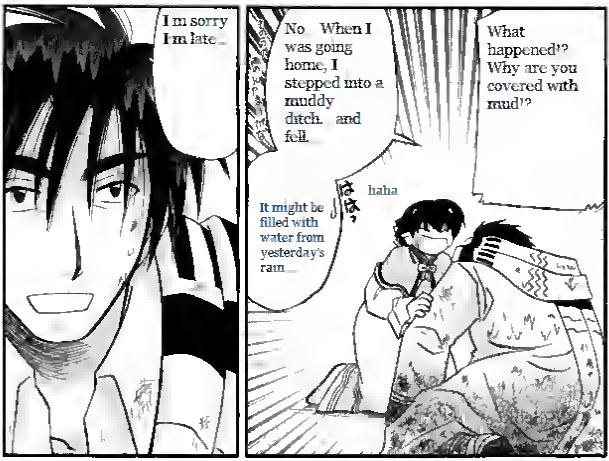


promised
!

Yes
You should go and sleep first, I'll continue waiting.
Yuicy

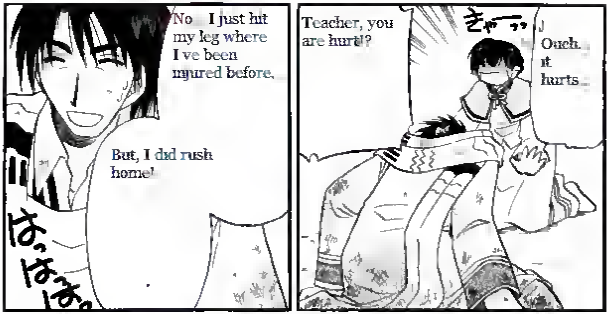
I am looking forward too...
Didn't he promise us?
When he returns, I will surely scold him...

I... I, I
I'm back.
Teacher!?
!?

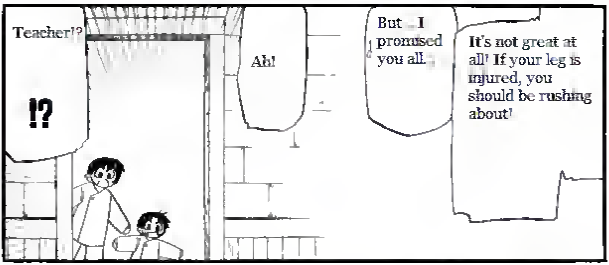


I'm sorry
I'm late...
No. When I was going home, I stepped into a muddy ditch... and fell.
What happened!? Why are you covered with mud!?
haha
It might be filled with water from yesterday's rain...

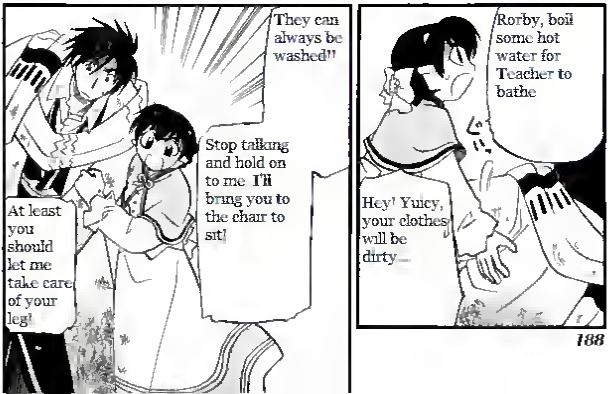
Are you injured?! Does it hurt anywhere!?
Teacher?
Ah! I'm sorry! I've made your clothes dirty!



No... I just hit my leg where I've been injured before.
But, I did rush home!
なはは。
Teacher, you are hurt!?
きゃっ
Ouch. it hurts...



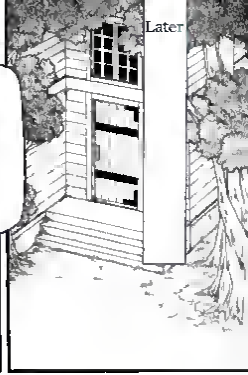
Teacher!?
!?
Ah!
But... I promised you all.
It's not great at all! If your leg is injured, you should be rushing about!



They can always be washed!"
Stop talking and hold on to me. I'll bring you to the chair to sit!
At least you should let me take care of your leg!
Rorby, boil some hot water for Teacher to bathe
Hey! Yuicy, your clothes will be dirty...

I wanted to say, with Teacher's personality, even if he praise me, it would be jokingly...
Here teacher, let's go and bathe.
Changing my hairstyle, wearing such clothes, it makes me feel embarrassed,
Uh... I'm sorry...
Who do you think I'm so angry about!
hahaha
はっはっは
Even if you wear such beautiful clothes, Yuicy is still Yuicy.
Makes me very happy... That I've worn these clothes
But... that expression

©Kanehito Yamada・Toshiyuki Kubooka/MF Bunko J/Kuroneko Project



Right! Next will be Raruka! Let's make Postman-san really shocked too!
Wow, Yuicy's thoughts have changed~
I think that changing my style once in a while is not bad
